

Hello,

I hope this message finds you well. My name is Moey, and I am a marketing student in Kalgoorlie. As part of my coursework, I am tasked with assisting a local business, and I would love the opportunity to collaborate with you.

I have conducted some research and developed a few strategies that I believe could effectively attract new clients to your firm. If you find them promising, I would be eager to discuss their potential implementation.

Would you be available for a call or a meeting in the coming days? I would greatly appreciate your time and insights.

Thank you for considering this opportunity.

Best regards,

Moey
