SURROGACY

Kayley is a 23 year old, married, Caucasian female who will only carry for a Christian, Caucasian, heterosexual couple. Kayley lives in Easley, South Carolina with her husband Brandon and their four children.

Kayley is 4'11" and weighs 139 pounds and has a BMI of 27.5. She speaks English and is a US Citizen. Kayley describes herself as outgoing. She said that she loves to be outside with her kids, ride 4-wheelers, go fishing, and spend time at the lake or the beach.

Kayley does not have surrogacy friendly insurance. She will need a policy purchased by the Intended Parents.

Kayley is a stay at home mom. Her husband, Brandon, works as an underground foreman. He makes \$23 an hour.

Kayley graduated from Pickens High School in 2019. She later attended Tri County College but did not finish her degree.

Kayley has never been a surrogate and has never donated eggs. Kayley has had four pregnancies. She has not had any miscarriages or abortions. Kayley has never placed a child for adoption and does not have any deceased children. Kayley's first child, a daughter, was born on May 17, 2017. She weighed 6 pounds 9 ounces and was born at 39 weeks 5 days. Her second child, a son was born on September 29, 2020 and was born at 39 weeks. Her third child, another son, was born on June 18, 2023. He weighed 7 pounds and was born at 38 weeks 3 days. Her last child, another daughter, was born on November 30, 2024. She weighed 7 pounds 9 ounces and was born at 38 weeks 2 days. All deliveries were vaginal deliveries. Kayley states that there were no complications with either pregnancy or delivery. After the birth of her second child, Kayley had a spinal headache and had to return to the hospital for a blood patch to help with the spinal headache. Kayley and Brandon have custody of their children. Her children are healthy with no psychological or behavioral problems. Kayley is currently not breastfeeding. Kayley has not gone through fertility treatments to become pregnant.

Kayley has a regular period that lasts for 6 days. Kayley has an IUD in place and knows that it will need to be removed once she matches. Kayley states that her mother did not take diethylstilbestrol (DES) while pregnant with her to the best of her knowledge.

Kayley's last pap smear was conducted on January 20, 2025 and was normal, HPV negative. She has had an abnormal pap smear in the past but the follow up was normal. She has never been treated for HIV/AIDS. Kayley has never suffered from depression. Kayley has never seen

a psychologist or any other mental health professional. She has never been prescribed psychiatric medications.

Kayley nor Brandon smoke cigarettes, vape, or use any smokeless tobacco. Kayley does not drink alcohol. Kayley denies any drug use. Kayley has never used any illegal drugs. Kayley has never been diagnosed with any of the following: HPV, HSV, hepatitis C, HIV, hepatitis B, chlamydia, herpes, genital warts/sores, gonorrhea and syphilis.

Kayley nor Brandon have any legal claims/cases pending at this time. She has never been arrested or had conflicts with the law, been convicted of a felony, been accused and/or convicted of child abuse or spousal abuse, lost custody of a child, been in a substance abuse program, or declared bankruptcy.

Kayley has discussed becoming a surrogate with her husband and family and states that she has a great support system. Kayley has no concerns about sharing her surrogacy journey with her children. Kayley states that there isn't anyone that she is aware of that is against her desire to become a surrogate. Kaylee's sister is a two time surrogate with Await and opened her eyes to the beautiful journey of surrogacy..

Kayley is only willing to carry for a Christian, heterosexual, caucasian family. Kayley stated that she wants to become a surrogate because she is done having children and wants to help grow another family.

Kayley is willing to have selective reduction or an abortion for any reason the Intended Parents choose unless the baby is healthy and they just changed their minds. She is willing to transfer up to two embryos at a time. She is willing to carry twins and triplets if the embryo splits. She is willing to have a selective reduction in the event of a triplet pregnancy only if it is medically necessary. She is comfortable with the Intended Parents taking pictures during this journey. She is comfortable with the intended parents being at doctors appointments and being in the delivery room. Kayley stated that she would like as much communication as the Intended Parents want or need. Kayley would like to stay in contact after birth if the family feels the same way.

Kayley is not willing to get the flu vaccine or the Covid vaccine.
