By commissioning me, you are stating that you have read and agreed to these terms.

Basic ToS:

Payment expected within 24hrs

Paypal only for GBP payments

Commissioner can re-upload the image with credits given to myself in the form of a link to my Twitter (MUST be a link)

Artwork cannot be used commercially, or claimed as your own

Refunds given based on how much work is done. Read below for clarification. BY ORDERING ANY NSFW/18+ ART YOU ARE AGREEING THAT YOU ARE 18 OR OLDER.

In Depth ToS:

SECTION I. IMAGE COPYRIGHT

I, the artist, retain full and exclusive rights to the original artwork. The client may not claim it as their own or use it for anything other than personal use.

All commissioned artwork is for non-commercial purposes only. Redistribution of my artwork for use in printed merchandise or as promotion of goods, services or social media pages is prohibited. If you have any questions about this, ask me before commissioning me.

Conditions for Reposting

The client has my permission to repost the artwork wherever they would like, as long as proper credit is given (a link back to my twitter page) and my watermark/signature remains intact and unaltered.

Prohibited Actions

Altering my artwork in any way without asking for permission beforehand, with the exception of cropping/resizing the image for an icon or other use.

Use my artwork as references for your own, whether tracing or re-purposing parts of the image.
Claiming the artwork as your own.

If these terms are broken, you will be privately blacklisted from commissioning me and reported.

SECTION II. PAYMENT INFORMATION

I accept payment in GBP only. All GBP payments will be taken via Paypal only and all my Ko-fi payments will be taken via the commission widget. Do NOT send ANY money via Twitch Donate unless I specifically specify you to do so. I do sometimes take payment this way if I need the donation to get my Pay-out for the month, but more often I need actual money. Paying via Donate may result in your commission being canceled, depending on how busy I am. I cannot send the donation back and have you pay via the widget either, as sending donations back and forth like that has the potential to flag my account as fraudulent.

You will be given 24 hours to pay after a sketch is shown or a quote is given. Non-payment within 24 hours will result in the commission being canceled. Progress up to this point, if any, will be repurposed as a YCH.

It is the commissioner's responsibility to tell me when the payment has been sent. Sometimes a payment will not fall through, and I won't know about it. If you fail to tell me that you've sent the payment within 24 hours - and I know I absolutely haven't received the payment - then the 24-hour payment term applies to you.

Refund Policy

If the commission is canceled (by me or the client) before work has started, then the client will receive a full refund.

If the client cancels the commission during progress, the amount refunded will be on a case-by-case basis and up to the artist's discretion. I do have a rough basis for refunds:

Sketch: 90%

Line: 50%

Line and Flat Colour: 0% (Unless shading was included in the commission, then

15%) No refunds will be given for completed or nearly completed commissions.

The artist reserves the right to cancel a commission at any time, for any reason, and without explanation.

If I cancel the commission due to my inability to complete it at any state, a full refund will be

given.

SECTION III. CONTACT AND COMMUNICATION

Discussion of commissions can be conducted via Twitter DMs, or Discord Chat, kat_katticus
Visual Reference Guidelines

Clients must provide at least one clear and concise visual reference; please supplement the visual reference with any important information I may need to know to correctly draw the character.

Or a detailed description of the character if a visual reference cannot be given.

If you link to a gallery of your character's artwork, I cannot promise your design will be done with 100% accuracy. Design interpretations may be inconsistent between images and lessen my ability to accurately draw your character. Shading on potential pieces will also play a part in this.

SECTION IV. WILL/WON'T DRAW

Below is a general guideline for what I will or will not draw. Please keep my art style in mind when ordering; my forte is humans and animals in general. Things outside my comfort zone might not be as high of quality as something I am used to doing.

Allowed Content

Humans/Humanoids

Ferals

Most Original Species

Semi-NSFW

Monsters (Depends on what they look like.)

NSFW (Will be posted on my nsfw twitter)

Pokemon

△ Complicated Designs

Anthros

Disallowed Content

Characters intended to be or appear underage in any sexual or suggestive context.

Mecha/Gundam

Extreme Fetishes

Any sort of hateful content, such as racism, transphobia, homophobia, and characters with Nazi/Soviet/etc. imagery or paraphernalia.

You must be over the age of 18 to commission adult content. I am a United Kingdom citizen and abide by UK laws. Breaking this rule is extremely serious and will result in blacklisting/blocking on all social media, email, and any other means of contact. By ordering anything 18+/NSFW you are agreeing that you are at or above the age of 18.

SECTION V. WORKFLOW PROCESS

I work best when given some artistic freedom to create an image based on the characters you provide. I am happy to match a scene or pose that you have in mind, but please allow and expect some variation.

Estimated date to completion. If there are any delays in completion of a commission, I will personally notify the customer.

Completion of most commissions are generally estimated to take no more than roughly 1 to 2 weeks. If for any reason I cannot complete a commission within 90 days of ordering, I will issue a full refund.

Works in Progress (WIPS). Certain commission types may or may not include a sketch approval stage. I will send any wips to the commissioner in a DM on Twitter or Discord. Progress will be paused until the sketch is confirmed.

Revisions and edits. If the commission type includes a sketch approval stage, any major changes or revisions must be made at this stage; this includes any significant changes to a character's pose or body shape, or redrawing parts of the image.

After the sketch has been approved, no major edits or changes will be made. If the commissioner requests additional edits after the approved sketch, a price for the edits may be discussed.

If I, the artist, make any errors in the character design, accessories, or any other visual elements specified in the provided visual references, I will make these edits at no additional cost.

If you do not want me to post your commission online, you must tell me when you order.

Thank you for your interest in my artwork. Please don't hesitate to ask any questions!
