Prompts

The prompts are about your experiences of the COVID-19 pandemic, and politics and protests of 2020-2021.

All questions are optional. Please fill out as much or a little as you'd like!

1. How has your life changed since the beginning of the pandemic? How have you changed? Think about: your daily habits, your job, your relationships, your beliefs, etc.
2. What major life events did you experience and how were they affected? What did you do for your birthday?
3. How did you care for yourself, your family, and/or your friends? How did you keep yourself and others safe?
4. Did you believe what you heard about health and safety during the pandemic? Which messages did you trust or not trust? Why?
5. What was your personal experience with the coronavirus? Did you or someone you know get COVID-19?
6. Did you experience or witness any racial violence? Were you aware of racial violence in the news? What were your reactions/opinions?
7. Did you experience or witness political unrest or political protests? Were you aware of protests in the news? What were these groups protesting? What were your opinions or reactions?
8. How did you cope with the added stress of the last year?
9. How do you think or hope life will change after the pandemic? What are you grateful for?
