

MOVIE “WONDERS OF WEATHER”

DESCRIBE THE FOLLOWING OR LIST EXAMPLES FOR EACH:

WEATHER MACHINE: 13:00 MINS

HURRICANE: 13:00 MINS

TORNADO: 11:00 MINS

THINGS THAT FALL FROM THE SKY 7:00 MINS

DISCUSSION QUESTIONS:

How does the jet stream influence our weather?

What are some of the new technologies scientist are using to predict weather extremes and how are they helping society?

How do meteorologists track storms and what equipment do they use to predict when the next hurricane or tornado will come?

What are some of the things cities have done after experiencing a hurricane?
