

Room 112's Weekly Newsletter

Week of September 22, 2025

"We've all got a messy, loud, weird part of ourselves hidden away. And a lot of us never let it out. But I did. How about you?"
- Meilin

News

We have a modified schedule this week for conferences. Students will be going home at 1:00 on Tuesday, Wednesday, and Thursday. There is no school on Friday. If you haven't signed up for a conference, please email me.

As a class, we are learning about the importance of time management. Students have a list of assignments to complete each week to earn their way to Fun Friday. Last week, we had zero students with completed work by Friday morning. Students use fun Friday time to complete their weekly assignments instead of playing. Hopefully, we are more successful this week! The goal is to help them learn to manage their time independently and complete assignments on time.

Our [monthly lunch calendar](#) is online only.
