Description:

In 2025, Sisaket Rajabhat University generated a total of 1.10 tons of paper and plastic waste, consisting of 1.00 ton of paper waste and 0.10 ton of plastic waste. Compared to 2024, both paper and plastic waste generation decreased as a result of the university's waste reduction initiatives, including the implementation of an electronic document management system, online meetings, double-sided printing practices, reusable containers, and plastic reduction campaigns.
