

## Kuro T Gangs string fruit extravaganza

For ever 10 dex i can manipulate one more more string at a time (50 dex = 5 strings= 5 fingers etc.

Dex	Skill
10	Can manipulate one string and connect it to one other thing
31	Can cut with strings and shoot them like bullets
51	Can form a mass of string in hand making weapons or object sets and form string over ones body
81	Can create clones made out of string
121	Can use string to control multiple enemies (one per string)
151	Can attach strings to very light things (like clouds), and make string "animals"
175	Can shoot a beam of flaming hot string
190	Can shoot beam of string from any part of body (only up to two at a time), string clones can now look like other people (albeit with minor flaws)

Awakening

Philosophers string- change the material of the string you produce

name	description	dex
light	Can transform string into light material such as cotton or	200

	velvet	
medium	Can transform string into medium strength materials like iron	250
heavy	Can transform string into incredibly strong materials like steel or diamond	300

String Graveyard- turn the area around you into string and control it

move	description	dex
Pushing up white daisies	Turn your surroundings into string and control the string	200
Albino kraken	Control massive tentacles of string rivaling tall buildings in size	250
terraformation	Turn a massive amount of land into string controlling the string even miles away	300

Tarantula trap- shoot string into the air and watch it fall as it covers an island in a string cage that is incredibly strong and sharp enough to cut even den den mushi signals

move	description	dex
cage	shoot your string into the air and make a near impenetrable cage	300
shrink	Change the size of the cage to as large as an island or as small as a small room	325
Full control	Control the strings the cage is made from to attack with the cage, doing this can slightly weaken the cage	350

MOVES

dex	Name	description
30	Guillotine clothesline	Connect a razor sharp string from your collar bone to the tip of your finger and slam into the opponent with a slicing clothesline
200	Psycho Flash	Combine two overheats to make one powerful, not stronger just flashier
60	Tornado gun	Whip multiple string bullets at the enemy like an automatic weapon
100	Roundhouse reaper	Stretch a mass of string outwards from on of your legs and spin on the ground (like breakdancing) creating an AoE spinning attack
100	Monster metamorphosis (STANCE)	Cover limbs in a mass of strings offering protection and enhanced attack but lowering speed -30 speed but+15 stam and +15 strength
200	String horde	Make a horde of string mice or birds that are each connected by one almost invisible string creating a horde of guillotine animals
40	Cat scratch fever	Using all 5 fingers slash with your string like a whip.
150	Tarantula tank	Create 8 long spider legs made out of string around a ball of string (which you are inside) granting protection and looking scary
80	String Coffin	create a coffin of string and

		pull your enemy into it trapping and or killing them
