AS INTRODUCED

A Resolution urging the Oklahoma State Regents for Higher Education and the Oklahoma State Government to require colleges and universities to include OBI donor information on course syllabi and institution marketing material.

WHEREAS, OBI, also known as Oklahoma Blood Institute is a vital nonprofit that supplies blood to Oklahomans in need; and

WHEREAS, according to OBI.org, more than 1.2k donations are needed every day for local hospitals; and

WHEREAS, many colleges and universities communicate key information to students through course syllabi and institutional marketing materials, making them effective channels for increasing awareness of OBI donor opportunities and encouraging student participation in blood drives, thereby positively impacting community health and emergency preparedness across Oklahoma.

NOW, THEREFORE, BE IT RESOLVED BY THE OKLAHOMA STUDENT GOVERNMENT ASSOCIATION THAT:

1. The Oklahoma Student Government Association urges the Oklahoma State Regents for Higher Education and the Oklahoma State Government to strongly suggest the inclusion of OBI donor information and upcoming drive schedules on course syllabi and institutional marketing materials across all public colleges and universities in the state.
2. A copy of this resolution be sent to the following individuals:
