2022 -2023

Lumen Scholar Institute received **\$71,489.00** in discretionary money to spend for academic improvement for the 2022-2023 school year.

2021-2022

Lumen Scholar Institute received **\$71,489.00** in discretionary money to spend for academic improvement for the 2021-2022 school year.

2020-2021

Lumen Scholar Institute received **\$43,602.00** in discretionary money to spend for academic improvement for the 2020-2021 school year.

2019-2020

Lumen Scholar Institute received **\$47,593.00** in discretionary money to spend for academic improvement for the 2019-2020 school year. Our Trust Land Council (TLC) and Board of Trustees voted to spend the funds to achieve the following goals:

1. Improve student reading literacy in Kindergarten through 6th grades, using 3rd grade as our target population
2. Improve student writing skills in Kindergarten through 12th grades, using 8th and 9th grades as our target population
3. Increase the number of Kindergarten through 12th grade

students making progress toward grade level for math, using
6th grade and 9th grade as our target population
