

# At-Home Learning 2.0

## Daily At-Home Learning Schedules

### **Tatum Elementary Learning Schedules**

Teachers will structure the instructional day to ensure there are enough minutes devoted to each subject area, chunked into some recommended “LIVE” times and some the majority asynchronous “On your Own” times.

Recommended Live Meetings may include activities such as: Read alouds, Small group reading instruction, Check ins, Direct instruction by teacher (mini-lesson)

Daily “on your own” assignments are to be completed independently. These may include activities such as: Think Through Math, IXL, Education Galaxy, Choice boards, Student self-selected reading, and writing assignments. Teachers will design small group time to differentiate instruction.

Regular communication and the partnership between teachers and parents will be crucial to the success of elementary students during the At Home Learning.

Parents may be needed at home to assist their student with logging into Google Classroom, monitoring their participation and progress in the learning, and ensuring completion of asynchronous activities.

**Tatum Elementary School Virtual Conference Hours or  
Recommended Instruction Time:**

**Check your child's grade level AHL page for the weekly schedule  
The Zoom/Google Meets Link will be provided in your child's  
Google Classroom**
