Master of the poker face, but inside she's a sweetheart and deeply cares about Kiuna, her mischievous protégée.

Nicknamed Zinar by Kiuna.
She’s the love interest of Kiuna, but she doesn’t know (or does she? *wink wink*)

She can smell the odour of people she has known from a long time, from really really far away. (doesn’t know where they are, but the general direction)

Pet: a white and round hen similar to the character from “Bomb Chicken” **has a tie too**. Can fly and is powerful enough to lift Grinzaan (Kiuna’s dog)
The pet is optional for commissions.
