

**BB9400 Board Self-Evaluation
Board Bylaws**

**Status: ADOPTED
June 13, 2016**

The County Board of Education may choose to conduct a self-evaluation in order to demonstrate accountability to the community and ensure that governance effectively supports student achievement and the attainment of the County Board's vision and goals.

The evaluation may address any areas of County Board responsibility, including, but not limited to, County Board performance in relation to vision setting, finance, policy, and community relations. The evaluation also may address objectives related to County Board meeting, relationships among County Board members and with the County Superintendent of Schools, understanding of County Board and County Superintendent roles and responsibilities, communication skills, or other boardmanship skills.

The County Board shall be evaluated as a whole. Individual County Board members also are encouraged to use the evaluation process as an opportunity to privately assess their own personal performance.

Any discussion of the County Board's self-evaluation shall be conducted in open session. At the request of the County Board, a facilitator may be used to assist with the evaluation process. The County Board may invite the County Superintendent or others to provide input into the evaluation process.

Following the evaluation, the County Board shall develop strategies for strengthening its performance and shall establish priorities and objectives for future evaluations.
