

APOSTOLIC ACTION

Rollo given by _____

Piety, Study and Action.

Apostolic Action is anything we do with the sole purpose of influencing others to Christ.

Apostolic Action is both an expression and a consequence of our love for God, a realization that we are sent to love our neighbor.

Authentic Apostolic action is rooted and empowered by God's love.

Apostolic action is bringing God's love to the world.

The need for Apostolic Action is vital for us and for others.

There is no Christian life without apostolic action. We must make Christianity the example and guide for a profoundly sick world.

Qualities of Authentic Apostolic Action

Reasonable and balanced.

Constant.

Enthusiastic.

Supernatural. Talk to God about your friend before talking to your friend about God.

Make a friend, be a friend, bring Your friend to Christ.

Pray first, last and always.

Apostolic action is making friends with others to make them friends of Christ.

We share Christ with our friends not for ourselves, but

for Christ,
with Christ,
in Christ and
like Christ.
