Four Jolly Pirates

Four jolly pirates
Splashing in a puddle
Under big umbrellas
In a pirate huddle
Four jolly pirates
Wobbling their bellies
Singing a sea shanty
In their pirate wellies
Four jolly pirates
Going splish and splat
Catching tiny raindrops
In their crossbones hats
Four jolly pirates
Dancing on a plank
Shivering their timbers
And getting very damp
Four jolly pirates

See the sun break through
Then sail into the distance
To do what pirates do.
