MS Themes

MS – Themes-- Culture of Kindness/Belonging/Resiliency

At Masco MS we promote a culture of kindness at our 7th & 8th grade assemblies at the start of the school year; “**Gotcha**” tickets – catching students in the act of doing something good; building off of the work that has already occurred

Chieftain Award

As a way to encourage and publicly recognize positive student behavior and attitudes that represent the core values of the Middle School, we award multiple Chieftain of the Month certificates. At the end of each month, each academic team chooses one or two students to be awarded the Chieftain of the Month. Based on teacher observations of consistent behaviors, demonstrated leadership, positive citizenship, a specific good deed observed, or a situation unique to a particular student, teams may nominate a student for any number of reasons

Dismissal, Absence & Tardy Policy

We want our students in school so, when possible, please try to make appointments outside the school day. Please limit travel within the school calendar. Attendance in school is important and learning takes place every day.

Dismissals: Students must have a note from home. If you are going to dismiss your child, please send them in with a note stating their name and time of dismissal. The note should be brought to the main office as soon as they arrive at school, no later than 7:35 a.m. They will be given a dismissal note to show to their teacher at the time of dismissal; and they will meet you at your car once you arrive. Please avoid last minute dismissals, when possible, in order to avoid unnecessary disruption to instructional time.

Absences: Please call the attendance line by 8:15 a.m. to report your child absent. The number is 978-887-2323 select 2 for Middle School and then 1 to leave the name of the student who will be absent. Without a note from a medical provider or other circumstances as outlined in the Student & Family handbook such as a death in the family, absences are unexcused.

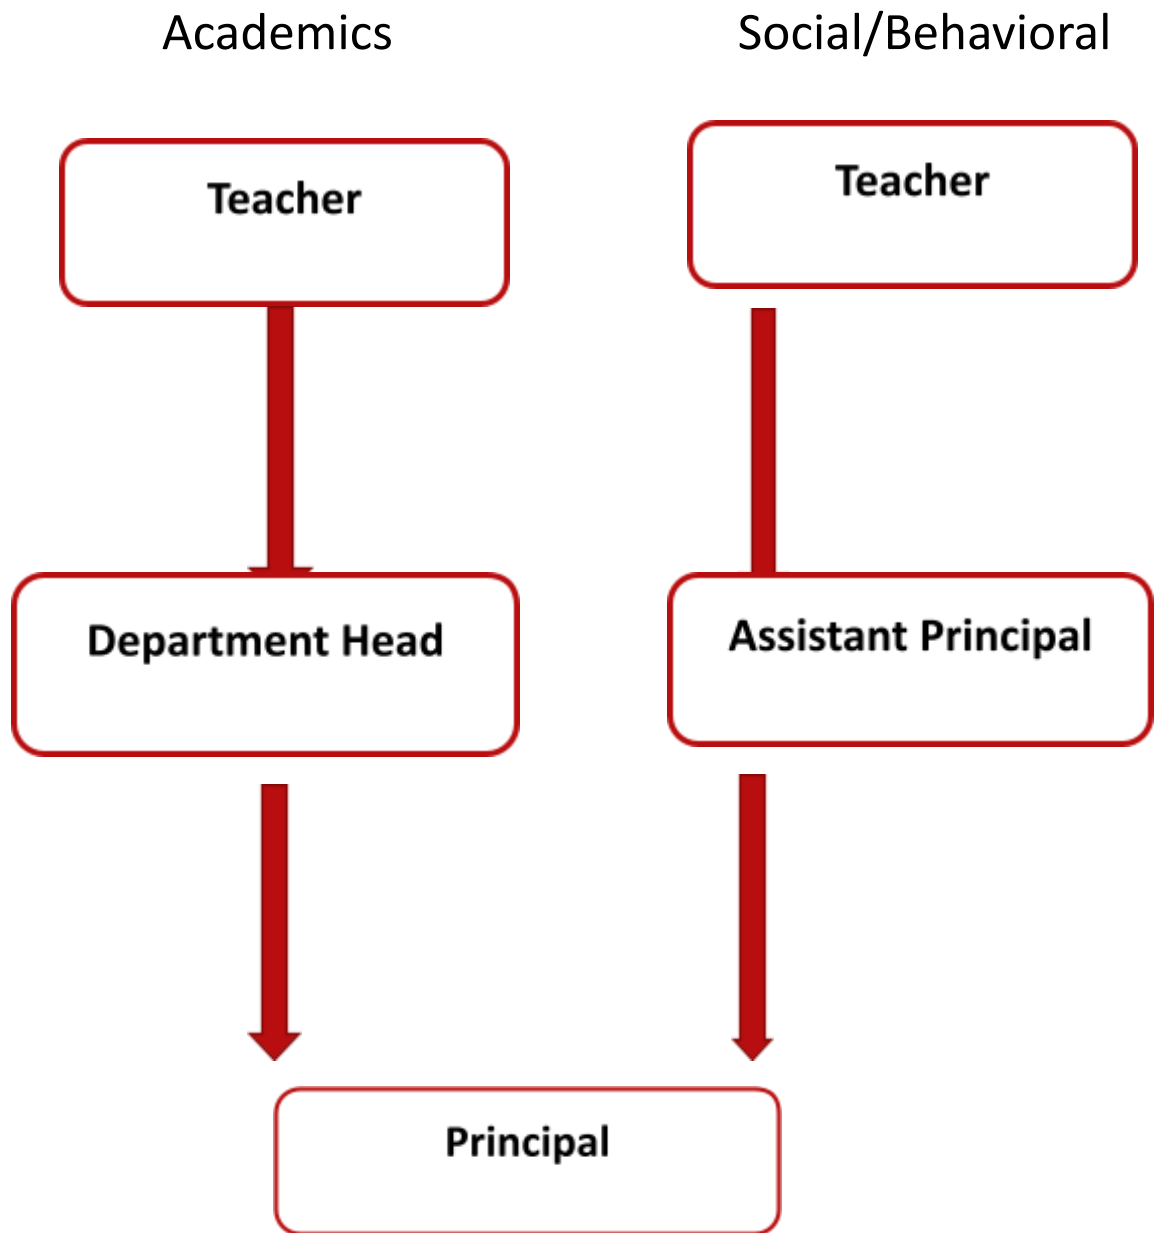

Tardies: All students who are late to school should sign in at the Middle School main office. It will be an unexcused tardy unless excused by a medical provider's note. Excessive tardy arrivals will lead to intervention by the Asst. Principal, per the Student and Family Handbook.

Make up Work: if absent, students can access Blackboard to obtain their work and email teachers if they have questions when they feel well enough if out sick. Students can coordinate with teachers when returning to school regarding class work or missed assessments.

Student Drop Off/PickUp

Students may be dropped off as early as 7:05 AM. Please help keep our staff and students safe and do not drop off or pick up on the High School side (Lot A). This interferes with student, staff and bus arrivals. Drop-off and pick-up should occur on the Middle School side parking lot, (Lot B). Students are not restricted to one door; they may use either door (Door 5 or Door 7). In order to keep traffic moving as much as possible, please pull forward as far as you can when dropping off and picking up so that others may pull in behind you. Once you are done dropping off or picking up, please continue forward around the parking lot to the exit. Use caution for pedestrians.
