"Aerials" means wireless network equipment, television aerials and satellite dishes erected pursuant to the Tenant's rights in paragraph 5 of Part 1 of the Schedule;]

"Base Rent" means the amount that is payable under Part 10 of the Schedule;

"Break Date" means [*Insert date or dates*]¹ [or any date falling after that date] [or the day before any Rent Day after that date] [or any [fifth] anniversary of that date] [as specified in the Tenant's Notice given under Clause 7.1];]²

"Building" means ALL and WHOLE the land with the building known as [*Insert building description*] [the various floors of which building are shown on the Plans,] [and being the property registered in the Land Register of Scotland under Title Number [], including all alterations, additions and improvements and all landlord's fixtures forming part of it at any time during the Term;³

"Building Common Parts" means subject to paragraph 4 of Part 2 of the Schedule, any part of, or anything in, the Building that does not form part of a Lettable Unit and that is used or available for use by:

- (a) the Tenant in common with others;
- (b) the Landlord in connection with the provision of the Building Services; or
- (c) customers of or visitors to the Building;

"Building Management Systems" means all or any of the following used within or serving the Building that do not exclusively serve any Lettable Unit:

- (a) lighting systems;

¹ When deciding on the relevant Break Date, best practice is to make it the day before a rent payment date. This ensures that the Tenant is not legally obliged to pay a full month's or quarter's rent on the day on which this Lease ends under the break clause.

² Delete if this Lease will not include break rights.

³ If the Tenant will be responsible for the repair and maintenance of glass within the Premises, including windows, consider whether the glass forming part the Premises should be excluded from the definition of the Building so that it does not fall within the Landlord's insurance and reinstatement obligations.

- (b) security, CCTV and alarm systems;
- (c) access control systems;
- (d) traffic controls systems;
- (e) audio and audio-visual systems;
- (f) wireless, phone, data transmission and other telecommunications systems;

- (j) footfall monitoring systems;

⁴ Check that that the definitions of the Building Service Charge Exclusions are consistent across each lease in the Estate to ensure that the service charge can be operated consistently. If a concession is made to a particular tenant, for example by agreeing to additional exclusions from the Building Service Costs:
a separate service charge reconciliation will be required for that tenant; and
the Landlord will not be able to recover any shortfall from the other tenants in the Estate as concessions offered to one tenant cannot be recovered from other tenants under the definition of "Building Service Charge Exclusions".

["EPC" means an Energy Performance Certificate and Recommendation Report (as defined in the EPB Regulations);]

"Estate" means ALL and WHOLE the land with the buildings known as [*Insert Estate description*] and shown [edged] [coloured] [] on the Plans, being the property registered in the Land Register of Scotland under Title Number [] including:

- (a) all alterations, additions and improvements and all landlord's fixtures forming part of it at any time during the Term;
- (b) any adjoining land and buildings that the Landlord adds to it⁶; and

⁵ Even though the 2010 Order has been replaced in most respects by the 2013 Order, it should be retained where the Landlord intends to recover payments due in relation to Phase 1 of the Carbon Reduction Scheme as they remain payable under the 2010 Order and are not recoverable under the 2013 Order.

⁶ If there is any change in the extent of the Estate, the Landlord may have to recalculate the service charge proportions.

excluding any land or buildings that the Landlord removes from it;⁷

"Estate Common Parts" means, subject to paragraph 4 of Part 2 of the Schedule, any part of, or anything in, the Estate ([including] [excluding]⁸ any Car Park) that does not form part of a Lettable Unit and that is used or available for use by:

- (a) connecting to existing Conducting Media [and the installation of new Conducting Media] under paragraph 1 of Part 1 of the Schedule;

⁷ If the Tenant will be responsible for the repair and maintenance of glass within the Premises, including windows, consider whether the glass forming part the Premises should be excluded from the definition of the Estate so that it does not fall within the Landlord's insurance and reinstatement obligations.

⁸ Consider the impact of including or excluding any Car Park on the rights granted to the Tenant.

⁹ Consider whether any car park should be treated separately to remainder of Estate for Service Costs and Estate Contribution. See also footnote to paragraph 4.9 of Part 4 of the Schedule.

¹⁰ Consider whether this definition (and concept of netting off against Service Costs) is required for the Estate.

¹¹ Check that that the definitions of the Estate Service Charge Exclusions and the Estate Contribution are consistent across each lease in the Estate to ensure that the service charge can be operated consistently. If a concession is made to a particular tenant, for example by agreeing to additional exclusions from the Estate Service Costs or additional Estate Contributions:

- (a) a separate service charge reconciliation will be required for that tenant; and
- (b) the Landlord will not be able to recover any shortfall from the other tenants in the Estate as concessions offered to one tenant cannot be recovered from other tenants under the definition of "Estate Service Charge Exclusions".

- (b) the installation of any apparatus permitted under the exception to Clause 4.11.1(b); and
- (c) the installation of any Aerials and Plant and Conducting Media between them and the Premises under paragraph 5 of Part 1 of the Schedule;

["Operational Rating Measures" means as defined in the AEP Regulations;]

¹² This definition is required only where service charge weighting applies or sub-lettings of permitted parts will be by reference to the gross internal area to be sub-let. Consider whether the measuring code to be used should be that current at the date of this Lease or the most recent version at the date that the measurement is made. Also consider whether an alternative measuring code is to be used as some landlords may still want to use the RICS Code of Measuring Practice (Sixth Edition) 2007 to maintain consistency with other lettings at the Estate. See also the definitions of "Service Charge", "Tenant's Proportion" and "Weighted Area" and paragraph 1.6 of Part 4 of the Schedule and paragraph 7 of Part 4 of the Schedule.

¹³ Note that "terrorism" is mentioned expressly as insurers now treat "terrorism" as a risk, even if it is a risk that may be covered by an exclusion in the insurance policy.

"Outgoings" means all or any of:

- (a) all existing and future rates, taxes, duties, charges, and financial impositions charged on the Premises except for:
 - (i) tax (other than VAT) on the Rent payable; and
 - (ii) any tax arising from the Landlord's dealing with its own interests;
- (b) Supply Costs for the Premises;
- (c) a fair and reasonable proportion of the Outgoings referred to in paragraphs (a) and (b) charged in respect of the Premises and any other parts of the Building to the extent that those amounts do not form part of the Building Service Costs; and

"Permitted Use" means:

- (a) the [non-food] [retail sale] of [*Insert description*]; or
- (b) any other [non-food] [retail] use complying with the Landlord's retail and tenant mix policy and within Class 1 of the Schedule to the Town and Country Planning (Use Classes) (Scotland) Order 1997 [other than paragraphs [] of that Class]¹⁴ as the Landlord may approve;

["Plant" means plant erected pursuant to the Tenant's rights in paragraph 5 of Part 1 of the Schedule;]

["Plant Area" means the area shown [edged] [coloured] [*Insert colour*] on the Plans or any other area substituted for it under paragraph 5.2 of Part 1 of the Schedule;]

¹⁴ Consider whether there are any of the specified uses in that class that your client would wish to exclude.

¹⁵ Include the words in square brackets where this Lease follows on from a pre-existing Lease with the Tenant (the Prior Lease) and the Landlord wants the Tenant to be under an obligation to reinstate works carried out under the Prior Lease when this Lease comes to an end or those works are to be disregarded on any rent review under this Lease.

¹⁶ If this Lease is to be registered in the Land Register then the plan(s) must satisfy the Cadastral Mapping Deed Plan Requirements of the Land Register of Scotland.

"Premises"¹⁷ means ALL and WHOLE the premises known as [*Insert address of Premises*] forming part of the Building and shown [edged] [coloured] [*Insert colour*] on the Plans:

(a) including:¹⁸

- (v) the Landlord's fire detection, alarm and sprinkler systems (if any) up to the point of connection with the Tenant's fire detection, alarm and sprinkler systems; and
- (vi) the Building Management Systems (if any) within the Premises;

¹⁷ On the letting of part of a retail unit on an Estate consider whether the Tenant should be demised the structure of the part of the unit let to it rather than being given a purely internal demise.

¹⁸ Consider the extent of the Premises and, in particular, whether Conducting Media and Landlord's plant, equipment and fixtures that exclusively serve the Premises, but which lie outside the Premises themselves, should be included within the definition of the Premises. If they are excluded from the Premises, consider whether the Tenant should be under an obligation to keep them in good repair and condition. The Tenant will also need rights of access over the Building Common Parts where it is under an obligation to repair and maintain such items (whether or not they form part of the Premises).

"Prior Lease" means a lease of the [Premises]¹⁹ entered into between [*Insert name of parties*] dated [] and [registered in the Books of Council and Session on []] and all documents supplemental or ancillary to it;²⁰

"Prior Lease Alterations" means all works carried out to or for the benefit of the [Premises]²¹ during the term of the Prior Lease or under any contract for the grant of the Prior Lease [briefly described in the schedule of works annexed and executed as relative to this Lease];²²

"Schedule" means the Schedule of [12] Parts annexed and executed as relative to this Lease;

"Schedule of Condition" means [the schedule annexed and executed as relative to this Lease and marked "Schedule of Condition"] [the schedule of condition prepared by [] dated [] a copy of which has been retained by each of the Landlord and the Tenant]²⁷;]²⁸

"Service Charge" means [subject to the provisions of paragraph 1.6 of Part 4 of the Schedule a fair proportion (calculated on a floor area basis or any other method as the Landlord decides from time to time)] [the Tenant's Proportion]²⁹ of the Service Costs;

"Service Charge Code" means the 3rd edition of the code of practice (2014) published by the Royal Institution of Chartered Surveyors called "Service charges in commercial property";

¹⁹ If the extent of the Premises has changed since the date of the Prior Lease, amend this definition to refer to the extent of the Premises originally let by the Prior Lease.

²⁰ Include this definition where this Lease follows on from a pre-existing lease with the Tenant and the Landlord wants the Tenant to be under an obligation to reinstate works carried out under the Prior Lease when this Lease comes to an end or those works are to be disregarded on any rent review under this Lease.

²¹ If the extent of the Premises has changed since the date of the Prior Lease, amend this definition to refer to the extent of the Premises originally let by the Prior Lease.

²² Include this definition where this Lease follows on from a pre-existing Lease with the Tenant and the Landlord wants the Tenant to be under an obligation to reinstate works carried out under the Prior Lease when this Lease comes to an end or those works are to be disregarded on any rent review under this Lease.

Because it can be difficult to establish which works have to be taken into account or disregarded on rent review or reinstated at the end of the term, consider agreeing and annexing a Schedule to this Lease setting out the works carried out under the Prior Lease, whether they will have to be reinstated and their status on a rent review under this Lease.

²³ If rent is payable monthly, refer to the relevant payment date; for example, the first day of each month.

²⁴ The Rent Review Date(s) should ideally correspond to one of the Rent Days.

²⁵ The default position under Clause 2.10 is that the Landlord's decision would have to be reasonable.

²⁶ Consider increasing this period if you think that it may take longer than five years to obtain any necessary consents and to rebuild following damage by an insured risk.

²⁷ Consider the alternative drafting if it is likely to provide administratively cumbersome for the Schedule of Condition to be annexed potentially requiring signature on most pages.

²⁸ Include only where the Tenant's repairing obligation will be limited to keeping the Premises in the state of repair current at the date this Lease is granted; also consider whether it may prove administratively cumbersome for this to be annexed potentially requiring signature on most pages; alternative possibility is to identify the Schedule and declare that a print is retained by each party or to have the Schedule of Condition signed by the respective parties' solicitors.

²⁹ Include this definition only where floor weighting applies to the service charge calculations. See also the definitions of "Gross Internal Area", "Tenant's Proportion" and "Weighted Area" and paragraph 1.6 of Part 4 of the Schedule and paragraph 7 of Part 4 of the Schedule.

"Supply Costs" means the costs of Supplies including procurement costs, meter rents and standing charges[and a fair and reasonable proportion of any CRC Costs incurred in relation to those Supplies];

"Tenant's Business Alterations" means so long as they do not affect the structural integrity of the Building, any of the following in relation to the Premises or the structural or non-structural walls [or the ceiling and floor slabs] bounding the Premises that are not within any other Lettable Unit:

- (a) the installation, alteration and removal of the shop front;
- (b) the creation of openings in the walls[, ceiling and floor slabs] within or bounding the Premises for the passage of the Tenant's Conducting Media; and
- (c) fixing holes drilled into the floor or ceiling slabs, blockwork or plaster;

"Tenant's Proportion"³¹ means subject to the provisions of paragraph 1.6 of Part 4 of the Schedule, the proportion that the Weighted Area of the Premises bears to the aggregate of the Weighted Areas of all Lettable Units (each discounted in accordance with paragraph 7 of Part 4 of the Schedule) at the beginning of the relevant accounting period;]

³⁰ If 24 hour servicing is available, this definition is not required.

"Uninsured Risk"³² means any risk expressly specified in the Insured Risks definition that:

- (a) is not insured against because, at the time the insurance is taken out or renewed, insurance is not generally available in the UK market on normal commercial terms; or
- (b) is not, at the date of the damage or destruction, insured against by reason of a limitation or exclusion imposed by the insurers

but will not include loss or damage (or the risk of it) caused by reason of the Tenant's act or failure to act;

"VAT" means value added tax or any similar tax from time to time replacing it or performing a similar function;

"VAT Supply" means a "supply" for the purpose of the Value Added Tax Act 1994;

["Weighted Area" means the Gross Internal Area of the relevant property discounted in accordance with and paragraph 7.1 of Part 4 of the Schedule;]³³ [and]

"Wireless Data Services" means the provision of wireless data, voice or video connectivity or wireless services permitting or offering access to the internet or any wireless network, mobile network or telecommunications system that involves a wireless or mobile device; and

2. Interpretation

In this Lease:

- 2.1 "notify", "notifies" or "notifying" means notify, notifies or notifying in writing in accordance with Clause 6.5;
- 2.2 where appropriate, the singular includes the plural and vice versa, and one gender includes any other;
- 2.3 all headings are for ease of reference only and will not affect the construction or interpretation of this Lease;
- 2.4 obligations owed by or to more than one person are owed by or to them jointly and severally, along with their respective executors and representatives whomsoever without the necessity of discussing them in their order, but not so as to impose any continuing liability on an assignor following a permitted assignment of the tenant's interest under this Lease;
- 2.5 if the Tenant is a firm or partnership (other than a limited liability partnership under the Limited Liability Partnerships Act 2000):
 - 2.5.1 the obligations of the Tenant under this Lease are binding jointly and severally on all persons who are or become partners of the firm at any time and their respective executors and representatives whomsoever as well as on the firm and its whole stock, funds, assets and estate without the necessity of discussing them in their order;

³² This Lease gives the Tenant all the benefits it would have if damage were caused by an Insured Risk except that the Landlord has a choice as to whether or not to reinstate. It must make this choice by telling the Tenant within 12 months of the damage whether or not it wishes it reinstate. If it does not, this Lease will end after that 12 month period. These provisions are only a starting point, as standard practice continues to evolve on the detail, including exactly how you define Uninsured Risks and what happens to any residual risks/parts of risks, not in this or the Insured Risks definition. You will need to consider how best to address this and, if necessary, take specific instructions as different landlords will have different approaches.

³³ Include this definition only where floor weighting applies to the service charge calculations. See also the definitions of "Gross Internal Area", "Service Charge" and "Tenant's Proportion" and paragraph 1.6 of Part 4 of the Schedule and paragraph 7 of Part 4 of the Schedule.

- 2.5.2 except in the circumstances set out in Clause 2.5.3, the obligations set out in Clause 2.5.1 remain in full force and effect even if:
- (a) the firm or partnership is dissolved;
 - (b) any change or changes take place in the firm or partnership whether by the assumption of a new partner or partners or by the retiral, bankruptcy or death of any individual partner; or
 - (c) there is a change in the firm name;
- 2.5.3 if any person, who by virtue of his being a partner, is bound to implement the Tenant's obligations, then on such person ceasing to be a partner the Landlord on request, will release such person and his representatives from all obligations on the Tenant under this Lease subsequent to the date when such person ceases to be a partner (or, if later, the date of such request) provided that it is established to the Landlord's reasonable satisfaction that any such release does not materially adversely affect the strength of the Tenant's financial covenant or its ability to implement its obligations under this Lease;
- 2.6 an obligation to do something includes an obligation not to waive any obligation of another person to do it;
- 2.7 an obligation not to do something includes an obligation not to permit or allow another person to do it;
- 2.8 the Tenant will be liable for any breaches of its obligations in this Lease committed by:
- 2.8.1 any authorised occupier of the Premises or its or their respective employees, licensees or contractors; or
 - 2.8.2 any person under the control of the Tenant or acting under the express or implied authority of the Tenant;
- 2.9 reference to either the Landlord or the Tenant having a right of approval or consent under this Lease means a prior written approval or consent, which must not be unreasonably withheld or delayed except where this Lease specifies that either the Landlord or the Tenant has absolute discretion;
- 2.10 where either the Landlord or the Tenant has the right to impose regulations or to approve, decide, designate, nominate, request, require, specify or stipulate any matter or thing under this Lease, that right will be subject to a condition that it will act reasonably and properly when exercising that right except where this Lease specifies that it has absolute discretion;³⁴
- 2.11 references to the provision of plans, drawings, specifications or other documents means their provision in hard copy, electronically in PDF format or in any other easily readable format as may be appropriate having regard to the purpose for which they are provided and the nature of the information that they contain, but not in a format that is proprietary to a particular computer system or program that cannot be imported into or easily read by another computer system or program;³⁵
- 2.12 references to a Part of the Schedule are to the relevant Parts of the Schedule to this Lease and the Landlord and the Tenant must comply with their respective obligations in them;

³⁴ Note that it is assumed that consent is always subject to reasonableness, except where the lease states that a party has absolute discretion; Scottish practitioners may otherwise be accustomed to the opposite "default" scenario where it is assumed that a party – invariably the landlord – enjoys absolute discretion except where the lease provides the reasonableness. In practice, the only provisions in this Lease that allow the Tenant to impose requirements are in Clause 5.5.

³⁵ Where plans and specifications are provided to the Landlord, you should ensure that the Landlord has the right to use those plans and specifications – see paragraph 2.7.7 of Part 6 of the Schedule.

- 2.13 apart from in Clause 4.6.1, where either the Tenant or the Landlord must pay any costs that the other incurs (or any proportion of them), those costs must be reasonable and proper and reasonably and properly incurred;
- 2.14 references to any sums being payable on demand or when demanded mean being payable when demanded in writing;³⁶
- 2.15 the Landlord's reserved rights under Clause 4.10 and Part 2 of the Schedule may also be exercised by those authorised by the Landlord;³⁷
- 2.16 reference to "the Building", "the Building Common Parts", "the Estate", "the Estate Common Parts" or "the Premises" means the whole or an individual part or parts unless inappropriate in the context used;
- 2.17 reference to "adjoining premises" means any land or buildings adjoining or nearby the Building, and the Estate whether or not owned by the Landlord (unless express reference is made to the Landlord's ownership of those premises);
- 2.18 references to an Act are to that Act as amended from time to time and to any Act that replaces it but references to the Town and Country Planning (Use Classes) (Scotland) Order 1997 are to that Order as in force at the Term Start Date;
- 2.19 "includes", "including" and similar words are used without limitation or qualification to the subject matter of the relevant provision;
- 2.20 if any provision is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remainder of this Lease will be unaffected;
- 2.21 if a person must take a matter into consideration that person must have reasonable regard to it but the final decision remains at that person's absolute discretion; and
- 2.22 a document will be duly executed only if it is executed in such manner as meets the requirements of Section 3 and Sections 9B and 9C of the Requirements of Writing (Scotland) Act 1995.

3. **Demise, Term and Rent**

- 3.1 In consideration of the Rent and other provisions of this Lease the Landlord lets the Premises to the Tenant:
 - 3.1.1 for a term starting on the Term Start Date and ending on the Term End Date;
 - 3.1.2 together with the rights listed in Part 1 of the Schedule;
 - 3.1.3 excepting and reserving to the Landlord the reserved rights listed in Part 2 of the Schedule;
 - 3.1.4 subject to the provisions of any documents or matters specified or referred to in the title deeds; and
 - 3.1.5 subject to any servitudes, rights and privileges currently existing and affecting the Premises.
- 3.2 Except where Clause 3.7 applies, the Tenant must pay:
 - 3.2.1 for the period starting on the Rent Commencement Date [and ending on the day before the first Rent Review Date] the Initial Rent[; and

³⁶ Any sums payable on demand only begin to bear interest for late payment if not paid within 10 Business Days of the date of demand – see Clause 4.5.

³⁷ Safeguards relating to the exercise of rights are contained in Clause 5.5 and, in relation to scaffolding, in Clause 5.6.

- 3.2.2 during the remainder of the Term, the Rent].
- 3.3 Rent is not payable for any period before the Rent Commencement Date.
- 3.4 Starting on the Term Start Date the Tenant must pay:
 - 3.4.1 Service Charge due under Clause 4.3 and Part 4 of the Schedule; and
 - 3.4.2 Insurance Costs.
- 3.5 The Tenant must pay VAT under Clause 4.4.
- 3.6 The Rent is payable by equal [monthly] [quarterly] payments in advance on the Rent Days in every year. The first payment will be a proportionate payment for the period starting on (and to be paid on) the Rent Commencement Date and ending on the last day of that [month] [quarter].
- 3.7 Until the arrangements in Part 10 of the Schedule come to an end in accordance with paragraph 11 of Part 10 of the Schedule, instead of paying the Rent under Clause 3.2 the Tenant must pay the Base Rent and the Turnover Rent under Part 10 of the Schedule. This will not affect the operation of the rent review mechanism in Part 3 of the Schedule.
- 3.8 The Rent and all other sums payable under this Lease must be paid by the Tenant by electronic transfer from a United Kingdom bank account to the United Kingdom bank account notified by the Landlord to the Tenant.
- 3.9 The Tenant must not make any retention, deduction, set-off or counterclaim from any payment due under this Lease unless required to do so by law.

4. Tenant's Obligations

4.1 Rent

The Tenant must pay the Rent or, where Part 10 of the Schedule applies, the Base Rent and the Turnover Rent, when due.

4.2 Outgoings

- 4.2.1 The Tenant must pay all Outgoings when demanded.
- 4.2.2 [If the Landlord loses the benefit of any rates relief or exemption after the End Date because the Tenant has received that benefit before the End Date, the Tenant must pay the Landlord on demand an amount equal to the relief or exemption that the Landlord has lost.]³⁸

4.3 Service Charge

The Tenant must pay the Service Charge in accordance with Part 4 of the Schedule.

4.4 VAT

- 4.4.1 The Tenant must pay:
 - (a) VAT on any consideration in respect of a VAT Supply to the Tenant by the Landlord at the same time as the consideration is paid; and
 - (b) on demand VAT (and interest, penalties and costs where they are incurred because of anything the Tenant does or fails to do) charged in respect of any VAT Supply to the Landlord in respect of the Premises where that VAT is not recoverable by the Landlord from HM Revenue & Customs.

³⁸ Consider whether this is appropriate in the context of the length of this Lease.

- 4.4.2 The Tenant must not do anything that would result in the disapplication of the option to tax in respect of the Landlord's interest in the Estate.

4.5 Interest on overdue payments

The Tenant must pay interest on the Rent and on all other sums not paid on or by the due date (or, if no date is specified, not paid within 10 Business Days after the date of demand). Interest will be payable at the Interest Rate for the period starting on the due date (or date of demand) and ending on the date of payment.

4.6 Reimburse costs incurred by the Landlord

The Tenant must pay on demand the Landlord's costs (including legal and surveyor's charges and sheriff officer's fees) and disbursements in connection with:

- 4.6.1 any breach of the Tenant's obligations in this Lease, including the preparation and service of a Notice under Clause 6.1;
- 4.6.2 any application by the Tenant for consent under this Lease, whether that application is withdrawn or consent is granted or lawfully refused, except in cases where the Landlord is required to act reasonably and the Landlord unreasonably refuses to give consent;
- 4.6.3 the preparation and service of any Notice by the Landlord under Clause 4.14.3; and
- 4.6.4 the preparation and service of a schedule of dilapidations served no later than six months after the End Date.

4.7 Third party indemnity³⁹

- 4.7.1 The Tenant must indemnify the Landlord against all actions, claims, demands made by a third party, all costs, damages, expenses, charges and taxes payable to a third party and the Landlord's own liabilities, costs and expenses incurred in defending or settling any action, claim or demand in respect of any personal injury or death, damage to any property and any infringement of any right arising from:

- (a) the state and condition of the Premises or the Tenant's use of them;
- (b) the exercise of the Tenant's rights; or
- (c) the carrying out of any Permitted Works.

- 4.7.2 In respect of any claim covered by the indemnity in Clause 4.7.1, the Landlord must:

- (a) give notice to the Tenant of the claim as soon as reasonably practicable after receiving notice of it;
- (b) provide the Tenant with any information and assistance in relation to the claim that the Tenant may reasonably require, subject to the Tenant paying to the Landlord all costs incurred by the Landlord in providing that information or assistance; and
- (c) mitigate its loss (at the Tenant's cost) where it is reasonable for the Landlord to do so.

4.8 Insurance

The Tenant must comply with its obligations in Part 5 of the Schedule.

³⁹ The indemnity relates to third party claims. For Tenant breaches the Landlord needs to rely on the normal rules for an award of damages.

4.9 Repair and decoration

- 4.9.1 The Tenant accepts the Premises, the Building Common Parts and the Estate Common Parts in their condition at the Term Start Date as being in good and substantial condition and fit for the purpose let. All implied warranties as to fitness for purpose are excluded.
- 4.9.2 The Tenant must:
- (a) keep the Premises and all Tenant's Business Alterations in good and substantial repair and condition and clean and tidy and as necessary renew, replace and rebuild the Premises [but the Tenant's obligations under this clause will be restricted to keeping the Premises in no worse state of repair and condition than they were in at the [date of and] [Term Start Date] as evidenced by the Schedule of Condition];
 - (b) keep all Conducting Media, plant, equipment or fixtures forming part of the Premises [(or that exclusively serve them)]⁴⁰ and any External Works properly maintained and in good working order in accordance with good industry practice and any requirements of the Landlord's insurers; and
 - (c) replace (where beyond economic repair) any Conducting Media and plant, equipment or fixtures forming part of the Premises [(or that exclusively serve them)]⁴¹ and any External Works with items of equivalent or better quality.
- 4.9.3 [The Tenant must promptly replace any damaged glass forming part of the Premises with glass of equivalent appearance and of the same or better quality.]
- 4.9.4 The Tenant must decorate the Premises as and when necessary and in the final six months of the Term.
- 4.9.5 The obligations under this Clause 4.9 apply:
- (a) to both ordinary and extraordinary repairs;
 - (b) regardless of the age or state of dilapidation of the Premises and all Tenant's Business Alterations; and
 - (c) regardless of the cause of damage, deterioration or destruction even if the cause is a latent or inherent defect.⁴²
- 4.9.6 The obligations under this Clause 4.9 [apart from Clause 4.9.3] exclude:
- (a) damage by any Insured Risk, except to the extent that payment of any insurance money is refused because of anything the Tenant does or fails to do and the Tenant has not complied with paragraph 1.1.3 of Part 5 of the Schedule; and
 - (b) damage by any Uninsured Risk.

4.10 Allow entry

- 4.10.1 The Tenant must allow the Landlord to enter and inspect the Premises.

⁴⁰ The words in square brackets are required only where Conducting Media or plant, equipment or fixtures that exclusively serve the Premises are not included in the grant of lease to the Tenant.

⁴¹ The words in square brackets are required only where Conducting Media or plant, equipment or fixtures that exclusively serve the Premises are not included in the grant of lease to the Tenant.

⁴² The drafting here departs from the MCL template in recognition of the usual expectation in the Scottish marketplace that in order to make a lease institutionally acceptable, the Tenant may have to assume contingent responsibility for extraordinary repairs.

- 4.10.2 If the Landlord requires the Tenant to remedy any breach of the Tenant's obligations regarding the state and condition of the Premises or to remove any unauthorised alterations then the Tenant must comply with those requirements immediately in the case of an emergency or, in all other cases, begin to comply with those requirements within one month after being notified of them and diligently complete any works required.
- 4.10.3 If the Tenant does not comply with Clause 4.10.2, the Landlord may enter the Premises and carry out any works required itself. The Tenant must repay, as a debt on demand, all the costs the Landlord incurs in so doing. The Landlord's rights under Clause 6.1 will be unaffected.

4.11 Alterations

- 4.11.1 The Tenant must not:
- (a) build any new structure on, or alter the external appearance of, the Premises or cut into any structural part of the Building, except for Tenant's Business Alterations; or
 - (b) install Electronic Communications Apparatus or apparatus relating to Wireless Data Services, except where intended only to serve the lawful occupier's business at the Premises.
- 4.11.2 Landlord's consent is not required for the installation or removal of tenant's fixtures⁴³ or for internal non-structural works to the Premises that will not have an adverse impact on the Environmental Performance of the Building or the Building Management Systems, but the Tenant must notify the Landlord promptly after completing those works.
- 4.11.3 The Tenant must not, without the Landlord's consent:
- (a) do any other works to the Premises;
 - (b) carry out or install any External Works;
 - (c) make any Tenant's Business Alterations; or
 - (d) install any apparatus permitted under the exception to Clause 4.11.1(b).
- 4.11.4 The Tenant must comply with its obligations in Part 6 of the Schedule when carrying out or installing any Permitted Works, whether or not the Landlord's consent is required for them.⁴⁴
- 4.11.5 Where the Landlord's consent is expressly required under this Clause 4.11, the Landlord may impose requirements on the Tenant in addition to those contained in Part 6 of the Schedule when giving its consent.
- 4.11.6 The Tenant has no rights to carry out any alterations, works or installations outside the Premises unless it is expressly permitted to do so by this Lease. If the Landlord, in its absolute discretion, permits alterations, works or installations outside the Premises that are not permitted by this Lease, those alterations, works or installations will then be treated as External Works.

⁴³ As tenant's fixtures form part of the Premises, their removal would be an alteration that would otherwise require consent. Consider whether there are any tenant's fixtures that should not be removed or removed only with consent – for example industrial equipment.

⁴⁴ Part 6 of the Schedule is included in an attempt to speed up and reduce the cost of obtaining Landlord's consent. In most cases landlords will be able to consent by simple letter. Where Part 6 of the Schedule does not contain all the obligations the Landlord requires because of the specific nature of the intended works, Clause 4.11.5 allows the Landlord to impose additional obligations. That may still be done by simple letter – see paragraph 2.6 of Part 6 of the Schedule. Where works are to be taken into account on rent review or must definitely be removed at the end of this Lease, that should be documented separately at the time the Landlord gives consent.

4.12 Relocation of External Works

- 4.12.1 The Tenant must relocate any External Works when requested to do so on not less than one month's notice by the Landlord.
- 4.12.2 If permanent relocation of the External Works is required by the Landlord, the Landlord may serve notice under Clause 4.12.1 only if the relocation of the External Works will not have a material adverse impact on the Tenant's business at the Premises.
- 4.12.3 If the Landlord requires temporary relocation of the External Works, the Landlord must keep the period of relocation as short as reasonably practicable in the circumstances.
- 4.12.4 The Landlord will be responsible for the Tenant's costs and expenses in complying with the Landlord's request to relocate the External Works unless their relocation is required only temporarily to enable the Landlord to carry out any of the Services, in which case the costs will be included in the Service Costs.

4.13 Signs and advertisements

- 4.13.1 The Tenant must not display any signs or advertisements on the Premises other than:
 - (a) signs approved by the Landlord;
 - (b) normal trade signs displayed from within the Premises; or
 - (c) signage on the fascia of the Premises that indicates the Tenant's trading name in the style of and consistent with the Tenant's standard fascia signage.
- 4.13.2 Where the Premises have a glazed shop front, the Tenant must maintain either the visibility of the shop interior from the shop front or a window display in keeping with good retailing practice.
- 4.13.3 The Tenant must keep the Premises adequately lit during the Estate Opening Hours.

4.14 Obligations at the End Date

- 4.14.1 By the End Date the Tenant must have removed:
 - (a) all tenant's and trade fixtures and loose contents from the Premises;
 - (b) all signage installed by the Tenant or any sub-tenant at the Premises or elsewhere on the Building or the Estate;
 - (c) subject to Clause 4.14.3, all Permitted Works; and
 - (d) without affecting any other Landlord's rights, any works that have been carried out by the Tenant in breach of any obligation in this Lease.
- 4.14.2 The Tenant must make good all damage to the Premises, the Building or the Estate caused when complying with Clause 4.14.1 and restore them to the same configuration, state and condition as they were in before the items removed were originally installed.

4.14.3 If, no more than [nine] months and no less than [two] months before the End Date, the Tenant serves on the Landlord a request in the form set out in Part 7 of the Schedule the only Permitted Works that the Tenant must remove under Clause 4.14.1(c) will be:

- (a) those carried out before the date of the Tenant's request that the Landlord requires to be removed by Notice to the Tenant within [six] weeks of the Landlord receiving the Tenant's request; and
- (b) those carried out after service of the Tenant's request;

and any other Permitted Works need not be removed.⁴⁵

4.14.4 At the End Date the Tenant must:

- (a) give back the Premises (and the fixtures, plant and equipment in them) in good decorative order and in a state, condition and working order consistent with the Tenant's obligations in this Lease;⁴⁶
- (b) give back the Premises with vacant possession; and
- (c) hand to the Landlord any registers or records maintained by the Tenant pursuant to any statutory duty that relate to the Premises including any health and safety file, EPC and asbestos survey.

4.14.5 If the Tenant has not removed all of its property from the Premises by the End Date and the Landlord gives the Tenant not less than five Business Days' notice of its intention to do so:

- (a) the Landlord may sell that property as the agent of the Tenant;
- (b) the Tenant must indemnify the Landlord against any liability of the Landlord to any third party whose property has been sold in the genuine but mistaken belief that it belonged to the Tenant; and
- (c) the Landlord must pay to the Tenant the sale proceeds after deducting the costs of transportation, storage and sale incurred by the Landlord.

4.15 User⁴⁷

4.15.1 The Tenant must not use the Premises other than for the Permitted Use.⁴⁸

4.15.2 The Tenant must not use the Premises as a betting office, an amusement arcade or in connection with gaming, for any political or campaigning purposes or for any sale by auction.⁴⁹

4.15.3 The Tenant must not use the Premises for the sale of alcohol for consumption on or off the Premises or for the preparation or cooking of food other than, in either case, in connection with staff[and customer] catering facilities ancillary to the Permitted Use.

⁴⁵ The Code for Leasing Business Premises (2007) says that a landlord must act reasonably in requiring the removal of authorised works. The Tenant gains certainty by asking the Landlord exactly what must be removed. The request makes it clear that, if the Landlord fails to respond, the Tenant is not obliged to remove any authorised works. Landlords will need to adopt management systems that ensure that they respond appropriately to all relevant Tenant requests. This mechanism upholds the principles of the Code for Leasing Business Premises (2007) and gives the Tenant more certainty about those alterations and additions to the Premises that must be removed before the end of the Term.

⁴⁶ If the Landlord will want the Tenant to hand back the Premises in a condition that is different to how the Tenant received them, you will need to attach a "reinstatement schedule" setting out the state of repair and condition in which the Premises should be returned at the end of the Term. This may be required, for example, where the Tenant received the Premises in a shell and core condition, but the Landlord will not want the Premises stripped out back to shell and core at the end of the Term.

⁴⁷ There is no obligation on the Landlord to grant the Tenant exclusive use rights.

⁴⁸ Note there is no keep open clause.

⁴⁹ Consider whether any additional restrictions on use should be included in this Lease.

4.15.4 The Tenant must not:

- (a) keep in the Premises any plant, machinery or equipment (except that properly required for the Permitted Use) or any petrol or other explosive or specially flammable substance[(other than petrol in the tanks of vehicles parked in any parking spaces within the Premises)];
- (b) cause any nuisance or damage to the Landlord or the other tenants or occupiers of the Building or the Estate or to the owners, tenants or occupiers of any adjoining premises;
- (c) overload any part of the Premises or the Building or any plant, machinery, equipment or Conducting Media;
- (d) do anything that blocks the Conducting Media or makes them function less efficiently including any blockage to or corrosion of any drains, pipes or sewers by virtue of any waste, grease or refuse deposited by the Tenant or any cleaning of them carried out by the Tenant; or
- (e) operate any apparatus so as to interfere with the lawful use of Electronic Communications Apparatus or the provision of Wireless Data Services elsewhere in the Building or the Estate or on any adjoining premises.

4.15.5 The Landlord does not warrant that the Permitted Use is, will be, or will remain lawfully permitted under the Planning Acts or the title deeds. The Tenant remains bound by the Tenant's obligations under this Lease even if the use is not lawfully permitted under the Planning Acts.

4.15.6 [The Tenant must comply with any Wireless Policy.]⁵⁰

4.15.7 When exercising any right granted to it for entry to any other part of the Building or the Estate the Tenant must:

- (a) cause as little damage and interference as is reasonably practicable to the remainder of the Building or the Estate and the business of its tenants and occupiers and make good any physical damage caused; and
- (b) comply with the Landlord's requirements and those of any other tenants and occupiers of the Building or the Estate who are affected.

4.15.8 On each day that the Premises are open for trade, the Tenant must arrange collection of any of the Tenant's customer trolleys that have been left on other parts of the Estate.⁵¹

4.15.9 The Tenant must provide the Landlord with the names, addresses and telephone numbers of not fewer than two people who from time to time hold keys and any security access codes to the Premises and who may be contacted in an emergency if the Landlord needs access to the Premises outside the Tenant's normal business hours.

4.15.10 [The Tenant must not use any parking spaces in respect of which the Tenant is granted rights under paragraph 8 of Part 1 of the Schedule:

- (a) except for the parking of vehicles belonging to persons working at the Premises or any authorised visitors to the Premises; or
- (b) for the repair, refuelling or maintenance of any vehicles.]

⁵⁰ Consider whether the Tenant should comply with any Wireless Policy and whether you need to include more specific controls on the siting of wireless access points and the wireless channels that each tenant can use.

⁵¹ Landlord's requirements in relation to trolley collection will vary from estate to estate.

4.16 Dealings with the Premises⁵²

- 4.16.1 The Tenant must not assign, sub-let, charge, hold on trust, part with or share possession or occupation of the Premises in whole or in part, except as authorised under this Clause 4.16 [or Part 9 of the Schedule.]
- 4.16.2 [The Tenant must not assign the Tenant's right to the whole of the Premises [or sub-let the Tenant's right to the Premises in whole or in part] during the first three years of the Term.]
- 4.16.3 The Tenant must not assign the Tenant's right to the whole [or sub-let the Tenant's right to the whole [or a Permitted Part]]⁵³ of the Premises unless it has complied its obligations in Part 11 of the Schedule and the Landlord has decided (or it is treated that the Landlord has decided) not to accept an offer to renounce the Premises to the Landlord.
- 4.16.4 The Tenant may, with the Landlord's consent, assign the Tenant's right to the whole of the Premises to a prospective tenant which is of sound financial standing and demonstrably capable of fulfilling the Tenant's obligations under this Lease⁵⁴, except that:
- (a) the Landlord may refuse consent to assign if the Tenant has not paid in full the Rent and all other sums due to the Landlord under this Lease that are not the subject of a legitimate dispute about their payment;
 - (b) the Landlord may refuse consent to assign in any other circumstances where it is reasonable to do so; and
 - (c) the Landlord may require any other condition to the Landlord's consent if it is reasonable to do so.
- 4.16.5 [The provisions of Part 9 of the Schedule apply to sub-lettings of the Premises and the Tenant must comply with its obligations in that Part of the Schedule.]
- 4.16.6 The Tenant may charge the Tenant's right to the whole of the Premises to a genuine lending institution without the Landlord's consent but the Tenant must notify the Landlord under Clause 4.17 of any charge created.
- 4.16.7 In addition to the provisions of this Clause 4.16, the Tenant may share occupation of the Premises with a Group Company of the Tenant[, a Service Provider] or concessionaire on condition that:
- (a) the Tenant notifies the Landlord of the identity of the occupier and the part of the Premises to be occupied;
 - (b) no relationship of landlord and tenant is created or is allowed to arise [and the Premises retain the appearance of a retail unit in single occupation];
 - (c) the sharing of occupation ends if the occupier is no longer a Group Company of the Tenant[, or a Service Provider] or a concessionaire; [and]
 - (d) the Tenant notifies the Landlord promptly when the occupation ends[;and]

⁵² There is no offer back provision in this Lease.

⁵³ Consider whether the offer back provisions will be triggered by sub-lettings of whole or, where sub-lettings of part are permitted under this Lease, on sub-lettings of part. Requiring the Tenant to offer back the Premises on a sub-letting of a permitted part is less common and would not usually be included unless required by the heads of terms agreed between the Landlord and Tenant.

⁵⁴ If such criteria are not satisfied the Landlord may seek a suitable guarantee of the Tenant's lease obligations and/or a rent deposit – in which context please refer to the latest applicable form published by the PSG.

- (e) at any time concessionaires occupy no more than *[Insert percentage]*% of the sales area of the Premises in aggregate⁵⁵.

4.17 Registration of dealings

The Tenant must provide the Landlord with an extract or certified copy (as appropriate) of every document transferring or granting any right to the Premises within two weeks after the transfer or grant of that right.⁵⁶

4.18 Marketing

4.18.1 The Tenant must, during the six months before the End Date, allow the Landlord to:

- (a) place on the Premises (but not obstructing the Tenant's shop window display) a notice for their disposal; and
- (b) show the Premises at reasonable times in the day to potential tenants (who must be accompanied by the Landlord or its agents).

4.18.2 The Tenant must allow the Landlord at reasonable times in the day to show the Premises to potential purchasers of the Building or the Estate (who must be accompanied by the Landlord or its agents).

4.19 Notifying the Landlord of notices or claims

The Tenant must notify the Landlord as soon as reasonably practicable after the Tenant receives or becomes aware of any notice or claim affecting the Premises.⁵⁷

4.20 Comply with Acts

4.20.1 The Tenant must do everything required under any Act in respect of the Premises and their use and occupation and the exercise of the rights granted to the Tenant under this Lease.

4.20.2 The Tenant must not do or fail to do anything in respect of the Premises, the Building or the Estate the effect of which could make the Landlord liable to pay any penalty, damages, compensation, costs or charges under any Act.

4.20.3 The Tenant must promptly notify the Landlord of any defect or disrepair in the Premises that may make the Landlord liable under any Act or under this Lease.

4.21 Planning Acts

4.21.1 The Tenant must comply with the requirements of the Planning Acts and with all Planning Permissions relating to or affecting the Premises or anything done or to be done on them.

4.21.2 The Tenant must not apply for any Planning Permission except where any approval or consent required under any other provisions in this Lease for development or change of use has already been given and the Landlord has approved the terms of the application for Planning Permission.

4.21.3 The Tenant may only implement a Planning Permission that the Landlord has approved.

4.22 Encroachments and Servitudes

⁵⁵ Consider whether any other restrictions on the number of concessionaires or the areas that they can occupy are required.

⁵⁶ The lack of a registration fee is deliberate.

⁵⁷ The lack of an obligation on the Tenant to act on the Landlord's requirements following the service of a Notice is deliberate.

The Tenant must not allow any rights or servitudes to be acquired over the Premises. If an encroachment may result in the acquisition of a right or servitude:

- 4.22.1 the Tenant must notify the Landlord; and
- 4.22.2 the Tenant must help the Landlord in any way that the Landlord requests to prevent that acquisition so long as the Landlord meets the Tenant's costs and it is not adverse to the Tenant's business interests to do so.

4.23 Management of the Building and the Estate

- 4.23.1 The Tenant must not load or unload vehicles except on the parts of the [Building] [Estate] that it is permitted to use for that purpose by paragraph 2 of Part 1 of the Schedule.
- 4.23.2 The Tenant must not park vehicles in the Estate Common Parts [or the Building Common Parts] [except in any areas that it is permitted to use for that purpose by paragraph 8 of Part 1 of the Schedule].
- 4.23.3 The Tenant must not obstruct the Estate Common Parts or the Building Common Parts in any way or leave any goods on them.
- 4.23.4 The Tenant must not deposit rubbish anywhere on the Estate or the Building except in skips or bins provided for that purpose.
- 4.23.5 The Tenant must not use the Estate Common Parts or the Building Common Parts other than for the purposes designated under Clause 5.9.
- 4.23.6 [The Tenant must not use the Estate Common Parts used for servicing the Premises outside the Servicing Hours.]
- 4.23.7 The Tenant must comply with all regulations notified to it or contained within any relevant tenant guide or handbook for the Building or the Estate published by the Landlord from time to time. No regulations may impose obligations on the Tenant that are inconsistent with the Tenant's rights and obligations under this Lease.

4.24 Title Conditions

The Tenant must:

- 4.24.1 comply with any title conditions (which includes servitudes) relating to the Estate [or any larger development of which the Estate forms part];
- 4.24.2 do nothing which would cause the Landlord to be in breach of such title conditions; and
- 4.24.3 not exercise any right which the Tenant may have to enforce any title condition relating to the Premises against a third party without the Landlord's consent.

4.25 [Turnover information]

5.9.2 If the Landlord does not designate specific Building Common Parts and Estate Common Parts for the Tenant's use, the Tenant will be entitled to use all Building Common Parts and Estate Common Parts required for the reasonable and proper enjoyment of the Premises for their intended use but the Tenant will not have the right to use any Building Common Parts or Estate Common Parts used solely by the Landlord for the provision of the Services.

5.9.3 [Any service risers allocated by the Landlord for the Tenant's use under paragraph 1.2 of Part 1 of the Schedule must take into account the location of the Premises and the requirements of the Tenant but, when allocating service risers, the Landlord will be entitled to take into account its own requirements and the requirements of other tenants and occupiers of the Building for the use of the service risers.]⁶¹

5.9.4 [The Landlord may manage the allocation of the roof space over which the Tenant is granted rights under paragraph 5 of Part 1 of the Schedule taking into account its own requirements and the requirements of other tenants and occupiers of the Building. - (i) the date of the permitted disposal of the Tenant's interest under this Lease;

- (c) If the Insolvency Practitioner or Creditor delivers to the Landlord a validly executed personal undertaking as specified in Clause 6.1.3(b), the Landlord will deal with any request for consent to assign this Lease made by the Insolvency Practitioner or Creditor in the same manner mutatis mutandis as if the request had been made by the Tenant.

6.1.4 Preservation of Other Claims and Remedies

- (a) The Landlord's rights under this Clause 6.1 are in addition, and without prejudice, to any other claims and remedies available to the Landlord.
- (b) The termination of this Lease under the terms of Clauses 6.1.1, 6.1.2 or 6.1.3 will not prejudice any claim or remedy of the Landlord in respect of any previous breach of the Tenant's obligations under this Lease.

6.2 Rei Interitus

Except to the extent expressly provided in this Lease, and notwithstanding any rule of law to the contrary, this Lease will not end by reason of any damage to or destruction of the Premises or the Building but will remain in full force and effect.

⁶⁵ The Assessment of Energy Performance of Non-Domestic Buildings (Scotland) Regulations 2016 apply to buildings or building units over 1000m² which do not meet 2002 or later building standards. Ultimate responsibility for compliance with the regulations rests with the building owner, although carrying out the measures or improvement works identified in an

- 6.6.1 The Tenant must not obtain or commission an EPC in respect of the Premises unless required to do so by the EPB Regulations. If the Tenant is required to obtain an EPC, the Tenant must (at the Landlord's option) obtain an EPC from an assessor approved by the Landlord or pay the Landlord's costs of obtaining an EPC for the Premises.
- 6.6.2 The Tenant must not obtain or commission an Action Plan in respect of the Premises.
- 6.6.3 The Tenant must cooperate with the Landlord, so far as is necessary, to allow the Landlord to obtain any EPC or Action Plan for the Premises, the Building or the Estate and;
 - (a) provide the Landlord (at the Landlord's cost) with copies of any plans or other information held by the Tenant that would assist in obtaining that EPC or Action Plan; and

- 6.6.4 The Tenant must give the Landlord written details on request of the unique reference number of any EPC the Tenant obtains or commissions in respect of the Premises.

6.7 [Sustainability]

7. [Break Clause]

- 7.1 [The Tenant may terminate this Lease on [any] [the] Break Date by giving the Landlord not less than *[Insert length]* months' notice [specifying the Break Date]⁶⁷ following which the Term will end on that Break Date⁶⁸ if:⁶⁹
 - 7.1.1 on the Break Date the Rent due up to and including that Break Date has been paid in full; [and]
 - 7.1.2 on the Break Date the whole of the Premises are given back to the Landlord[free of the Tenant's occupation and the occupation of any other lawful occupier and without any continuing sub-leases]⁶⁹; and
 - 7.1.3 the Tenant has, on or before the Break Date, paid to the Landlord an amount equal to *[Insert figure/proportion of the Rent]* (plus any VAT payable on that amount)].]

action plan can be delegated to a third party e.g. a tenant. The drafting throughout this Lease envisages the Landlord carrying out any necessary works but recovering associated costs via the service charge from the Tenant.

⁶⁶ See FN65 above. As a consequence of the Assessment of Energy Performance of Non-Domestic Buildings (Scotland) Regulations 2016, the importance and necessity to include Part 8 of the Schedule ("Sustainability") has increased.

⁶⁷ This wording is not required if the Tenant can end this Lease only on a single specified date.

⁶⁸ The conditions in this break clause are consistent with the Code for Leasing Business Premises (2007).

⁶⁹ This wording is intended to ensure that the Tenant has given physical possession (ie removed itself and all of its fittings, furniture and equipment from the Premises) and that there are no subsisting occupation rights. However, the wording, in Scotland, may also be considered to include legal (vacant) possession where if the Tenant has not completely removed everything from the Premises by the Break Date (eg left behind some internal partitioning or furniture), it may lose its right to terminate the lease on the Break Date (*Riverside Park Ltd v NHS Property Services Limited* [2016] EWHC 1313 (Ch)). The Code for Leasing Business Premises in England & Wales published in March 2007 recommends that: "The only pre-conditions to tenants exercising any break clauses should be that they are up to date with the main rent, give up occupation and leave behind no continuing subleases. Disputes about the state of the premises, or what has been left behind or removed, should be settled later (like with normal lease expiry)." The Tenant may, therefore, want to consider deleting this wording so that there can be no doubt that the right to break is preserved, leaving the Landlord with the usual remedies against the Tenant in the event that the Tenant has not given full legal and physical possession to the Landlord on the Break Date.

- 7.2 The Landlord may waive any of the pre-conditions in [Clauses 7.1.1 to 7.1.3] at any time before the [relevant] Break Date by notifying the Tenant.
- 7.3 [If the Tenant gives Notice to the Landlord under Clause 7.1, the Tenant must on or before the Break Date make the payment to the Landlord as detailed in Clause 7.1.3.]
- 7.4 [The break right in this Clause 7 is personal to the Tenant (here meaning [] Limited) and will end on the effective date of any permitted assignment of this Lease or on the date when [] Limited ceases to exist.]
- 7.5 If this Lease ends under this Clause 7, this will not affect the rights of any party for any prior breach of an obligation in this Lease.⁷⁰
- 7.6 Time is of the essence for the purposes of this Clause 7.]

8. **Jurisdiction**

- 8.1 This Lease and any non-contractual obligations arising out of or in connection with it will be governed by the law of Scotland.
- 8.2 Subject to Clause 8.3 and any provisions in this Lease requiring a dispute to be settled by an expert or by arbitration, the courts of Scotland have exclusive jurisdiction to decide any dispute arising out of or in connection with this Lease, including in relation to any non-contractual obligations.
- 8.3 Any party may seek to enforce an order of the courts of Scotland arising out of or in connection with this Lease, including in relation to any non-contractual obligations, in any court of competent jurisdiction.

9. **Consent to Registration**

The Landlord and the Tenant consent to registration of this Lease for preservation and execution: IN WITNESS WHEREOF this Lease consisting of this and the preceding [] pages together with the Schedule of [12] Parts and the Plans annexed and subscribed as relative to this Lease are subscribed as follows:

⁷⁰ The obligation to repay any rent relating to the period after the Break Date is in Clause 5.4.

⁷³ Where the Tenant occupies a ground floor retail unit in a Building, consider the extent to which the Tenant requires the right to use Building Common Parts within the Building.

⁷⁴ Consider the Landlord's policy on staff parking within the Estate.

OR

Option 2: Designated spaces for parking subject to a right to move those spaces

- 4.5 allow trade barrows, stands, festive activities, promotional activities and other commercial activities to take place on or to operate from the Common Parts, so long as there is no material obstruction to the use of those Common Parts by those having rights over them.

5. Adjoining premises

Subject to Clause 6.4, to carry out works of construction, demolition, alteration or redevelopment on the Building, the Estate and any adjoining premises (and to permit others to do so) as the Landlord in its absolute discretion considers fit (whether or not these works interfere with the flow of light and air to the Premises) and the right in connection with those works to underpin and shore up the Premises.

6. Plant, equipment and scaffolding

The right, where necessary, to bring plant and equipment onto the Premises and to place scaffolding and ladders on the exterior of or outside the Premises in exercising the Landlord's rights under this Lease.

Part 3
Rent Review⁷⁷

1. Defined terms

This Part of the Schedule uses the following definitions:

"Assumptions" means that:

- (a) if the Building, the Estate or any part of them have been damaged or destroyed, they have been reinstated before the Rent Review Date;
- (b) the Premises are fit for immediate occupation and use by the willing tenant;⁷⁸
- (c) the Premises may lawfully be let to and used for the Permitted Use by any person throughout the term of the Hypothetical Lease;
- (d) the Tenant has complied with the Tenant's obligations in this Lease and (except to the extent that there has been a material or persistent breach by the Landlord) the Landlord has complied with the Landlord's obligations in this Lease; and
- (e) on the grant of the Hypothetical Lease the willing tenant will receive the benefit of a rent free period, rent concession or any other inducement of a length or amount that might be negotiated in the open market for fitting-out purposes and that the Market Rent is the rent that would become payable after the end of that period or concession or payment of that inducement.⁷⁹

"Disregards" means any or all of the following:

- (a) any effect on rent of the Tenant (and the Tenant's predecessors in title and lawful occupiers) having been in occupation of the Premises;
- (b) any goodwill accruing to the Premises because of the Tenant's business (and that of the Tenant's predecessors in title and lawful occupiers);
- (c) any special bid that the Tenant or any other party with a special interest in the Premises might make by reason of its occupation of any other part of the Building, the Estate or any adjoining premises;
- (d) any increase in rent attributable to any improvement, including any tenant's initial fitting-out works [and any Prior Lease Alterations]⁸⁰, whether or not within the Premises:
 - (i) carried out by and at the cost of the Tenant or the Tenant's predecessors in title or lawful occupiers before or during the Term;
 - (ii) carried out with the written consent, where required, of the Landlord or the Landlord's predecessors in title; and
 - (iii) not carried out pursuant to an obligation to the Landlord or the Landlord's predecessors in title (but any obligations relating to the method or timing of works in any document giving consent will not be treated as an obligation for these purposes);

⁷⁷ This Part of the Schedule contains an open market review. There is no attempt to review to a headline rent.

⁷⁸ There is deliberately no assumption that the Premises are fitted-out. If the Premises are to be valued on the assumption that they are handed over to the Tenant in a specific state (such as shell and core with capped services) then a rent review specification will be needed and an additional assumption added that the Premises are handed over to the willing tenant in the state set out in the specification.

⁷⁹ This assumption is considered to be neutral. There is no attempt to review to a headline rent.

⁸⁰ If this Lease follows on from a pre existing lease with the Tenant or on a lease re-gearing consider carefully the extent of the Premises to be taken into account on a rent review under this Lease and whether works carried out under the Prior Lease should be taken into account or disregarded for the purposes of rent review.

- (e) any reduction in rent attributable to works that have been carried out by the Tenant (or the Tenant's predecessors in title or lawful occupiers); [and]
- (f) any reduction in rent attributable to any temporary works, operations or other activities on any adjoining premises[; and
- (g) any effect on rent of the floor area of any mezzanine floor installed within the Premises by the Tenant (or the Tenant's predecessors in title or lawful occupiers) but not the fact that a mezzanine floor can lawfully be installed within the Premises without the need for any further planning or other consents]⁸¹.

"Hypothetical Lease" means a lease:

- (a) of the whole of the Premises;
- (b) on the same terms as this Lease (including this Part of the Schedule) except for:
 - (i) the amount of Rent payable immediately before the Rent Review Date;
 - (ii) any rent free period, rent concession or any other inducement received by the Tenant in relation to the grant of this Lease;
 - (iii) any break clause in this Lease[;⁸²
 - (iv) [*Insert any other specific exclusions*]]; [and]
 - (v) the definitions of "Base Rent" and "Turnover Rent", the reference to those terms in Clause 4.1, the entirety of Clause 3.7 and Part 10 of the Schedule and the words "Except when Clause 3.7 applies" in Clause 3.2 and the entirety of paragraph 5 of Part 5 of the Schedule[; and
 - (vi) the entirety of Clause 4.16.3 and Part 11 of the Schedule];
- (c) by a willing landlord to a willing tenant;
- (d) with vacant possession;
- (e) without any premium payable by or (subject to paragraph (e) of the definition of "Assumptions") to the willing tenant;
- (f) for a term of [*Insert length*] years starting on the Rent Review Date; [and]
- (g) with rent review dates every [*five*] years[; and
- (h) with a right for the tenant to bring the Hypothetical Lease to an end on [or at any time after] the [*Insert number*] anniversary of the date on which the term starts]⁸³.

⁸¹ In any case where the Tenant may be able to install a mezzanine floor (or if one is already present) you should include this sub-paragraph (g).

⁸² All break clauses in this Lease are ignored. Any corresponding break clauses in the Hypothetical Lease should be included in sub-paragraph (h). Where there is a rent free period or concessionary rent that follows the non-exercise of the break clause, consider including a specific exclusion of this.

⁸³ Consider the treatment of break clauses in the Hypothetical Lease.

"Market Rent" means the yearly rent at which the Premises might reasonably be expected to be let on the open market on the Rent Review Date, on the terms of the Hypothetical Lease and applying the Assumptions and the Disregards.⁸⁴

2. Rent review

2.1 On the Rent Review Date the Rent is to be reviewed to the higher of;

2.1.1 the Rent payable immediately before the Rent Review Date; and

2.1.2 the Market Rent.

2.2 The reviewed Rent will be payable from and including the Rent Review Date.

3. Resolution of disputes

3.1 The Market Rent at the Rent Review Date may be agreed between the Landlord and the Tenant. If they have not done so (whether or not they have tried) by [the date three months before] the Rent Review Date, either the Landlord or the Tenant can require the Market Rent to be decided by an independent [expert] [arbitrator].⁸⁵ If the Landlord and the Tenant do not agree on who should decide the Market Rent, the [expert] [arbitrator] will be appointed by the chair (or other senior office holder) for the time being of the Royal Institution of Chartered Surveyors in Scotland (as constituted, re-constituted, formed or re-formed from time to time) on the application of either the Landlord or the Tenant. [The seat of the arbitration will be Scotland and the reference to the arbitration will take effect subject to and in accordance with the Arbitration (Scotland) Act 2010.]⁸⁶

[The [expert] [arbitrator] will:

3.1.1 invite the Landlord and the Tenant to submit to him a proposal for the Market Rent with any relevant supporting documentation;

3.1.2 give the Landlord and the Tenant an opportunity to make counter submissions;

3.1.3 give written reasons for his decisions, which will be binding on the parties; and

3.1.4 be paid by the Landlord and the Tenant in the shares and in the manner that he decides (or failing a decision, in equal shares).]

3.2 The [expert] [arbitrator] must be an independent chartered surveyor of not less than 10 years' standing who is experienced in the rental valuation of property similar to the Premises and who knows the local market for such premises.

3.3 If the [expert] [arbitrator] dies, becomes unwilling or incapable of acting or it becomes apparent for any other reason that he will be unable to decide the Market Rent within a reasonable time, he may be replaced by a new [expert] [arbitrator] who must be appointed on the terms set out in this paragraph 3.

3.4 Responsibility for the costs of referring a dispute to an [expert] [arbitrator], including costs connected with the appointment of the [expert] [arbitrator] but not the legal and other professional costs of any party in relation to a dispute, will be decided by the [expert] [arbitrator] and failing a decision, they will be shared equally between the parties.

4. Consequences of delay in agreeing the revised rent

If, by the Rent Review Date, the reviewed Rent has not been ascertained, then:

⁸⁴ Current market practice is generally not to use the expression "best rent".

⁸⁵ Consider which option the client prefers for resolving rent review disputes.

⁸⁶ Consider whether the parties wish any of the non-mandatory Scottish Arbitration Rules to be disapplied at this stage.

- 4.1 the Rent payable under this Lease immediately before the Rent Review Date will continue to be payable until the reviewed Rent has been ascertained;
- 4.2 following the ascertainment of the reviewed Rent, the Landlord will demand the difference (if any) between the amount the Tenant has actually paid and the amount that would have been payable had the reviewed Rent been ascertained before the Rent Review Date; and
- 4.3 the Tenant must pay that difference to the Landlord within 10 Business Days after that demand and interest at [three]⁸⁷ per cent below the Interest Rate calculated on a daily basis on each instalment of that difference from the date on which each instalment would have become payable to the date of payment. If not paid those sums will be treated as rent in arrear.

5. **Rent review memorandum⁸⁸**

When the Market Rent has been ascertained, a memorandum recording the Rent payable on review must be entered into. The Landlord and the Tenant will each bear their own costs in relation to that memorandum, except that the Tenant must pay to the Landlord the dues of registering that memorandum in the Books of Council and Session and of obtaining two extracts (one being provided for the Landlord and one for the Tenant).

6. **Time not of the essence**

For the purpose of this Part of the Schedule time is not of the essence.⁸⁹

⁸⁷ Possible need to calibrate with the corresponding chosen Interest Rate to achieve a base rate "outcome".

⁸⁸ Please refer to the PSG Rent Review Memorandum in this context.

⁸⁹ A decision has been taken not to include provisions to circumvent any statutory restrictions on implementing rent reviews or to nominate an extra rent review date when any restrictions cease to have effect.

Part 4
Services and Service Charge⁹⁰

1. Administrative provisions

1.1 Accounting period

The accounting period will be the period ending on *[Insert date]*⁹¹ in each year or otherwise as the Landlord may decide and notify to the Tenant. For any accounting period that does not fall wholly within the Term, the Service Charge will be a due proportion calculated on the assumption that the service charge expenditure accrues equally on a day to day basis throughout the period.

1.2 Service Charge Statements

1.2.1 After the end of each accounting period, the Landlord will supply the Tenant with a statement (the "**Service Charge Statement**") for that accounting period of the:

- (a) Service Costs; [and]
- (b) [Estate Contribution; and]
- (c) Service Charge payable.⁹²

1.2.2 The Landlord must take reasonable steps to supply the Service Charge Statement within four months after the end of each accounting period.

1.2.3 Service Costs incurred in one accounting period, if not included in the Service Charge Statement for that accounting period for any reason, may be included in the Service Charge Statement for a subsequent accounting period.

1.2.4 The Tenant will be entitled on prior appointment to inspect evidence of the Service Costs[and the Estate Contribution] at the Landlord's head office or any other location the Landlord specifies. The Tenant must ask to inspect the evidence not later than four months after receipt of the Service Charge Statement.

1.3 On-account payments of Service Charge

1.3.1 Until the Service Charge for each accounting period has been calculated, the Tenant must pay, by equal [monthly] [quarterly] payments on the Rent Days, a provisional sum by way of Service Charge at the level that the Landlord requires.

1.3.2 The Tenant must also pay on demand any sum or sums that the Landlord requires where the Landlord will be obliged to incur any Service Costs and the sums held on account by the Landlord are insufficient to meet those costs.

1.4 Balancing payments of Service Charge

1.4.1 When the Service Charge for each accounting period has been calculated:

- (a) the Tenant must pay any amount due from it on demand; and⁹³

⁹⁰ The administrative provisions have deliberately been kept brief because much is covered by the Landlord's obligations in paragraph 2 of Part 4 of the Schedule to have regard to the Service Charge Code. There is deliberately no provision for a reserve or sinking fund.

⁹¹ This Lease assumes that the accounting period for the Estate Services will be the same as for the Building Services. Amendments will be required to this Part of the Schedule if this is not the case.

⁹² The Landlord may have agreed to cap the amount of service charge payable by the Tenant.

⁹³ Any sums payable on demand only begin to bear interest for late payment if not paid within 10 Business Days of the date of demand – see Clause 4.5.

- (b) the Landlord must credit any amount due to the Tenant against the next payment or payments to be made by the Tenant under paragraph 1.3. Any amount owing at the End Date must be repaid to the Tenant within one month of its calculation.

1.4.2 The End Date will not affect the Tenant's obligation to pay or the Landlord's right to recover Service Charge after the End Date where this has not been calculated and demanded before the End Date.

1.5 **Service Charge disputes**

If any dispute arises in connection with the Service Charge, the Landlord and the Tenant must attempt to resolve it by appropriate alternative means before resorting to court proceedings. The Service Charge Statement will (except for obvious error) become binding on the parties four months after it is delivered to the Tenant or (if later) once any dispute relating to it and arising during that period has been settled or decided.⁹⁴

1.6 **Variation in the proportion of the Service Charge payable⁹⁵**

1.6.1 In calculating the [Tenant's Proportion] [Service Charge] for any of the Services, the Landlord's surveyor may make any adjustment that is fair and reasonable in all the circumstances, having regard to the relative degree of benefit obtained by the Tenant and other tenants at the Building or the Estate from those Services, including by dividing the services and charges set out in paragraph 3 and paragraph 5 of this Part of the Schedule into separate categories and applying weighting to those categories to take into account differing uses or operating hours.

1.6.2 If there is any change in the extent of the Building or the Estate, the Landlord must, where it is appropriate to do so, vary the [Tenant's Proportion] [Service Charge] as is reasonable to take account of that change but the [Tenant's Proportion] [Service Charge] will not materially increase solely as a result of any change in the extent of the Building or the Estate.

1.6.3 The [Tenant's Proportion] [Service Charge] must not be increased by reason only that any Lettable Units:

- (a) remain unlet;
- (b) are let on terms that do not require the tenant or other occupier to pay a service charge; or
- (c) are let on terms that cap the liability of any tenant or other occupier for service charge.

2. **Landlord's obligations**

2.1 **Provision of Services**

The Landlord, acting reasonably and in the interests of good estate management:⁹⁶

2.1.1 [must supply the Services in an efficient manner at all appropriate times; and

2.1.2 may vary, reduce or extend those Services.]

⁹⁴ The Tenant has four months to challenge a service charge statement before it becomes binding. Traditionally there has been no right of challenge, unless there was a clear error, but that is considered unjust. A reference to alternative dispute resolution is consistent with the Service Charge Code.

⁹⁵ Refer to "Tenant's Proportion" only where floor weighting applies to the service charge calculations. See also the definitions of "Gross Internal Area", "Service Charge", "Tenant's Proportion" and "Weighted Area" and paragraph 7 of Part 4 of the Schedule.

⁹⁶ Consider whether there should be core services that the Landlord should be under an obligation to provide and non-core services that the Landlord may provide. If the Landlord is under an obligation to provide only core services, consider which services should be core services and which services should be discretionary.

OR

- 1.1.1 [must supply the Services listed in paragraphs 3.1 to 3.[*Insert number*] of this Part of the Schedule and in paragraphs 5.1 to 5.[*Insert number*] of this Part of the Schedule in an efficient manner at all appropriate times;
- 1.1.2 may supply all or any of the remaining Services listed in paragraph 3 and paragraph 5 of this Part of the Schedule; and
- 1.1.3 may vary, reduce or extend those Services.]

1.2 Landlord's rights and responsibilities

- 1.2.1 The Landlord:
 - (a) may from time to time employ such agents, contractors or others as the Landlord decides;
 - (b) must not include expenditure in the Building Service Costs to the extent that it has already been included in the Estate Service Costs or vice versa;
 - (c) will not be responsible for any interruption in the supply of the Services due to any circumstances outside the Landlord's control or due to any necessary maintenance, repair, replacement, renewal, servicing, inspection or testing, but must take reasonable steps to restore the supply as soon as reasonably practicable;
 - (d) must take into consideration the administrative, accounting, procurement, management and operational provisions of the Service Charge Code for so long as it is in effect insofar as it is:⁹⁷
 - (i) reasonably practicable to do so;
 - (ii) consistent with the Landlord's obligations under this Lease; and
 - (iii) consistent with the economic and efficient management of the Building and the Estate (taking into consideration all the circumstances including the terms of the leases of other Lettable Units); and
 - (e) must take into consideration current practice in estate management if the Service Charge Code is no longer published[]; and
 - (f) must net off the Estate Contribution for any accounting period against the Estate Service Costs for the same accounting period].
- 1.2.2 [The Landlord will take reasonable steps to notify the Tenant in advance of the service charge budget for each accounting period and of any material changes in the service charge budget that subsequently arise.]

2. Building Services and charges

- 2.1 Repairing (and as necessary renewing, rebuilding and replacing), decorating, maintaining and cleaning the foundations, roof, structure and exterior of the Building and all Building Common Parts and Conducting Media, including both ordinary and extraordinary repairs and regardless of (1) the age or state of dilapidation of the Building, the Building Common Parts and Conducting Media and (2) the cause of damage, deterioration or destruction even if the cause is a latent or inherent defect.

⁹⁷ There is deliberately no absolute obligation to comply with the Code. Consider the extent to which the Landlord is happy to comply with the obligations in this paragraph and in paragraph 2.2.1(d) .

- 2.2 Repairing (and as necessary renewing, rebuilding and replacing), decorating, maintaining and cleaning any facilities (including means of access, Conducting Media, party walls and other boundary structures) used in common between the Building and any adjoining premises, including both ordinary and extraordinary repairs and regardless of (1) the age or state of dilapidation of the facilities used in common and (2) the cause of damage, deterioration or destruction even if the cause is a latent or inherent defect.
- 2.3 The costs of cleaning [the surfaces of any atrium facing onto the Building Common Parts and] the external surfaces of the window and window frames in the Building (but not the shopfront of the Premises) and providing and maintaining plant, facilities and equipment for these purposes.
- 2.4 Lighting, heating, [providing air-conditioning to] and ventilating the Building Common Parts.
- 2.5 Lighting the exterior of the Building and any facilities used in common between the Building and any adjoining premises.
- 2.6 Providing hot and cold water to, and maintaining operational supplies in, the toilets in the Building Common Parts.
- 2.7 Supply Costs incurred in providing the Building Services.
- 2.8 All existing and future rates, taxes, duties, charges and financial impositions charged on the Building Common Parts or the Building as a whole (and a fair proportion of those levied on the Building along with any adjoining premises).
- 2.9 Providing, inspecting, maintaining (including by maintenance contracts and insurance against sudden and unforeseen breakdown), repairing, renewing, replacing, upgrading and operating:
 - 2.9.1 all plant, machinery, apparatus and vehicles used in providing the Building Services and all signage in the Building Common Parts; and
 - 2.9.2 security, fire fighting and fire detection equipment (excluding portable fire extinguishers in the Premises), fire alarm systems, public address systems, telecommunications systems, closed circuit television systems and traffic control and all other Building Management Systems.
- 2.10 Employing or procuring all staff (including remuneration, incidental benefits and all associated costs and overheads) for the management and security of the Building and otherwise in connection with the Building Services.
- 2.11 Providing accommodation for staff, plant, furniture, equipment and vehicles used in providing the Building Services, and all outgoings on them.
- 2.12 Employing or procuring agents, contractors or others as the Landlord decides in connection with the Building Services.
- 2.13 Storing, compacting, recycling and disposing of refuse.
- 2.14 Planting, replanting and maintaining landscape features in the Building Common Parts.
- 2.15 Providing, cleaning and renewing carpeting in the Building Common Parts.
- 2.16 Providing customer service facilities for visitors to the Building.
- 2.17 Pest and infection control.
- 2.18 Gritting, and clearing snow from, the Building Common Parts.
- 2.19 Promoting and advertising the Building and staging activities and exhibitions within the Building.

- 2.20 Providing seasonal decorations within the Building.
 - 2.21 Carrying out any works and providing and maintaining all facilities that are required under any Act or by insurers in relation to the Building.
 - 2.22 Providing any further services for maintaining and securing the amenities of the Building.
 - 2.23 Managing and administering service charge accounts for the Building Services and the Building including, where relevant, certifying, examining or auditing those accounts.
 - 2.24 Auditing health and safety requirements for the Building and, where required by law or reasonable and cost-effective to do so, implementing the recommendations of that audit.
 - 2.25 Auditing disabled access requirements for the Building and, where required by law or reasonable and cost-effective to do so, implementing the recommendations of that audit.
 - 2.26 Auditing the Environmental Performance of the Building and where reasonable and cost-effective to do so, implementing the recommendations of any environmental management plan the Landlord has for the Building from time to time.
 - 2.27 Carrying out or implementing any Recommended Improvement Measures, Operational Rating Measures or any other works or measures to implement any Action Plan relating to all or any part of the Building (or any other similar or replacement obligation) from time to time⁹⁸.
 - 2.28 Interest costs reasonably incurred by the Landlord on borrowing from a UK clearing bank or, if the Landlord uses its own moneys, an amount equal to the interest costs that would have been incurred if the Landlord had borrowed from a UK clearing bank at reasonable commercial rates. Interest costs will be reasonably incurred under this paragraph if:
 - 2.28.1 the Landlord has to meet an immediate liability where the service charge funds held by the Landlord are insufficient for that purpose and the shortfall does not result from any caps on the amount of service charge recoverable, any non-payment of service charges by other tenants or any unlet Lettable Unit in the Building; or
 - 2.28.2 the Landlord decides at its absolute discretion to incur service charge expenditure in one accounting period and recover that expenditure over two or more accounting periods.
- 3. Building Service Charge Exclusions**
- 3.1 Costs arising from any damage or destruction to the Building caused by an Insured Risk or an Uninsured Risk.
 - 3.2 Capital costs of the construction, alteration, redevelopment or extension of the Building.
 - 3.3 Costs of upgrading, innovation or improvement resulting from any repair, maintenance, reinstatement, rebuilding or replacement, but this will not prevent the Landlord including costs within the Building Service Costs which arise:
 - 3.3.1 where an item is to be replaced by way of repair and the replacement is broadly the modern day or up-to-date equivalent of what was there previously;
 - 3.3.2 where the Landlord considers replacement to be more economical than repair (and the Landlord is entitled to take into consideration the medium/long-term benefits of replacement);

⁹⁸ As drafted this enables the Landlord to recover the costs of implementing any recommended improvement measures and/or any costs associated with monitoring energy performance and emissions data as per an applicable Action Plan. It may not always be appropriate or realistic to expect the Tenant to meet such costs and consideration to alternative arrangements should be given e.g. 50/50 split in costs between Landlord and Tenant. See FN65 for background.

- 3.3.3 where an item has to be replaced or installed to comply with any Act or the requirements of the insurers; or
- 3.3.4 where replacement or renewal is reasonable and cost-effective and will reduce operating costs for the benefit of the tenants of the Lettable Units[or improve for the tenants the Environmental Performance of the Building].
- 3.4 Costs of any unlet Lettable Unit.
- 3.5 Rent collection costs.
- 3.6 Costs incurred in dealing with any lettings or rent reviews at the Building.
- 3.7 Unrecovered costs due from another tenant of the Building.
- 3.8 Costs incurred in dealing with the Landlord's interest in the Building, including the costs of advertising and promotional or publicity activities relating to any proposed dealing with the Landlord's interest in the Building.
- 3.9 [Costs incurred in running and maintaining any Car Park at the Building where parking is charged for and the Landlord keeps the charges.]⁹⁹
- 4. Estate Services and charges**
 - 4.1 Repairing (and as necessary renewing, rebuilding and replacing), decorating, maintaining and cleaning the Estate Common Parts and Conducting Media, including both ordinary and extraordinary repairs and regardless of (1) the age or state of dilapidation of the Estate Common Parts and Conducting Media and (2) the cause of damage, deterioration or destruction even if the cause is a latent or inherent defect.
 - 4.2 Repairing (and as necessary renewing, rebuilding, and replacing), decorating, maintaining, and cleaning any facilities (including means of access, Conducting Media, party walls and other boundary structures) used in common between the Estate and any adjoining premises, including both ordinary and extraordinary repairs and regardless of (1) the age or state of dilapidation of the facilities used in common and (2) the cause of damage, deterioration or destruction even if the cause is a latent or inherent defect.
 - 4.3 Lighting the Estate Common Parts and any facilities used in common between the Estate and any adjoining premises.
 - 4.4 Providing hot and cold water to, and maintaining operational supplies in, any toilets in the Estate Common Parts.
 - 4.5 All existing and future rates, taxes, duties, charges and financial impositions charged on the Estate Common Parts or the Estate as a whole (and a fair proportion of those levied on the Estate along with any adjoining premises).
 - 4.6 Supply costs incurred in providing the Estate Services.
 - 4.7 Providing, inspecting, maintaining (including by maintenance contracts and insurance against sudden and unforeseen breakdown), repairing, renewing, replacing, upgrading and operating:
 - 4.7.1 all plant, machinery, apparatus and vehicles used in providing the Estate Services and all signage in the Estate Common Parts; and

⁹⁹ This must be considered carefully on an estate by estate basis. Where costs are to be excluded and the Landlord is to keep the charges the definition of Contribution will need to exclude those charges. If car park charges are to be included in the definition of Contribution, this paragraph 4.9 should be deleted.

- 4.7.2 security, fire fighting and fire detection equipment (excluding portable fire extinguishers in the Premises), fire alarm systems, public address systems, telecommunications systems, closed circuit television systems and traffic control.
- 4.8 Employing or procuring all staff (including remuneration, incidental benefits and all associated costs and overheads) for the management and security of the Estate and otherwise in connection with the Estate Services.
- 4.9 Providing accommodation for staff, plant, furniture, equipment and vehicles used in providing the Estate Services, and all outgoings on them.
- 4.10 Employing or procuring agents, contractors or others as the Landlord decides in connection with the Estate Services.
- 4.11 Storing, compacting, recycling and disposing of refuse.
- 4.12 Planting, replanting and maintaining landscape features in the Estate Common Parts.
- 4.13 Providing customer service facilities for visitors to the Estate.
- 4.14 Pest and infection control.
- 4.15 Gritting, and clearing snow from, the Estate Common Parts.
- 4.16 Promoting and advertising the Estate and staging activities and exhibitions within the Estate.
- 4.17 Providing seasonal decorations within the Estate.
- 4.18 Carrying out any works and providing and maintaining all facilities that are required under any Act or by insurers in relation to the Estate.
- 4.19 Providing any further services for maintaining and securing the amenities of the Estate.
- 4.20 Managing and administering service charge accounts for the Estate Services and the Estate including, where relevant, certifying, examining or auditing those accounts.
- 4.21 Auditing health and safety requirements for the Estate and, where required by law or reasonable and cost-effective to do so, implementing the recommendations of that audit.
- 4.22 Auditing disabled access requirements for the Estate and, where required by law or reasonable and cost-effective to do so, implementing the recommendations of that audit.
- 4.23 Auditing the Environmental Performance of the Estate and, where reasonable and cost-effective to do so, implementing the recommendations of any environmental management plan the Landlord has for the Estate from time to time.
- 4.24 Carrying out or implementing any Recommended Improvement Measures, Operational Rating Measures or any other works or measures to implement any Action Plan in respect of the all or any part of the Estate Common Parts (or any other similar or replacement obligation) from time to time¹⁰⁰

¹⁰⁰ As drafted this enables the Landlord to recover the costs of implementing any recommended improvement measures and/or any costs associated with monitoring energy performance and emissions data as per an applicable Action Plan. It may not always be appropriate or realistic to expect the Tenant to meet such costs and consideration to alternative arrangements should be given e.g. 50/50 split in costs between Landlord and Tenant.

4.25 Interest costs reasonably incurred by the Landlord on borrowing from a UK clearing bank or, if the Landlord uses its own moneys, an amount equal to the interest costs that would have been incurred if the Landlord had borrowed from a UK clearing bank at reasonable commercial rates. Interest costs will be reasonably incurred under this paragraph if:

- 4.25.1 the Landlord has to meet an immediate liability where the service charge funds held by the Landlord are insufficient for that purpose and the shortfall does not result from any caps on the amount of service charge recoverable, any non-payment of service charges by other tenants or any unlet building on the Estate; or
- 4.25.2 the Landlord decides at its absolute discretion to incur service charge expenditure in one accounting period and recover that expenditure over two or more accounting periods.

5. **Estate Service Charge Exclusions**

- 5.1 Costs arising from any damage or destruction to the Estate caused by an Insured Risk or an Uninsured Risk.
- 5.2 Capital costs of the construction, alteration, redevelopment or extension of the Estate.
- 5.3 Costs of upgrading, innovation or improvement resulting from any repair, maintenance, reinstatement, rebuilding or replacement, but this will not prevent the Landlord including costs within the Estate Service Costs where they arise:
 - 5.3.1 where an item is to be replaced by way of repair and the replacement is broadly the modern day or up-to-date equivalent of what was there previously;
 - 5.3.2 where the Landlord considers replacement to be more economical than repair (and the Landlord is entitled to take into consideration the medium/long-term benefits of replacement)
 - 5.3.3 where an item has to be replaced or installed to comply with any Act or the requirements of the Insurers; or
 - 5.3.4 where replacement or renewal is reasonable and cost-effective and will reduce operating costs for the benefit of the tenants of the Lettable Units or improve the Environmental Performance of the Estate.
- 5.4 Costs of any unlet Lettable Unit.
- 5.5 Rent collection costs.
- 5.6 Costs incurred in dealing with any lettings or rent reviews at the Estate.
- 5.7 Unrecovered costs due from another tenant of the Estate.
- 5.8 Costs incurred in dealing with the Landlord's interest in the Estate, including the costs of advertising and promotional or publicity activities relating to any proposed dealing with the Landlord's interest in the Estate.
- 5.9 [Costs incurred in running and maintaining any car park at the Estate where parking is charged for and the Landlord keeps the charges.]¹⁰¹

¹⁰¹ This must be considered carefully on an estate by estate basis. Where costs are to be excluded and the Landlord is to keep the charges the definition of Estate Contribution will need to exclude those charges. If car park charges are to be included in the definition of Estate Contribution, this paragraph 6.9 should be deleted.

6. **Weighting**¹⁰²

6.1 **Discounting of the Gross Internal Area**

The Gross Internal Area of each Lettable Unit is ascertained and then discounted as set out below:

Gross Internal Area of Units in Metres Squared	Percentage Multiplier
[First 500 square metres (5,382 square feet)]	[100]
[Next 1,000 square metres (10,764 square feet)]	[80]
[Next 2,000 square metres (21,528 square feet)]	[60]
[Next 1,000 square metres (10,764 square feet)]	[50]
Remainder	[40]

6.2 **[Effect of sub-letting on discounting]**

If the Tenant sub-lets part of the Premises then the Tenant's Proportion will be recalculated on the basis that each part sub-let by the Tenant and the part (if any) retained by the Tenant will be separately discounted in accordance with the table set out above.]

¹⁰² Include paragraph 7 of this Part of the Schedule only where floor weighting applies to the service charge calculations. See also the definitions of "Gross Internal Area", "Service Charge", "Tenant's Proportion" and "Weighted Area" and paragraph 1.6 of Part 4 of the Schedule.

Part 2
Insurance and Damage Provisions

1. Tenant's insurance obligations

1.1 The Tenant must pay on demand:

1.1.1 a fair and reasonable proportion of:

- (a) the sums the Landlord pays¹⁰³ to comply with paragraphs 2.1.1 and 2.1.2;
- (b) if not recovered through the Service Charge, the sums the Landlord pays to insure all plant, machinery, apparatus and vehicles used in providing the Services;
- (c) the cost of valuations of the Estate, the Building and the Premises for insurance purposes made not more than once a year; and
- (d) the amount of any excess or deductible under any insurance policy that the Landlord incurs or will incur in complying with paragraphs 2.3 and 2.4;

1.1.2 the whole of the sums the Landlord pays for insuring loss of the Rent and Service Charge for the Risk Period;

1.1.3 a sum equal to the amount that the insurers refuse to pay following damage or destruction by an Insured Risk to the Estate or the Building because of the Tenant's act or failure to act; and

1.1.4 any additional or increased premiums that the insurers may require as a result of the carrying out or retention of any Permitted Works or the Tenant's or any lawful occupier's use of the Premises.

1.2 The Tenant must comply with the requirements of the insurers and must not do anything that may invalidate any insurance.

1.3 The Tenant must not use the Premises for any purpose or carry out or retain any Permitted Works that may make any additional premium payable for the insurance of the Premises, the Estate or the Building, unless it has first agreed to pay the whole of that additional premium.

1.4 The Tenant must notify the Landlord as soon as practicable after it becomes aware of any damage to or destruction of the Premises by any of the Insured Risks or by an Uninsured Risk.

1.5 The Tenant must keep insured, in a sufficient sum and with a reputable insurer, public liability risks relating to the Premises.

2. Landlord's insurance obligations

2.1 The Landlord must insure (with a reputable insurer):

2.1.1 the Building and the Estate against the Insured Risks in its full reinstatement cost (including all professional fees and incidental expenses, debris removal, site clearance and irrecoverable VAT);

2.1.2 against public liability relating to the Building and the Estate; and

2.1.3 loss of the Rent and Service Charge for the Risk Period,

¹⁰³ Note that Clause 2.13 already requires the amounts to be reasonable and proper.

subject to all excesses, limitations and exclusions as the insurers may impose and otherwise on the insurers' usual terms.

- 2.2 In relation to the insurance, the Landlord must:
 - 2.2.1 procure the Tenant's right to the Premises is noted either specifically or generically on the policy;
 - 2.2.2 take reasonable steps to procure that the insurers waive any rights of subrogation they might have against the Tenant (either specifically or generically);
 - 2.2.3 notify the Tenant promptly of all material variations; and
 - 2.2.4 provide the Tenant with a summary of its main terms on the Tenant's written request.
- 2.3 The Landlord must take reasonable steps to obtain any consents necessary for the reinstatement of the Estate following destruction or damage by an Insured Risk.
- 2.4 Where it is lawful to do so, the Landlord must reinstate the Estate following destruction or damage by an Insured Risk. Reinstatement need not be identical if the replacement is similar in size, quality and layout.
- 2.5 Nothing in this paragraph 2 imposes any obligation on the Landlord to insure or to reinstate tenant's fixtures forming part of the Premises, the Building or the Estate.
- 2.6 Nothing in paragraph 2.4 will require the Landlord to reinstate any Lettable Units other than the Premises.
- 2.7 The Landlord's obligations under paragraphs 2.3 and 2.4 will not apply:
 - 2.7.1 unless and until the Tenant has paid the amounts referred to in paragraph 1.1.1(d) and, where applicable, paragraph 1.1.3; or
 - 2.7.2 if the Landlord notifies the Tenant under paragraph 4.1 that it ends this Lease.
- 2.8 If there is destruction or damage to the Estate by an Uninsured Risk that leaves the whole or substantially the whole of the Premises unfit for occupation and use or inaccessible and the Landlord notifies the Tenant within 12 months afterwards that the Landlord wishes to reinstate, paragraphs 2.3 and 2.4 will then apply as if the damage or destruction had been caused by an Insured Risk.
- 2.9 Subject to the insurance premiums being reasonable and proper and reasonably and properly incurred, the Landlord will be entitled to retain all insurance commissions for its own benefit.
3. **Rent suspension**
 - 3.1 Paragraph 3.2 will apply if the Estate is destroyed or damaged by any Insured Risk [or Uninsured Risk]¹⁰⁴ so that the Premises are unfit for occupation or use or inaccessible. Paragraph 3.2 will not apply to the extent that the Landlord's insurance has been vitiated or payment of any policy moneys refused because of anything the Tenant does or fails to do and the Tenant has not complied with paragraph 1.1.3.
 - 3.2 Subject to paragraph 3.1, the Rent and Service Charge or a fair proportion of them, will not be payable from and including the date of damage or destruction until the earliest of:
 - 3.2.1 the date that the Premises are again fit for occupation and use, accessible and ready to receive tenant's fitting out works;

¹⁰⁴ Consider whether and from which date rent suspension should apply following uninsured damage.

- 3.2.2 the end of the Risk Period; and
- 3.2.3 the End Date.
- 3.3 If paragraph 3.2 applies before the Rent Commencement Date, the number of days between the date of the damage or destruction and the Rent Commencement Date (or where only a proportion of the Rent is or would have been suspended, an equivalent proportion of those days) will be added to the date the rent suspension ends and the resulting date will become the Rent Commencement Date.
- 3.4 If paragraph 3.2 applies:
 - 3.4.1 the Landlord must refund to the Tenant, as soon as reasonably practicable, a due proportion of any Rent and Service Charge paid in advance that relates to any period on or after the date of damage or destruction; and
 - 3.4.2 the Tenant must pay to the Landlord on demand the Rent and Service Charge for the period starting on the date they again become payable to but excluding the next Rent Day.
- 3.5 Any dispute about the application of this paragraph 3 will be decided at the request of either party by a single arbitrator under the Arbitration (Scotland) Act 2010[in which case the protocols contained in paragraph 3 of Part 3 of the Schedule will equally apply to the subject matter of this paragraph 3].
- 4. **Termination**
 - 4.1 If there is destruction or damage to the Estate that leaves the whole or substantially the whole of the Premises unfit for occupation and use or inaccessible:
 - 4.1.1 if the damage or destruction is caused by an Uninsured Risk and:
 - (a) the Landlord does not notify the Tenant within 12 months after the damage or destruction that the Landlord wishes to reinstate, this Lease will end on the last day of that 12 month period; or
 - (b) the Landlord notifies the Tenant that the Landlord does not wish to reinstate, this Lease will end on the date of that notification by the Landlord;
 - 4.1.2 if, when the Risk Period ends, the Estate has not been reinstated sufficiently so that Premises are again fit for occupation and use and accessible and ready to receive tenant's fitting out works, either the Landlord or the Tenant may end this Lease immediately by notifying the other at any time after the end of the Risk Period but before such reinstatement has been completed. The exercise of this right by the Tenant is subject to the Tenant complying with paragraph 1.1.1(d) and, where applicable, paragraph 1.1.3.
 - 4.2 For the purposes of paragraphs 3.2.2 and 4.1.2, if the damage or destruction is caused by an Uninsured Risk, the Risk Period will be treated as beginning on the date the Landlord notifies the Tenant of its wish to reinstate under paragraph 2.8.
 - 4.3 If this Lease ends under paragraph 4.1:
 - 4.3.1 that will not affect the rights of any party for any prior breaches;
 - 4.3.2 the Tenant must give vacant possession of the Premises to the Landlord; and
 - 4.3.3 the Landlord will be entitled to retain all insurance moneys.

5. **Turnover Rent**

Until the arrangements in Part 10 of the Schedule come to an end in accordance with paragraph 11 of Part 10 of the Schedule, references in this Schedule to the Rent will be read as references to the Base Rent and the Turnover Rent.

Part 3
Permitted Works¹⁰⁵

1. Defined terms

This Part of the Schedule uses the following definitions:

- 1.1 **"CDM Regulations"** means the Construction (Design and Management) Regulations 2015; and
- 1.2 **"Consents"** means all necessary permissions, licences and approvals for the Permitted Works under the Planning Acts, the building and fire regulations, and any other statute, bye law or regulation of any competent authority and under any obligations or provisions affecting the Premises, the Building or the Estate and as otherwise required from owners, tenants or occupiers of any part of the Building, the Estate or any adjoining premises.

2. Tenant's obligations in relation to Permitted Works

2.1 Before starting any Permitted Works the Tenant must:

- 2.1.1 obtain and provide the Landlord with copies of any Consents that are required before they are begun;
- 2.1.2 fulfil any conditions in the Consents required to be fulfilled before they are begun;
- 2.1.3 notify the Landlord of the date on which the Tenant intends to start the Permitted Works;
- 2.1.4 provide the Landlord with any information relating to the Permitted Works as may be required by its insurers; and
- 2.1.5 ensure that it or its building contractor has put in place public liability and employers' liability insurance of at least £[5] million in respect of each claim and provided the Landlord with a summary of the main terms of the insurance and evidence that the premiums have been paid.

2.2 If it starts any Permitted Works, the Tenant must carry out and complete them:

- 2.2.1 diligently and without interruption, and in any event before the End Date;¹⁰⁶
- 2.2.2 in accordance with any drawings, specifications and other documents relating to the Permitted Works that the Landlord has approved;
- 2.2.3 in a good and workmanlike manner and with good quality materials;
- 2.2.4 [in accordance with the reasonable principles, standards and guidelines set out in any relevant guide or handbook published by the Landlord from time to time for tenant's works carried out at the Building or the Estate;]
- 2.2.5 in compliance with the Consents and all Acts (including the Planning Acts) and with the requirements of the insurers of the Estate and the Premises and (where applicable) of any competent authority or utility provider:

¹⁰⁵ This Part of the Schedule sets out the standard provisions that will apply when the Tenant carries out works. The inclusion of this Part of the Schedule will enable the Landlord to grant consent to Tenant's works of a routine nature by reference to the obligations in this Part of the Schedule without the need for a detailed licence for alterations.

¹⁰⁶ If you want the Tenant to complete any works to the Premises within a set period after work has commenced, you will need to provide for this specifically in this paragraph.

- 2.2.6 with as little interference as reasonably practicable to the owners and occupiers of any other parts of the Building, the Estate or any adjoining premises; and
- 2.2.7 in compliance, to the extent applicable, with the CDM Regulations.
- 2.3 The Tenant must make good immediately any physical damage caused by carrying out the Permitted Works.
- 2.4 The Tenant must permit the Landlord to enter the Premises to inspect the progress of the Permitted Works.
- 2.5 Until practical completion of the Permitted Works, the Tenant must:
 - 2.5.1 insure any Permitted Works for their full reinstatement cost (including professional fees) against loss or damage by the Insured Risks with a reputable insurer and provide the Landlord with a summary of the main terms of the insurance; and
 - 2.5.2 reinstate any of the Permitted Works that are damaged or destroyed before their completion.
- 2.6 Where the Landlord has given the Landlord's consent to any Permitted Works, the Tenant must comply with any additional obligations in relation to those Permitted Works that the Landlord lawfully imposes on the Tenant in giving the Landlord's consent.¹⁰⁷
- 2.7 As soon as reasonably practicable following completion of the Permitted Works the Tenant must:
 - 2.7.1 notify the Landlord of their completion;
 - 2.7.2 obtain any Consents that are required on their completion;
 - 2.7.3 remove all debris and equipment used in carrying out the Permitted Works;
 - 2.7.4 notify the Landlord of the cost of the Permitted Works;
 - 2.7.5 permit the Landlord to enter the Premises to inspect the completed Permitted Works;
 - 2.7.6 supply the Landlord with two complete sets of as-built plans showing the Permitted Works; and
 - 2.7.7 ensure that the Landlord is able to use and reproduce the as-built plans for any lawful purpose.
- 2.8 If the CDM Regulations apply to the Permitted Works, the Tenant must:
 - 2.8.1 comply with them and ensure that any person involved in the management, design and construction of the Permitted Works complies with their respective obligations under the CDM Regulations;
 - 2.8.2 if the Landlord would be treated as a client for the purposes of the CDM Regulations, agree to be treated as the only client in respect of the Permitted Works; and
 - 2.8.3 on completion of the Permitted Works provide the Landlord with a copy of any health and safety file relating to the Permitted Works and deliver the original file to the Landlord at the End Date.

¹⁰⁷ If you want to impose an obligation on the Tenant to begin any works to which Landlord's consent has been given, you will need to provide for this specifically in this paragraph.

- 2.9 If the Permitted Works invalidate or materially adversely affect an existing EPC or require the commissioning of an EPC, the Tenant must (at the Landlord's option):
- 2.9.1 obtain a new EPC and give the Landlord written details of the unique reference number for that EPC; or
 - 2.9.2 pay the Landlord's costs of doing so.

3. **No warranty relating to Permitted Works**

The Landlord gives no express or implied warranty (and the Tenant acknowledges that the Tenant must satisfy itself):

- 3.1 as to the suitability, safety, adequacy or quality of the design or method of construction of any Permitted Works;
- 3.2 that any Permitted Works may lawfully be carried out;
- 3.3 that the structure or fabric of the Premises or the Building is able to accommodate any Permitted Works; or
- 3.4 that any of the services supplying the Premises, the Building or the Estate will either have sufficient capacity for or otherwise not be adversely affected by any Permitted Works.

1. Co-operation to improve Environmental Performance

The Landlord and the Tenant confirm that they:

- 1.1 [wish to promote and improve the Environmental Performance of the Premises, the Building and the Estate; and

¹⁰⁸ If the parties want to include more detailed sustainability provisions, refer to the provisions in the Better Buildings Partnership's Green Lease Toolkit. This Part of the Schedule is not intended to impose onerous obligations in relation to sustainability issues but is intended to facilitate a discussion between the parties about these issues.

¹⁰⁹ Include this wording where it has been determined that the Assessment of Energy Performance of Non-Domestic Buildings (Scotland) Regulations 2016 apply.

- 2.7 Where any of the issues considered, reviewed or agreed in the Forum relate exclusively to the Premises, either the Landlord or the Tenant may request that they are discussed between them and their authorised agents only (and not with any other permitted participants in the Forum).
3. **Data sharing**¹¹⁰
- 3.1 The Landlord and the Tenant will share the Environmental Performance data they hold relating to the Premises, the Building and the Estate. This data will be shared on a regular basis [not less frequently than quarterly] with each other, with any managing agents appointed by the Landlord and with any third party that the Landlord and the Tenant agree should receive the data.
- 3.2 The Landlord and the Tenant will where appropriate keep the data shared under this clause confidential but recognise that either party may be required to disclose such information to third parties for the purposes of compliance with a Legal Requirement.  - 3.2.3 measuring the Environmental Performance of the Premises, the Building and the Estate against any agreed targets.

¹¹⁰ See data sharing obligation on Tenant at Clause 4.26.

Part 2
Sub-Letting

1. Defined terms

This Part 9 of the Schedule uses the following definitions:

- 1.1 "Approved Sub-lease"** means a sub-lease approved by the Landlord and, subject to any variations agreed by the Landlord in its absolute discretion:
- 1.1.1 granted without any premium being received by the Tenant;
 - 1.1.2 reserving a market rent, taking into account the terms of the sub-letting;
 - 1.1.3 containing provisions for rent review at [five yearly] intervals and otherwise on the same terms as in Part 3 of the Schedule;¹¹¹
 - 1.1.4 containing provisions for change of use and alterations corresponding to those in this Lease;
 - 1.1.5 prohibiting the assignation of the Sub-tenant's right to part only of the Sub-let Premises;
 - 1.1.6 allowing assignation of the Sub-tenant's right to the whole of the Sub-let Premises with the prior consent of the Landlord on terms corresponding to those in this Lease;
 - 1.1.7 [containing an obligation on the Sub-tenant not to enter into any sub-underlease of the whole or any part of the Sub-let Premises] **OR** [containing an obligation on the Sub-tenant not to enter into any sub-underlease of the whole of the Sub-let Premises without the prior written consent¹¹² of the Landlord and the Tenant and an obligation on the Sub-tenant not to enter into any sub-underlease of any part of the Sub-let Premises] **OR** [containing an obligation on the Sub-tenant not to enter into any sub-underlease of the whole or any part of the Sub-let Premises without the prior written consent of the Landlord and the Tenant];¹¹³
 - 1.1.8 [containing provisions requiring any Sub-Underlease to contain an absolute prohibition on entering into further subleases of whole or part [except where the Sub-Underlease is of the whole of the Premises when the Sub-Underlease may contain provisions permitting the creation of further subleases on the same terms as paragraph 1.1.7 but with the additional provision that no further underleases of whole or part will be created out of those further underleases];]
 - 1.1.9 [containing an obligation on the Sub-Undertenant not to assign the Sub-Undertenant's right to the whole of the sub-underlet premises without the prior written consent of the Landlord, the Tenant and the Sub-tenant and not to assign the Sub-Undertenant's right to part of the sub-underlet premises;] and
 - 1.1.10 containing other provisions corresponding with those in this Lease;
- 1.2 "Approved Sub-tenant"** means a person approved by the Landlord;

¹¹¹ Some landlords may require the rent review dates in the sub-lease to coincide with those in this Lease even if this means that the first rent review falls within the first five years of the grant of the sub-lease.

¹¹² Although the interpretation clause in this Lease states that references to a consent are to a prior written consent, the full form of wording has been included in this paragraph 1.1.7 and in paragraph 1.1.9 of this Part of the Schedule as the relevant interpretation clause may not be included in the sub-lease.

¹¹³ Take specific instruction on whether a subtenant should have the right to sub-underlet. Paragraphs 1.1.8 and 1.1.9 of this Part of the Schedule will not be required if sub-underletting is prohibited.

1.3 ["**Permitted Part**" means [any part of the Premises that the Landlord approves;]

OR

[any part of the Premises:

1.3.1 that is self-contained;

1.3.2 capable of separate beneficial occupation;

1.3.3 having independent means of access, for general access and for servicing, from the public highway, from the Building Common Parts or from those parts of the Premises approved by the Landlord as common parts for the use and enjoyment of the Tenant and any permitted sub-tenants of the Premises;

1.3.4 has a Gross Internal Area of not less than [*Insert number*] square [feet] [metres] nor more than [*Insert number*] square [feet] [metres]; and

1.3.5 that, once sub-let, leaves the remainder of the Premises self-contained and capable of separate beneficial occupation with a Gross Internal Area of not less than [*Insert number*] square [feet] [metres];]]

1.4 ["**Sub-lease**" means the sub-lease entered into following the approval of an Approved Sub-lease;]

1.5 "**Sub-let Premises**" means the premises let by a Sub-lease; [and]

1.6 "**Sub-tenant**" means the Approved Sub-tenant to whom the Tenant grants a Sub-lease[;

1.7 "**Sub-Underlease**" means any sub-underlease derived from a Sub-lease; and

1.8 "**Sub-Undertenant**" means any tenant under a Sub-Underlease].

2. **Right to sub-let**

2.1 [Subject to paragraph 2.2, the] [The] Tenant may, with the Landlord's consent, sub-let the whole of the Premises [or the whole of a Permitted Part] by an Approved Sub-lease to an Approved Sub-tenant.

2.2 [The Tenant must not allow more than [*Insert number*] people (including the Tenant) to have a legal right to occupy the Premises. Any Group Company of the Tenant [and any Service Provider providing services to the Tenant at the Premises]¹¹⁴ will count as the Tenant for the purposes of this paragraph.]

3. **Obligations in relation to Sub-leases**

3.1 The Tenant must ensure the Sub-tenant complies with the terms of its Sub-lease and any Sub-Undertenant complies with the terms of its Sub-Underlease.

3.2 The Tenant must not reduce, defer, accelerate or commute any rent payable under any Sub-lease.

3.3 On any review of the rent payable under any Sub-lease, the Tenant must:

3.3.1 review the rent of the Sub-lease in compliance with its terms;

3.3.2 not agree the reviewed rent (or the appointment of any third party to decide it) without the Landlord's approval;

¹¹⁴ Delete the words in square brackets if the "Service Provider" provisions have been deleted from Clause 4.16.7.

- 3.3.3 include in the Tenant's representations to any third party any representations that the Landlord may require; and
 - 3.3.4 notify the Landlord what the reviewed rent is within two weeks of its agreement or resolution by a third party.
- 3.4 [The Tenant must not vary the terms or accept any renunciation of any Sub-lease without the Landlord's approval.]

Part 3
Base Rent and Turnover Rent

1. Defined terms

This Part 10 of the Schedule uses the following definitions:

- 1.1 **"Annual Turnover Certificate"** means the certificate to be provided by the Tenant in accordance with paragraph 4.1;
- 1.2 **"Authorised Group Company"** means a Group Company of the Tenant who is carrying on materially the same trade or business as *[Insert name of initial tenant]*;¹¹⁵
- 1.3 **"Base Rent"** means [80%] of the Rent payable under this Lease;¹¹⁶
- 1.4 **["Default On-Account Payment"]**¹¹⁷ means *[Insert amount in figures]*; ¹¹⁸
- 1.5 **"Normal Shopping Day"** means any day on which [the majority of the shops within the Estate are open for business¹¹⁹] [the Tenant should be open for business in accordance with its obligations in paragraph 8.1¹²⁰] and "Normal Shopping Days" has a corresponding meaning;
- 1.6 **"On-Account Payment"** means [in respect of the first Turnover Period £*[Insert amount]* and in respect of each succeeding Turnover Period [one-quarter] [one-twelfth] of the Turnover Rent paid in respect of the preceding Turnover Period;]¹²¹ **OR** [the amount by which the Specified Percentage of the Turnover in each On-Account Period exceeds the Base Rent payable in respect of that On-Account Period;]¹²²
- 1.7 **"On-Account Period"** means each period starting on a Rent Day and ending on the day before the following Rent Day but:
 - 1.7.1 the first On-Account Period will be the period starting on the [Rent Commencement Date] and ending on the day before the following Rent Day; and
 - 1.7.2 the last On-Account Period will be the period starting on the last Rent Day before the Turnover End Date and ending on the Turnover End Date;
- 1.8 **["On-Account Turnover Certificate"]**¹²³ means the certificate to be provided by the Tenant in accordance with paragraph 3.2;]
- 1.9 **"Records"** means all books and other documents, records or information (including computer tapes, discs and other storage systems, cash register tapes, bank statements, Till Rolls and any tax returns that relate to VAT or any similar or substituted tax) that are or ought in the

¹¹⁵ This definition allows the turnover provisions to endure on assignments to group companies where the incoming tenant is carrying out the same trade or business as the original tenant. How appropriate this is will depend on the identity of the original tenant.

¹¹⁶ This tracks the Base Rent to a percentage of Rent. This is why the wording in Clause 3 of this Lease preserving the review mechanism is important, and also why paragraph 6 is needed in this Part of the Schedule to preserve a fair result. Turnover only leases would define Rent as a peppercorn (£1).

¹¹⁷ This should be a figure to give the Tenant an incentive to deliver a certificate on time, but it is important to avoid a penalty. This payment can be expressed as a percentage of the Rent or Base Rent ie if 80% OMV Base Rent, then an appropriate default payment might be 25/30% of the Base Rent payable in respect of the relevant period. The figure should reflect a genuine assessment of the anticipated payment had the turnover information been provided plus any costs that the Landlord might reasonably incur in enforcing the obligation to deliver the turnover information.

¹¹⁸ This definition should be used only where the on-account turnover rent payments will be based on the Tenant's actual turnover for the on-account period.

¹¹⁹ Use this wording where the Tenant will not be subject to the terms of a keep open obligation.

¹²⁰ Use this wording where the Tenant will be subject to a keep open obligation.

¹²¹ Use this wording where the on-account turnover rent payment will be a fixed estimate for the first Turnover Year and a proportion of the previous year's Turnover Rent in the second and subsequent Turnover Years.

¹²² Use this wording where the on-account turnover rent payments will be based on the Tenant's actual turnover for the on-account period

¹²³ This definition should be used only where the on-account turnover rent payments will be based on the Tenant's actual turnover for the on-account period.

reasonable opinion of the Landlord to be kept by the Tenant for the purpose of ascertaining and verifying the Turnover;

- 1.10 **"Specified Percentage"** means [10]%;
- 1.11 **"Till Rolls"** means the printed rolls produced by the tills installed at the Premises and all computerised records (both hard copies and on CD ROM or an equivalent recording medium) recording all sales and entries to the tills and, in the case of EPOS tills, all polling reports and transactions and turnover reports produced on a daily and weekly basis;
- 1.12 **"Turnover"** means Turnover as defined in paragraph 7;
- 1.13 **"Turnover End Date"** means the final day that the arrangements in this part of the Schedule apply;
- 1.14 **"Turnover Period"** means a period of one year falling within the Term and ending on and including a Year End but:
 - 1.14.1 the first Turnover Period will be the period starting on [the Rent Commencement Date] and ending on the Year End that follows or if that Year End is less than [three] months after the commencement of the first Turnover Period, ending on the second following Year End; and
 - 1.14.2 the last Turnover Period will be the period starting on the day after the last Year End before the Turnover End Date and ending on the Turnover End Date;
- 1.15 **"Turnover Rent"** means the amount by which the Specified Percentage of the Turnover in each Turnover Period exceeds the Base Rent payable in respect of that Turnover Period; and¹²⁴
- 1.16 **"Year End"** means [*Insert date*] in each year.¹²⁵

2. **Payment of Base Rent and Turnover Rent**

- 2.1 Starting on the Rent Commencement Date,¹²⁶ instead of the Rent the Tenant must pay as a rent an annual sum equivalent to:
 - 2.1.1 the Base Rent, payable at the same time as the Rent would otherwise have been payable under Clause 3.2 if the provisions of this Part of the Schedule did not apply; and
 - 2.1.2 the Turnover Rent, payable as set out in this Part of the Schedule.
- 2.2 The remedies for late payment or non-payment of Rent will apply equally to late payment or non-payment of the sums payable under this Part 10 of the Schedule.

¹²⁴ This is the usual method for calculating the Turnover Rent. However, other formulae can be used if the Landlord wants the Turnover Rent to be calculated on a different basis.

¹²⁵ It will be a matter of negotiation to decide an appropriate year end, but one must take into account the preference of the Landlord to carry out turnover reconciliations at consistent times, but also the practicalities of the Tenant providing the more formal annual (possibly audited) turnover certificates, which may mean that the Tenant's financial year end is an appropriate date.

To avoid complex apportionments at the end of each turnover year where the Tenant pays turnover on account by reference to its actual turnover during each on-account period, the year end should correspond with the final day of an on-account payment period.

¹²⁶ This clause assumes that Turnover Rent will start to be paid on the same date as the Base Rent. If the Landlord has given the Tenant a rent free period, the Turnover Rent should not be payable during that period. Additional drafting may be required if, following the expiry of the rent free period (or instead of a rent free period), the Tenant pays a concessionary rent (for example 50% of the Base Rent for the next six months). In these circumstances, you need to consider whether a corresponding reduction in the amount of Turnover Rent should be made during that period.

3. **On-account payments of Turnover Rent**

- 3.1 The Tenant must pay an On-Account Payment for each On-Account Period on account of the Turnover Rent. [The On-Account Payment must be paid in advance at the same time as the Base Rent.]¹²⁷
- 3.2 [Within [10 Business Days] after the end of each On-Account Period, the Tenant must deliver to the Landlord a certificate signed by [a senior manager of the Tenant] certifying:
- 3.2.1 the amount of the Turnover during that On-Account Period with the Turnover broken down on a daily basis; and
 - 3.2.2 the number of Normal Shopping Days during that On-Account Period and the hours on those days when the Tenant was not open for trade during the whole of the Estate Opening Hours.
- 3.3 The On-Account Turnover Certificate must contain such details as to the method of calculation as the Landlord reasonably requires. The Tenant must ensure that the On-Account Turnover Certificate states as accurately as the Tenant is reasonably able to do so the amount of the Turnover during the relevant On-Account Period.
- 3.4 On receipt of an On-Account Turnover Certificate, the Landlord must calculate the On-Account Payment due for that On-Account Period and issue a demand to the Tenant for the On-Account Payment.
- 3.5 The Tenant must pay the On-Account Payment within 10 Business Days after receiving the demand referred to in paragraph 3.4.
- 3.6 If the Tenant does not deliver an On-Account Turnover Certificate in accordance with paragraph 3.2, the Tenant must, within [10 Business Days] after the end of the relevant On-Account Period, pay to the Landlord on account of the Turnover Rent an amount equal to the higher of:
- 3.6.1 the Default On-Account Payment; and
 - 3.6.2 the On-Account Payment made in respect of the most recent On-Account Period in respect of which an On-Account Turnover Certificate has been provided.
- 3.7 If, having made a payment under paragraph 3.6, the Tenant subsequently submits an On-Account Turnover Certificate:
- 3.7.1 if it appears that the amount paid is more than the On-Account Payment that would have been due had the certificate been submitted on time under paragraph 3.2, then the Landlord will [repay the excess to the Tenant within 10 Business Days] [credit such excess to the next On-Account Payment due]; and
 - 3.7.2 if it appears that the amount paid is less than the On-Account Payment that would have been due had the certificate been submitted on time under paragraph 3.2, then the Tenant must pay the balance immediately with interest at the Interest Rate calculated from the date on which the relevant On-Account Payment should have been made pursuant to paragraph 3.5.]¹²⁸

¹²⁷ The words in square brackets should be used only where the on-account turnover rent payment will be a fixed estimate for the first Turnover Year and a proportion of the previous year's Turnover Rent in the second and subsequent Turnover Years.

¹²⁸ Paragraphs 3.2 to 3.7 of this Part of the Schedule should be used only where the on-account turnover rent payments will be based on the Tenant's actual turnover for the on-account period.

4. Annual reconciliation

- 4.1 Within [20 Business Days] after the end of each Turnover Period, the Tenant must deliver to the Landlord:
- 4.1.1 a certificate signed by [an independent and professionally qualified auditor] certifying the amount of the Turnover during that Turnover Period with the Turnover broken down on a daily basis; and
 - 4.1.2 a certificate signed by a senior manager of the Tenant certifying the number of Normal Shopping Days during that Turnover Period and the hours on those days when the Tenant was not open for trade during whole of the Estate Opening Hours.
- 4.2 The Annual Turnover Certificate must contain such details as to the method of calculation as the Landlord may reasonably require. The Tenant must ensure that the Annual Turnover Certificate states as accurately as the Tenant is reasonably able to do so the amount of the Turnover during the relevant Turnover Period.
- 4.3 On receipt of an Annual Turnover Certificate, the Landlord must calculate the Turnover Rent for the Turnover Period and serve on the Tenant a demand for any balance due taking into account all On-Account Payments made in respect of the relevant Turnover Period.
- 4.4 The Tenant must pay any balance of Turnover Rent within [10 Business Days] of receiving the written demand referred to in paragraph 4.3.
- 4.5 If the On-Account Payments exceed the Turnover Rent due in respect of the relevant Turnover Period then the balance will be credited to the next On-Account Payment due for the following Turnover Period (or refunded to the Tenant in respect of the last Turnover Period before the Turnover End Date).
- 4.6 If the Tenant does not deliver the Annual Turnover Certificate in accordance with paragraph 4.1 the Tenant must, within [20 Business Days] after the end of the relevant Turnover Period, pay to the Landlord on account of the Turnover Rent an amount equal to:
- 4.6.1 *[Insert percentage]*¹²⁹ of the Rent; less
 - 4.6.2 the total On-Account Payments made in respect of the Turnover Year in respect of which the Annual Turnover Certificate should have been provided.
- 4.7 If the calculation in paragraph 4.6 produces a negative figure, the Landlord will not be under any obligation to make a payment to the Tenant.
- 4.8 If, having made a payment under paragraph 4.6, the Tenant subsequently submits an Annual Turnover Certificate:
- 4.8.1 if it appears that the amount paid is more than the balance of the Turnover Rent that would have been due had the certificate been submitted on time under paragraph 4.1, then the Landlord will [repay the excess to the Tenant within 10 Business Days] [credit such excess to the next On-Account Payment due or repay it to the Tenant if the payment was made in respect of the last Turnover Period before the Turnover End Date]; and
 - 4.8.2 if it appears that the amount paid is less than the balance of the Turnover Rent that would have been due had the certificate been submitted on time under paragraph 4.1, then the Tenant must pay the balance immediately with interest at the Interest Rate calculated from the date on which the relevant balancing payment should have been made pursuant to paragraph 4.4.

¹²⁹ This payment should be expressed as a percentage of the Rent. If the Base Rent is 80% of the Rent, then an appropriate default payment might be 20-25% of the Rent. The figure should reflect a genuine assessment of the anticipated payment had the turnover information been provided plus any costs that the Landlord might reasonably incur in enforcing the obligation to deliver the turnover information.

5. **Maintenance of Records**

- 5.1 The Tenant must maintain the Records fully and accurately whilst the arrangements in this Part of the Schedule apply and for a period of 12 months beyond the Turnover End Date.
- 5.2 The Tenant must keep the Records relating to the then current and two immediately preceding Turnover Periods safely on the Premises or in such other place reasonably accessible for inspection as the Landlord approves. The Tenant must make the Records relating to these Turnover Periods available for inspection at all reasonable times by a representative of the Landlord.
- 5.3 To preserve the operation of this Part of the Schedule and to enable the Turnover Rent to be accurately assessed, the Tenant must ensure that:
- 5.3.1 any person other than the Tenant who contributes to Turnover is subject to the same obligations with respect to Records as are imposed on the Tenant in this Part of the Schedule;
 - 5.3.2 the Landlord has the same rights in respect of any such person(s) as it does in this Part of the Schedule in respect of the Tenant.

6. **Rent reviewed late**¹³⁰

- 6.1 If, by any Rent Review Date, the reviewed Rent (and therefore the Base Rent) has not been ascertained (so that the on account payment mechanism in paragraph 4 of Part 3 of the Schedule applies):
- 6.1.1 until the new Rent has been ascertained, the Base Rent and Turnover Rent will be calculated and paid by reference to the Rent payable immediately before the Rent Review Date;
 - 6.1.2 following the ascertainment of the Rent, the Landlord will demand the difference (if any) between the amount the Tenant has actually paid and the amount of Base Rent and Turnover Rent that would have been payable had the Rent been ascertained before the Rent Review Date; and
 - 6.1.3 the Tenant must pay that difference to the Landlord within 10 Business Days after that demand and interest at [three] per cent below the Interest Rate calculated on a daily basis on each instalment of that difference from the date on which such instalment would have become payable to the date of payment. If not paid those sums will be treated as rent in arrear.

7. **Turnover**

- 7.1 Subject to this paragraph 7 and paragraph 8.1, "**Turnover**" means the aggregate of all sums of money or other consideration received or receivable for all goods sold, leased, hired or otherwise disposed of and for all services sold or performed and from all business of any nature whatever conducted at, in front of or on the Premises by the Tenant. It includes:
- 7.1.1 all amounts received or receivable from the sale of gift cards or vouchers;
 - 7.1.2 all amounts received or receivable from orders that originate or are received or accepted or solicited at or from the Premises even if delivery or performance is made at or from any place other than the Premises and even if payment is made to a person other than the Tenant;

¹³⁰ This clause is needed where Base Rent is linked to the underlying Rent. It implements a similar regime to the usual uplift of Rent on review. It will also have application where a turnover cap is linked to an underlying Rent i.e. may see turnover caps as a percentage of Rent. This allows a reconciliation following an uplift in the Rent (and hence the cap).

- 7.1.3 all amounts received or receivable from mail, telephone, facsimile, internet or similar medium orders received at or lodged at or from the Premises[or collected by the customer from the Premises];
 - 7.1.4 all amounts received or receivable from mail, telephone, facsimile, internet or similar medium orders where the relevant goods or services are satisfied from stock at the Premises or by those at the Premises;
 - 7.1.5 all amounts received or receivable from sales made or services provided by means of electronic, mechanical or vending devices at the Premises;
 - 7.1.6 all amounts received or receivable from sales and services that the Tenant in the normal and customary course of the Tenant's operations would or should credit or attribute to the Tenant's business on the Premises;
 - 7.1.7 all bonuses, commissions, payments or discounts received or receivable from third parties relating to any transactions or services conducted at or from the Premises including those relating to insurance, warranties and the delivery or installation of goods;
 - 7.1.8 [all commissions, rents or licence fees received or receivable from concessionaires, sub-tenants or licensees who trade at or from the Premises;]¹³¹
 - 7.1.9 all amounts received or receivable in respect of delivery, postage or insurance charges in excess of the actual costs of delivery, postage or insurance;
 - 7.1.10 all amounts received or receivable from orders solicited off the Premises by persons operating from or reporting to the Premises;
 - 7.1.11 all grants, subsidies and fees of a revenue nature paid to the Tenant by national or local government or any public authority in consideration of or to defray in whole or part the cost of the supply of goods or services at or from the Premises; and
 - 7.1.12 all other consideration received or receivable by the Tenant in respect of the Premises that, in accordance with standard accounting practices, is credited or attributed to the trade or business of the Tenant carried out at the Premises as income or revenue of the Tenant.
- 7.2 In calculating the amount of the Turnover:
- 7.2.1 every sale on credit terms or on an instalment basis will be treated as a sale for the full cash price at the date when it is made irrespective of the time or times at which the Tenant receives payment;
 - 7.2.2 every hiring of goods to a customer with an option to purchase will be treated as a sale of goods for the normal full cash price at the date when the hiring is made (irrespective of the time or times at which the Tenant receives payment) and there will be excluded from the Turnover any hiring charges in respect of that hiring; and
 - 7.2.3 every deposit by a customer will be included in the Turnover at the time of receipt and will only be deducted from the Turnover if and when repaid.
- 7.3 In calculating the amount of the Turnover, no deduction will be made for:
- 7.3.1 bad or doubtful debts;

¹³¹ Include this wording where the licence fee or rent paid by any concessionaire, sub-tenant or licensee will be taken into account when calculating the Tenant's turnover. The alternative approach (see paragraph 7.5) is to require the concessionaire's, sub-tenant's or licensee's turnover to be taken into account when calculating the Tenant's turnover.

- 7.3.2 discounts allowed to employees of the Tenant in respect of goods or services supplied to them by the Tenant; or
- 7.3.3 in the case of transactions paid by credit card, discounts or commissions payable by the Tenant to the provider of the credit.
- 7.4 The following amounts will not be included in the Turnover or if included will be deducted:
 - 7.4.1 VAT, purchase tax and similar sales or excise tax imposed directly on the Tenant in respect of the supply of goods or services but only to the extent that such tax is actually paid or accounted for by the Tenant to the taxing authority;
 - 7.4.2 the amount of any cash refund or credit given to a customer when goods are returned so long as the cash refund or credit does not exceed the sale price of the goods included in the Turnover;
 - 7.4.3 the sale price of goods returned by customers for exchange so long as the sale price has been included in the Turnover and the sale price of the goods given in exchange is included in the Turnover;
 - 7.4.4 allowances made in respect of defective or unsatisfactory goods or services so long as those allowances do not exceed the sale price of the goods or the charge for the services included in the Turnover;
 - 7.4.5 the value of the goods transferred whether by way of exchange or otherwise from the Premises to other premises of the Tenant so long as that transfer:
 - (a) is not made for the purpose of consummating a sale that has been made at in or from the Premises; and
 - (b) does not deprive the Landlord of the benefit of a sale that would otherwise have been made at in or from the Premises;
 - 7.4.6 the value of goods returned to shippers, wholesalers or manufacturers; and
 - 7.4.7 interest charges and credit account service charges.
- 7.5 [For the purposes of this paragraph 7, "the Tenant" means the Tenant and any sub-tenant, licensee or concessionaire of the Tenant and any other person in occupation of the Premises.]¹³²
- 8. **Substituted Turnover**
 - 8.1 [The Tenant must keep the Premises open for business and to take reasonable steps to maintain active trade during the Estate Opening Hours unless:
 - 8.1.1 the Tenant is prevented from so doing by reason of the destruction of or damage to the Premises or the Estate by an Insured Risk, Uninsured Risk or some other cause wholly beyond the Tenant's control so that the Premises are unfit for occupation and use or inaccessible;
 - 8.1.2 it is necessary to keep the Premises closed for business for any period not exceeding 10 Business Days for carrying out with all due speed any repairs or Permitted Works;
 - 8.1.3 it is necessary to keep the Premises closed for business for any period up to five Business Days for the removal with all due speed of any contents and tenant's and trade fixtures before a permitted assignment [or sub-letting] under this Lease;

¹³² See footnote 131.

- 8.1.4 the Tenant is carrying out genuine staff training for any period not exceeding [four] hours on not more than [three] occasions during any Turnover Period; or
- 8.1.5 to do so would be contrary to any regulation or requirement of any competent statutory or local authority.]¹³³

- 8.2 Subject to paragraph 8.3, if the Premises are not open for business on a Normal Shopping Day during the whole of the Estate Opening Hours, then the Turnover for that Normal Shopping Day will be treated as an amount calculated as follows:

$$T = \frac{AT}{NS}$$

where:

T is the Turnover for that Normal Shopping Day;

AT is the actual Turnover generated during the relevant Turnover Period; and

NS is the number of Normal Shopping Days that the Premises were open for business during the relevant Turnover Period.

- 8.3 The provisions in paragraph 8.2 will not apply to any Normal Shopping Day where any of the circumstances in paragraphs 8.1.2 to 8.1.4, inclusive, apply.

9. **Determination of disputes**

- 9.1 If the Landlord and the Tenant have any dispute as to the amount of the Turnover or the Turnover Rent payable then either the Landlord or the Tenant can require the dispute to be decided by an independent [expert] [arbitrator].

- 9.2 If the Landlord and the Tenant do not agree on who should decide the relevant dispute, the [expert] [arbitrator] will be appointed by The Royal Institution of Chartered Accountants in Scotland on the application of either the Landlord or the Tenant.

- 9.3 The decision of the [expert] [arbitrator] will be binding on the parties. [The seat of the arbitration will be Scotland and the reference to the arbitration will take effect subject to and in accordance with the Arbitration (Scotland) Act 2010.]¹³⁴ [The [expert] [arbitrator]:

- 9.3.1 will invite the Landlord and the Tenant to make submissions to him with any relevant supporting documentation;

- 9.3.2 will give the Landlord and the Tenant an opportunity to make counter submissions;

- 9.3.3 will give written reasons for his decisions, which will be binding on the parties; and

- 9.3.4 will be paid by the Landlord and the Tenant in such shares and in such manner as he may decide (or failing such a decision, in equal shares).]

10. **Inspection of Records**

- 10.1 The Landlord may require that an audit of the Records relating to the current Turnover Period or any of the two preceding Turnover Periods is carried out by a professionally qualified accountant appointed by the Landlord.

- 10.2 If, as a result of an audit under paragraph 10.1, it is established that the Turnover for any Turnover Period has been understated by more than 2% then the cost of the audit will be borne by the Tenant.

¹³³ Consider whether the Tenant should under an obligation to trade. Note that under paragraph 11 of this Part of the Schedule, if the Tenant does not trade from the Premises, the Landlord has the option of ending the turnover rent provisions and requiring the Tenant to pay the full Rent.

¹³⁴ Consider whether the parties wish any of the non-mandatory Scottish Arbitration Rules to be disapplied at this stage.

- 10.3 If any Turnover has been understated, the Landlord will be entitled to issue a further demand for any additional Turnover Rent following the audit and the Tenant must pay the additional Turnover Rent to the Landlord within [10 Business Days] plus interest at the Interest Rate calculated from the date that the Turnover Rent would have been paid had the Turnover Rent not been understated.

11. **End of arrangement**

11.1 Where:

- 11.1.1 this Lease is assigned, except for an assignment to an Authorised Group Company;
- 11.1.2 the Tenant grants a sub-lease of the Premises; or
- 11.1.3 the Tenant fails to start trading or ceases to trade from the Premises and, in the reasonable opinion of the Landlord, that event is not a temporary cessation of trade arising from a genuine operational requirement of the Tenant

then the arrangements set out in this Part of the Schedule relating to payment of the Base Rent and the Turnover Rent will come to an end and the Rent will be payable with effect from the date the relevant event occurs instead of the Base Rent and the Turnover Rent. The obligation on the Tenant to pay sums due under this part of the Schedule for the period up to the date of the relevant event will be unaffected.

- 11.2 Where the total number of days that the Premises are not open for business (or are open for business for less than four hours) on a Normal Shopping Day in any Turnover Year exceeds [Insert number], the Landlord may serve notice on the Tenant specifying that arrangements set out in this Part of the Schedule relating to payment of the Base Rent and the Turnover Rent will be treated as having come to an end at the start of the Turnover Year in question and that the Rent will be payable with effect from that date instead of the Base Rent and the Turnover Rent. If the Landlord serves notice under this paragraph 11.2, the Tenant will pay to the Landlord on demand the amount specified in the notice as representing the difference between the Rent that would have been payable up to the date of that notice and the rents actually paid by the Tenant under this Part of the Schedule.

- 11.3 On an assignment of this Lease, except for an assignment to an Authorised Group Company:

- 11.3.1 the Tenant must pay to the Landlord on or before the date of entry under such assignment such amount as the Landlord properly and reasonably estimates to be the maximum amount of Turnover Rent due from the Tenant up to that date taking into account any sums already paid in advance by the Tenant towards the Tenant's liability for Turnover Rent under this Part of the Schedule; and
- 11.3.2 in the consent to assignment:
 - (a) the Landlord must undertake to the Tenant to repay to the Tenant any overpayment of Turnover Rent made by the Tenant within [10] Business Days of having received the final Annual Turnover Certificate from the Tenant;
 - (b) the Tenant must undertake to the Landlord to produce the final Annual Turnover Certificate to the Landlord as soon as reasonably practicable after the date of entry under such assignment and, if any additional Turnover Rent is payable, to pay any excess to the Landlord on demand.

Part 4
Offer Back Provisions

Part A
Terms of the Offer Back

1. Defined terms

Part 11 Part A and Part 11 Part B of the Schedule use the following definitions:

- 1.1 **"Acceptance Period"** means the period of [one month] starting on the date on which the Landlord receives the Tenant's Notice [subject to extension under paragraph 2.6];¹³⁵
- 1.2 **"Acceptance Notice"** means any notice served by the Landlord on the Tenant accepting the Tenant's offer to renounce the Premises to the Landlord;
- 1.3 **"Completion Date"** means the date [20] Business Days after the date of an Acceptance Notice;
- 1.4 **"Deed"** means a renunciation¹³⁶ with the Price, Tenancy Documents and other relevant details inserted where required;
- 1.5 **"Disposal"** means
 - 1.5.1 an assignation of the Premises; or
 - 1.5.2 the grant of an sub-lease of the whole of the Premises [or a Permitted Part] [or any part of them];¹³⁷
- 1.6 **"Disposal Period"** means the period of [three] months starting on the last day of the Acceptance Period;
- 1.7 **["Independent Expert"]** means a chartered surveyor having at least 10 years' experience in valuing premises similar to the Premises, acting as an independent expert;¹³⁸
- 1.8 **["Open Market Value"]** means the price at which the Premises may be assigned at arm's length in the open market disregarding the terms of any proposed sub-letting and assuming:
 - 1.8.1 a willing seller and willing buyer;
 - 1.8.2 a reasonable period in which to market the Premises;
 - 1.8.3 that values remain static throughout this period; and
 - 1.8.4 that the price does not reflect any value attributable to the Tenant's business carried on at the Premises;
 - 1.8.5 that the price does not reflect any value attributable to tenant's or trade fixtures at the Premises that the Tenant is entitled to remove on quitting the Premises;

¹³⁵ The words in square brackets will be required only where the Tenant has to specify the Open Market Value of the Premises in the Offer Notice and the Landlord will have the right to require an expert to determine the Open Market Value if there is a dispute.

¹³⁶ You may wish to consider referring to this being in the form of the standard form renunciation produced by the Property Standardisation Group.

¹³⁷ Consider whether sub-lettings of part will trigger the offer back provisions. If this Lease does not permit sub-lettings of whole or part, you can delete the whole of paragraph 1.5.2 of this Part of the Schedule.

¹³⁸ This definition is required only where the Tenant has to offer to renounce the Premises at their Open Market Value and the Landlord has the right to require that value to be determined by an expert if there is a dispute about that value.

1.8.6 that the Premises are in their actual state of repair and condition at the date of the Tenant's Notice but subject to the terms of this Lease;]¹³⁹

1.9 **"Price"** means:

1.9.1 in the case of a proposed assignation of the Premises [the price (excluding VAT) that has been agreed with a proposed assignee for the assignation of this Lease [or if the Tenant's Notice is served before terms have been agreed with a proposed assignee]] the Open Market Value at the date of the Tenant's Notice; or

1.9.2 in the case of a proposed sub-letting, [£1] [the Open Market Value at the date of the Tenant's Notice];

1.10 **"Rejection Notice"** means any notice served by the Landlord on the Tenant rejecting the Tenant's offer to renounce the Premises to the Landlord on the terms set out in the Tenant's Notice;

1.11 **"Tenancy Documents"** means any agreement for sub-lease, sub-leases, licences and other deeds and documents relating to the Premises; and

1.12 **"Tenant's Notice"** means a notice that:

1.12.1 contains an unconditional offer to renounce this Lease;

1.12.2 shows the Price at which the Tenant is proposing to renounce this Lease and details of how the Price has been calculated;

1.12.3 [in the case of a proposed assignation of this Lease provides:

- (a) complete and accurate particulars of the proposed assignee and any proposed guarantor;
- (b) the main terms of the transaction including any premium or reverse premium to be paid;
- (c) the latest published accounts (if any) for the proposed assignee and any proposed guarantor,

but this will not affect the Landlord's right to call for any further information to which the Landlord may be entitled on any subsequent application to assign the Premises to a proposed assignee;^{140]}

1.12.4 [in the case of the proposed grant of an sub-lease provides:

- (a) full and accurate details of and the latest published accounts (if any) for the sub-tenant and any proposed guarantor;
- (b) the length of the term to be granted;
- (c) the proposed rent (and any proposals for or the existence of any ancillary agreements relating to the rent to be reserved under the sub-lease); and

¹³⁹ This definition is required only where the Tenant has to offer to renounce the Premises to the Landlord at their Open Market Value.

¹⁴⁰ Paragraph 1.12.3 of this Part of the Schedule will not be required if the Tenant must offer to renounce the Premises before agreeing terms with a proposed assignee.

(d) the provisions for rent review,

but this will not affect the Landlord's right to call for any further information to which the Landlord may be entitled on any subsequent application to sub-lease the Premises to a proposed sub-tenant;]¹⁴¹

1.12.5 specifies the matters (including any sub-leases) to which the renunciation will be subject and the terms of those matters; and

1.12.6 is otherwise in the form contained Part 11B of the Schedule.

2. Offer to renounce

2.1 Before making any Disposal, the Tenant must serve a Tenant's Notice on the Landlord.

2.2 No Tenant's Notice may be served unless and until the Tenant has agreed heads of terms for the proposed Disposal with a potential assignee [or sub-tenant, as the case may be].¹⁴²

OR

The Tenant must serve a Tenant's Notice before marketing Premises or seeking to agree heads of terms for the assignation [or sub-letting] of the Premises.¹⁴³

2.3 The Tenant's Notice will constitute an irrevocable offer by the Tenant, which is to remain open for acceptance at any time during the Acceptance Period, to renounce the Premises to the Landlord on the terms set out in the Tenant's Notice [subject to any determination of the Price under paragraph 2.5].

2.4 Following the service of a Tenant's Notice, the Tenant must provide the Landlord with any additional information about the Disposal that the Landlord properly and reasonably requires within five Business Days of a request by the Landlord for that information.

2.5 [If there is any dispute about the Price, the matter must be immediately referred to the decision of an Independent Expert who will determine the Open Market Value. If the Landlord and the Tenant do not agree the identity of the Independent Expert, the Independent Expert will be appointed by the chair (or other senior office holder) for the time being of the Royal Institution of Chartered Surveyors in Scotland on the application of either the Landlord or the Tenant. The Independent Expert will:

2.5.1 invite the Landlord and the Tenant to submit to him a proposal for the Price with any relevant supporting documentation;

2.5.2 give the Landlord and the Tenant an opportunity to make counter submissions;

2.5.3 give written reasons for his decisions, which will be binding on the parties; and

2.5.4 be paid by the Landlord and the Tenant in such shares and in such manner as he may decide (or failing such a decision, in equal shares).]

2.6 [If the Landlord notifies the Tenant that there is a dispute about the Price, the Acceptance Period will be extended and will expire 10 Business Days after the Independent Expert gives written notice to the Landlord of his decision under paragraph 2.5. The Price will be the Open Market Value determined by the Independent Expert.]¹⁴⁴

¹⁴¹ Paragraph 1.12.4 of this Part of the Schedule will be required only where the grant of an sub-lease will trigger the offer to renounce the Premises and the Tenant must have agreed heads of terms with a proposed sub-tenant before making the offer to renounce the Premises to the Landlord.

¹⁴² These words should be included only where the Tenant must have agreed heads of terms for an assignation or sub-letting before offering to renounce the Premises to the Landlord.

¹⁴³ These words should be included only where the Tenant must make an offer to renounce this Lease before marketing the Premises in the open market.

¹⁴⁴ Paragraphs 2.5 and 2.6 of this Part of the Schedule will be required only where the Tenant has to offer to renounce the Premises at their Open Market Value and the Landlord can require that value to be determined by an Independent Expert.

3. **Acceptance Notice**
