# Forrestal Elementary

Newsletter for Week 16

## Forrestal Student Pledge

As a student at Forrestal School, I promise to be the solution.

I will be respectful, responsible, safe and in control.

I'm a valued member of our Falcon's Nest.

I promise to make Forrestal a better place for myself and my community.

*Happy New Year!*

### **In-Person Learning Will Continue!**

Forrestal resumes in person learning tomorrow on Monday, January 3rd following the current requirements of the Lake County Health Department.

All staff and students are encouraged to complete a COVID test before returning to school. **If you have tested positive for COVID, do not come to school.**

Keep your student home and report to the school if your student is experiencing any of the following:

- Fever of 100.4 or higher/chills
- Cough or shortness of breath from unknown cause
- Sore Throat
- Muscle pain from unknown cause
- New moderate to severe headache
- Nausea/Vomiting/Diarrhea
- Abdominal pain from unknown cause

As these are symptoms of COVID, a negative COVID test AND no fever for a full 24 hour period without the use of fever reducing medicine will be required for your student's return to school.

**Please do not send your child to the bus or to the school without a mask.** Masks provided at school should be considered an emergency replacement instead of a source.

Parents are welcome to call Forrestal's health aide between 7:45am and 3:00pm @ 847-689-6310 school if there are questions.

### **COVID-19 Student Consent and Waiver**

**Severe Weather Days:** In the coming weeks, severe weather conditions are likely due to extremely low temperatures or snow. Please be advised that classes will continue remotely on days when in-person instruction is not possible due to severe weather. District 187 will not cancel school. Staff and student attendance are required online. A Severe Weather Remote Learning Schedule will be provided and posted on [forrestal.d187.org](https://forrestal.d187.org).

**SEL Word of the Week - Manage.** Returning to a routine after the holidays can be a lot to manage. We often need to reset our routines and expectations both at home and in the classroom. This week we refocus our efforts that school is a place to learn and we have skills that help us manage ourselves to be our best learner self. Routines help us manage our various responsibilities and working together helps strengthen our learning community.
