### Agenda & Notes

- Upcoming happy hour topics
  - **March 25th** - Intro to using wikidata, incl. best practices and norms for working in wikidata and creating new records (Mathias Dillen from Meise Botanic Garden joining us for this)
    - Dealing with subjects with multiple records (duplications and disambiguation)
  - **April 8th** - the new TDWG Collections Description standard (Kate Webbink, Sharon Grant, Janeen Jones from FMNH joining us)
  - ? - Identifiers working session (people focused)
- Priority happy hour topics to schedule soon
  - [See ideas list here](#) (most things from Slack should be reflected in this doc)
  - We need people to volunteer to take the lead on topics!
  - What topics are suitable for current or future potpourri session?
- Debrief from the PBDB happy hour two weeks ago?
