

“Stuff that Bus”

Once again, our Hyatt Heroes are joining the community effort to stuff a bus FULL of non-perishable items to support families in our area over the holidays. Last year was a tremendous success for our entire school community as we collected more than 10,000 non perishable items between the elementary buildings alone! As we strive to teach our children the power of community giving and care, we are also going to add some encouragement along the way!

Classrooms bringing in 100 or more items will have their choice of an ice-cream social or a movie and popcorn. The top classroom will also get a pizza party with refreshments and snacks! Similar to last year's drive, we have just over a week to compete. Please join us by donating what you can and help us Stuff that Bus!

The final day of collection is Friday, November 21st
