

Imagine that you are visiting the Prado Art Museum in Madrid. They have many of Diego Velázquez's paintings on display! As you visit the museum, you jot down your ideas in a journal. Of course you're writing your journal in Spanish to get lots of practice! You write yourself notes describing the paintings. Be sure to say WHERE people are located in relationship to others!

3 of Diego Velázquez's paintings will be posted on the hc2spanish.blogspot.com website for you to complete this assignment. Please write your response on a separate sheet of paper.

Journal Entry:

	1 pegatina	2 pegatinas	3 pegatinas
Length	You describe the painting(s) with 3 sentences or fewer.	You describe the painting(s) with 4-6 sentences.	You describe the painting(s) with more than 7 sentences.
Vocabulary (place words)	You use the same 1-3 "place words" to describe the paintings.	You use 4-6 different "place words" to describe the paintings.	You use 7 or more different "place words" to describe the paintings.

BONUS QUESTION: Painting #1 and Painting #2 depict two different Bible stories. Which ones do you think they are? If you get them both right, you earn an extra pegatina!!

**You may use an online dictionary (I recommend wordreference.com) to look up 3 new words. Please list any new words you look up!
