

Amendment of The Establishment of a Minecraft Server Act (addition of a server owner).

The user @shitfacedstoner is to initially be The Owner of the Minecraft Server. All future users to be The Owner of the Minecraft Server are to be appointed by the process of Article 6 of The Establishment of a Minecraft Server Act.

The following article is to be added to The Establishment of a Minecraft Server Act:

Article 6: The Owner of the Minecraft Server:

§1. The Owner of the Minecraft Server is the individual that owns the Minecraft Server.

§2. The Owner of the Minecraft Server is to be responsible for ensuring that the Minecraft Server continues to function.

§3. The Owner of the Minecraft Server is not to utilise any power associated with being the individual that owns the Minecraft Server except to enact decisions of the users of the Minecraft Server or to support the Governor with any work the Governor asks for support for.

§3.1. The addition of any 'plugins' or 'mods' to the Minecraft Server that alters a non-moderating players experience of the vanilla game, or any other alteration to that effect, must be decided via the process of establishing a server law to add such to the Minecraft Server.

§3.2. The Owner of the Minecraft Server may act within a capacity as a 'competent authority' as established by the Counter Terrorism and Security Act, additionally where server law specifies The Owner of the Minecraft Server may apply emergency moderation for violation of server law if the Governor is offline however requires retroactive agreement from the Governor or the moderation decision is revoked.

§3.3. The owner of the Minecraft server is to assist the SDBI and state prosecutors of SimDemocracy if there is any infringement of SimDemocracy law within the Minecraft server if specifically requested by the relevant authorities.

§3.4. The Minecraft Server Owner is to be granted a special flair within the discord server of SimDemocracy and a discord channel specifically for users of the Minecraft Server to be able to ask questions or report issues to The Minecraft Server Owner about the Minecraft Server.

§4. The Owner of the Minecraft Server is appointed by the President, requiring a $\frac{2}{3}$ vote of support by the Senate and a simple majority vote of approval by the users of the Minecraft Server.

§4.1. The Owner of the Minecraft Server may be removed from office either by a removal by the President which requires a majority vote in favour by the Senate to be enacted, or via a $\frac{2}{3}$ vote to impeach by the Senate which requires a $\frac{2}{3}$ vote of support for the impeachment from a public referendum for the impeachment to be enacted.

Additionally, Article 2: The Governor of the Minecraft Server: §1.2.

§1.2 The Governor of the Minecraft server may be removed from office either by a removal by the President which requires a majority vote in favour by the Senate to be enacted, or via a $\frac{2}{3}$ vote to impeach by the Senate which requires a $\frac{2}{3}$ vote of support for the impeachment to be enacted.

Is to be amended to be:

§1.2 The Governor of the Minecraft server may be removed from office either by a removal by the President which requires a majority vote in favour by the Senate to be enacted, or via a $\frac{2}{3}$ vote to impeach by the Senate which requires a $\frac{2}{3}$ vote of support for the impeachment to be enacted.
