I have read the Student Acceptable Use Guidelines. I understand that the Internet is a worldwide group of hundreds of thousands of computer networks. I agree that the Athens Independent School District does not control the content of these Internet networks. I understand that if my child violates the Acceptable Use Guidelines, his/her access privilege to the District's computer online services may be revoked and may be subject to disciplinary action. The Athens Independent School District has my permission to give network and Internet access to my child. I understand that my child will maintain this privilege as long as procedures described in the District's Acceptable Use Guidelines are followed. I also grant permission for examples of my child's schoolwork to be published on the World Wide Web as an extension of classroom studies, provided that the home address, home phone number, student's last name or a close-up photograph is not included.

Note: Parents who do not want their child to have Internet access and/or have their schoolwork published on the Web should submit this request in writing annually to their child's principal. While the District will attempt to restrict access, it is ultimately the responsibility of the parent to ensure their child does not violate this request.
