

Admission Sequence

- ☐ Follow [steps for Admission for Curricular Students](#) as described in our [College Catalog](#).
 - ☐ Submit proof of high school completion/GED. (done at Nursing Orientation Meeting)
- ☐ Complete any developmental courses required, based upon multiple measures or Direct Enrollment, as determined by SVCC Counselor.
- ☐ Register for and take prerequisite courses (See [General Education Courses](#))
- ☐ Attend ONE Mandatory Nursing Information Session, *specific to the year for which you are applying*. Attend a session early in the process of meeting your admission requirements. All sessions are virtual, found on the [Associate of Applied Science in Nursing Home Page](#) . (Scroll down slightly, click under “Info Session/Application/Links” in menu bar to right.) There are 2 URLs to go to during the video to complete the session. Make sure you do both of those steps!
- ☐ Register for and take [ATI-TEAS Pre-entrance test](#). **All** applicants must take this test! Tests taken up to 3 years prior to application are acceptable. For minimum score requirements, see link for “Admission Requirements”.
- ☐ Complete and submit Application for Associate in Applied Science Degree in Nursing. Applications will be available online here below **Prospective Students Applying ADN Program** <https://southside.edu/important-information-rn>
- ☐ ALL steps above must be completed prior to these deadlines for your application to be considered.
- ☐ Important VCCS Policy on Nursing Program Admissions-- **Students who reside outside of the counties served by SVCC are considered for admission to the Nursing Program only if space is available after accepting applicants who are residents of the SVCC service area.** However, this rule only applies if the community college serving their locale offers an Associate's in Applied Science Degree Program in Nursing. [VCCS Service Areas](#)
- ☐ Admission decisions are made based on an objective point system.
