

Chapter 1: 336 BCE, the Jomon period

A young woman named “**Tetsu Onna**” runs into the corner of a wall in Japan and walks into an Iron Maiden that kills her.

Tetsu: *pants as exhaustion from running so much*

Tetsu: *Takes out her letter that says “**Please don’t kill me, sir! That wasn’t me who murdered the 60 year old man.**”

Tetsu looks around and sees an Iron Maiden behind her, so she walks into the device. The door slams after she touches the spikes that impale the upper half of her body.

Chapter 2: 289 AD, Ancient Greece

Athens inserts a false criminal named Tavros Epichalko into the brazen bull and his skin is melted under a fire. He screams in pain and agony. Sadly, the screams were converted into bull sounds from the steam coming out of its nose. Tavros’ remaining bones were sold as jewelry, months after he was executed.

Chapter 3: 1842, Victoria England

Enfan Pendu is being forced into child labor and was sentenced to life in prison for a theft crime that she didn’t commit. She’s later hanged in her final days of being in jail.

Chapter 4: 1994, China in East Asia

A 15 year old boy named “Laohu Deng” is strapped onto a [wooden bench with his feet on top of several bricks](#).

Laohu: *Speaks in Chinese while mildly in tears* "D-Don't do this to me please! I'm begging you. I didn't commit to falun gong."

Deng is mumbling in pain when his bones in his feet protrude from the [Tiger Bench](#) where he gets his head crushed in a head crusher.

Laohu: Mumbles in pain when both of his ankles were being dislocated from the Tiger Bench.

Laohu: **Grunts in agony from his skull being crushed by a head crusher, then his eyes pops out of his sockets and slowly passes away in the process.**
