Azure: "Gah, I can't concentrate! I can't stop thinking about-"

Fall: "Give it a rest. We know what her reaction's gonna be like regardless."

Rhythm: "Remember what we planned to do. If we stick to that, we're sure to be fine."

Azure: "Yeah... Alright, no more worrying! Let's get back to-"

Echo: "Everyone, any second now..."

???: "..."

Crow: "..."

## Area Conversation

Azure, Rhythm, Fall, Echo: "Crow, Happy Birthday!"

Crow: "Mm."

Fall: "Sigh... Some reaction, alright..."

Rhythm: "But that's what we expected."

Azure: "And that's exactly what we planned for!"

Echo: "Okay, enough chatter. Let's get back to rehearsals."

Azure, Rhythm, Fall: "Okay~."

Crow: "Eh..?"

Echo: "Hm? What's wrong? Were you expecting something different?"

Crow: "...Of course not. No matter what day it is, the work stays the same."

Fall: "Right, right... So you won't mind if we cancel the party, yeah?"

Crow: "What..?"

Azure: "You don't want to interrupt the rehearsal, right? So we're holding your birthday party afterwards!"

Rhythm: "Echo was so kind to book quite a nice local for the occasion."

Echo: "Hey, I just did what anyone would have done. But there's one important piece we need to know."

Echo: "Whether this celebration goes through or not is all your choice, Crow."

Echo: "So? What do you say?"

Crow: "..."

Azure, Rhythm, Fall: "..."

Crow: "...So be it..."

Azure: "Alright~!! Fall, she said yes!"

Fall: "I heard, I heard, geez..."

Rhythm: "Fufu~... Make sure you use that energy to impress Crow today."

Crow: "You can start by getting back to practicing. No matter what today is, we're in a rehearsal, so get to it."

Azure, Rhythm, Fall: "Yes, ma'am~!"

Crow: "Sigh..."

Echo: "Crow."

Crow: "What is it, Echo?"

Echo: "Thanks."

Crow: "...Save it for the party..."
