- **Attendance Procedures**

In addition to calling the BC attendance phone line (262-785-3994), families can also send an email to BCHSattendance@elmbrookschools.org to report an absence to school. When reporting an absence, please provide the student's name and reason for the absence. All Parents/Guardians will receive a monthly attendance summary for each of their students. Additionally, we encourage students and parents to regularly monitor attendance records by logging into Infinite Campus for review.

- **Chromebook**

For the 2024/2025 school year, when teachers require technology for instruction and assessments during class, students must use their SDE-issued Chromebooks. Student-owned devices should be closed and put away. If you're having trouble with your Chromebook or need to update it, please visit this [site for guidance](#). If the issue continues, bring your Chromebook to the BC Library for assistance.

- **College Representatives Visits**

BC Student Services continues to offer opportunities for students to connect with representatives from colleges and universities from across the country. Click [here](#) for the schedule!

- **Connect with a Teacher**

If parents/guardians need to connect with a teacher, please consider emailing rather than calling. If a phone call is necessary, please email the teacher to request a phone call.

- **School Meals**

We have an outstanding food service team at BC- quality food, service, and a great variety. Click [here](#) for instructions on adding funds to your students account. Students will access their lunch accounts with their student ID. Click [here](#) for the SDE Food Service Information for the 2024-2025 School Year.

- **Student IDs**

Students are required to have their school IDs daily. A student ID is required to enter the building anytime after 7:55am. From 7:55am-3:09pm, all students must enter through our main doors Door S1. Students use their IDs to access their lunch account, check out library books, and to gain entry to BC sporting events.

- **Week-at-a-Glance**

Each week teachers will email a snapshot of the week to parents/guardians and their students. This will include items such as learning targets, quizzes/tests/major due dates for the week.
