INTERVIEW TRANSCRIPT

Interviewer: How old are you?

Boy: Thirteen.

I: What do you want to be when you grow up?

B: A professional soccer player. If that doesn't really work out, I want to be like a home designer and stuff and build homes.

I: What is your favorite animal?

B: Cheetah.

I: What is your favorite song?

B: I don't know. I love so many.

I: You do?

B: Yeah.

I: What kind of music do you like the most?

B: Um... like pop.

I: What is your favorite food to eat?

B: Steak, rib, burgers and stuff like that.

I: What is your favorite thing to do with your mom?

B: My mom? Snuggle her.

I: What do you feel are some of your greatest strengths or your coolest characteristics?

B: I'm good at soccer...

I: Yeah, you are!

B: I'm good at making friends.

I: What is one of your favorite things to do with your dad?

B: Lots of things. Probably go kart racing.

I: You have any good pick up lines?

B: I got a couple.

I: Yeah?

B: Yeah.

I: Yeah? How do they go?

B: Are you Wi-Fi? 'Cause I'm feeling a connection.

I: It's a good one. All right. You have another pick up line?

B: Yeah. Are you from Little Caesar's? 'Cause you're hot and ready.
