

1. Introduction

Welcome to AI Solve - Math & Homework Solver! At AI Solve, we are committed to ensuring the privacy and data protection of our users. This Data Privacy Policy outlines our approach to handling data, including non-personal data such as analytics, crash logs, and performance data.

2. Data Collection

AI Solve collects non-personal data, including but not limited to analytics data, crash logs, and performance data. These data points help us improve the quality and performance of our app.

3. Information Usage

The non-personal data collected is used solely for the purpose of enhancing our services, identifying and resolving technical issues, and improving the user experience. We do not use this data to identify or track individual users.

4. Cookies and Analytics

AI Solve may use cookies and analytics tools, such as Google Analytics, to better understand user interactions with our app. These tools help us track app usage, identify trends, and diagnose technical issues. While these tools may collect data, it is not used to identify individual users.

5. Compliance with Data Protection Laws

AI Solve is committed to complying with data protection laws and regulations worldwide, even when handling non-personal data. We respect the privacy norms and expectations of our user base.

6. Updates to this Policy

We may update this Data Privacy Policy occasionally to reflect changes in our services or any necessary compliance with data protection laws. Please check this page for the most up-to-date version of our policy.
