

Cell Analogies

Names: _____

Period: _____

1. Come up with an analogy for a cell (city, restaurant, school, etc)
2. Assign a role for at least **8** organelles and fill in the chart below, however you need to list the real cell function for **all** of the organelles

Organelle:	Real Cell Function (complete for all):	Role in your analogy (choose at least 8):
cell membrane		
cytoplasm		
cytoskeleton		
mitochondria		
lysosome		
golgi apparatus		
ribosome		
Rough ER		
Smooth ER		
Nucleus		
Nucleolus		
cell wall		
chloroplast		
vacuole
