

# Accessing Student Interim Reports

myMCPS Portal

Interim progress reports for secondary students are generated centrally and delivered to parents and guardians electronically using the myMCPS Portal. Students whose parents/guardians have not yet created a myMCPS Portal account will be mailed their child's interim report to the child's primary address.

## Accessing the Report

Click **Interim Progress Report** displayed on the **Grades** page to view the interim report for the selected student.

## Printing the Report

Click the Print button  from the top right of the window. The interim report will be available online on the published interim mail date. Schools can print additional copies of the interim reports from the PDF file loaded to the school's SIMS folder.
