

## Mountain View Elementary's Birthday Book Club

**Donate a book to Mountain View library  
in honor of your child's birthday!**

**Print and send this form back to the library by October 1<sup>st</sup>.**  
Pay \$15 (the average cost of a new hardback book) for your student's book using [Payforit](#). The library will purchase brand new books in fiction, nonfiction, and picture book format. These new books will be saved, just waiting and wanting to be picked! When it is the month of your child's birthday, they will be invited to the library to pick a book from the new book selection to give to the library in honor of their birthday. Your child will receive a birthday bookmark, pick a book to donate with a Birthday Book Club bookplate stating their first name.

If you wish to participate and your child's birthday has already passed, do not despair! August and September birthdays will be celebrated in October. June and July birthdays will be celebrated in May. All other birthdays will be celebrated in their month.

If you want to donate, please fill out the form below and return it to the library.
