

February 2025

To whom it may concern,

My name is Dawn Boutin, and I am writing on behalf of SIRIUS about ACCEPTANCE, a nonprofit foundation inspired by my son, Sirius. Our organization is dedicated to educating the community, and promoting inclusion, acceptance, and awareness of special needs individuals.

On May 10, 2025, SIRIUS about ACCEPTANCE will be hosting its second annual Autism Walk at Mixville Park in Cheshire. This event serves to create a more understanding and supportive community by fostering awareness and breaking down barriers, ensuring that every individual, regardless of ability, has the opportunity to thrive and be embraced for who they are. All proceeds from the event will be used to empower children and families impacted by special needs by providing access to essential services, activities, transportation, and daily necessities

In order to make a positive impact, we rely on the support of generous individuals and businesses within our community. We would be most grateful if your company would consider donating a gift card/certificate, service, or gift basket for the raffle at the event.

Please contact me at (475) 318-4518 if you are able to support our efforts to make a difference in the community and the lives of people with special needs and their families. Thank you for your kind consideration. We look forward to hearing from you.

Sincerely,

*Dawn Boutin*
