Introduction to Beyond Me Entertainment & Beyond Me Initiative

"Beyond Me Entertainment" (referred to as "Beyond Me," "BME," "The Social Enterprise," "The Record Label", "The Entertainment Company", "The organization," "We," "Us," "Our," or "The Company") is an Indiana-based L.L.C. comprising a for-profit entertainment company division and a charitable division, Beyond Me Initiative. Although these divisions are distinct legal entities, they collaborate under the Beyond Me Entertainment brand and concept model.

As a social enterprise, our mission is to inspire people to live beyond themselves through service, generosity, and compassion. Guided by our "Live Beyond You" (LBY) ethos, we provide products, services, and experiences that empower our supporters to advance our social mission. These offerings come together in our "Live Beyond You" Inner Circle of Impact—an integrated network of brands aligned with our values and core objectives.

Within this circle, our affiliated brands address different areas of positive change: LBY Service Challenge promotes community engagement; Beyond Me Music Group focuses on uplifting music; The BackStage Pass fosters a network of changemakers; Beyond Me Merch shares uplifting messages through merchandise; Beyond Me Academy provides online courses, mentorship, and life coaching; and our Beyond Me Online store offers digital products, merchandise, and additional services. To streamline our communication, we collectively refer to these offerings as the "Beyond Me Experience."

The brands under our organization, affiliated with Beyond Me Entertainment, are officially known as following: Live Beyond You Service Challenge, BackStage Pass, Beyond Me Music Music Group, Beyond Me Academy, and the Beyond Me Online Shop. Here's a brief overview of each brand affiliate:

Live Beyond You Service Challenge: This service challenge promotes community engagement, service, and compassion. Our fans purchase music bundles, which triggers a donation from one of our corporate sponsors. They then serve locally with a charity close to their hearts and share their service stories in short videos. These videos submit their chosen charities into a raffle, with a chance to win up to \$5,000 in grant funding for projects that bring healing and alleviate human suffering in their communities. The funds we raise are pooled together to support this charitable competition.

The BackStage Pass: Often referred to as “The Membership or Subscription Community,” the BackStage Pass is our monthly service subscription that fans can opt into for access to our media library, merch, music library, virtual experiences, community, ambassador program, our exclusive group called the Community Circle, our online learning programs and educational courses, and many other gated features not available to the general public. Members have opportunities to interact with our team and other members in a more relational way through forums, social media groups, and Discord. They have access to our recording artists and leadership team almost every month. We continue to add new features, events, and opportunities for our members every month. To get started and become a member, all you need to do is pay the monthly subscription fee, create an account, and start enjoying the benefits right away. Members can cancel their subscription at any time—there are no contracts. However, members who purchase an annual plan can opt out of having their plans renewed automatically for the following year. If they cancel their annual subscription early, they won’t receive a refund or store credit, so please be aware of this.

Beyond Me Music Group: This music group consists of recording artists focusing on hip-hop and pop-rap, along with singers, producers, and other creatives making music with Beyond Me Entertainment. The group was founded by Watson Tunez in 2013 at Anderson University, Indiana, to create positive and uplifting tunes that benefit those in need.

Beyond Me Online Store: This is where fans can buy physical merchandise, tickets to our events, the latest music, media, etc. The store is connected to our Community Portal, which gives fans access to everything they buy. To protect our content from being illegally downloaded or shared without our permission, it is placed in a secret portal (or a private membership area) that only allows access to those who pay for it. This type of content is not available to the public and never will be—the only way to access it is through payment and entry via the BackStage Pass Portal.

Now that you know our products, services, and the experiences we offer, we want you to know that we stand behind all of them. We value the support of our customers, fans, and community. Your engagement and contributions are crucial to our mission, and we strive to ensure your satisfaction. By engaging with us through any transaction, participation in our activities, or

online communication, you agree to abide by these rules, policies, terms, conditions, and regulations. If you do not agree with our terms, conditions, or policies, please do not make any purchases with us, engage with us online, or participate in our offerings. By doing so, we assume you have read our terms, conditions, refund policy, and agree to abide by them.

Beyond Me Academy: Many online learners struggle to complete courses due to a lack of accountability and support. To address this, the Beyond Me Academy offers a 13-week coaching and mentorship program focused on step-by-step guidance and personal attention. Students receive weekly one-on-one sessions with experienced coaches who have applied the course principles to achieve success in their own lives. Through these tailored meetings, learners gain encouragement, accountability, and practical strategies, helping them not only excel in their coursework but also grow personally and professionally.

The “Live Beyond You” Brand Concept

"Live Beyond You" (LBY) reflects a lifestyle, philosophy, and mindset that we promote through our products, experiences, events, music, merch, media, and services. It encourages us and others to use our gifts and creativity for social good, positively impacting ourselves, our families, communities, and the world. We inspire others to thrive through actions rooted in our core values: love, compassion, service, generosity, and resilience.

LBY is about cultivating a positive lifestyle and mindset—one that is productive, abundant, successful, and meaningful. While this may look different for each individual, for our brand, it signifies growth and the pursuit of becoming our best selves. As we strive to live beyond ourselves, we invite others to join us on this journey. Positive change is a collective effort, and through LBY, we aim to build a community of like-minded individuals dedicated to being part of something bigger than themselves.

In a world facing many challenges and social needs, we feel called to use our talents, time, and resources to help bring healing and do social good, starting in our own communities. By embracing the LBY mindset, we can contribute to alleviating human suffering and be part of the solution.

Abiding by Beyond Me's Core Values

At Beyond Me, we are guided by five core values: love, service, generosity, compassion, and resilience. These principles shape our approach to business and interactions:

- **Service:** Actively improving others' lives through thoughtful, proactive actions.
- **Resilience:** Overcoming challenges with adaptability, persistence, and a positive mindset.
- **Generosity:** Embracing a mindset of abundance, sharing freely and without expectation.
- **Compassion:** Understanding and empathizing with others, and taking action to alleviate suffering.
- **Love:** Balancing self-care with caring for others, fostering harmony in relationships and communities.

While we are not affiliated with any religious or belief system, we believe in helping others regardless of their background, personal beliefs, or identity. Our values are about creating positive change and fostering a community built on empathy, kindness, and mutual support.

Prohibited Content and Conduct

We strictly prohibit the use of profanity, smoking, drugs, violence, and the degradation of women in our music, media, events, experiences, merch, and any method of communication. We also refrain from any association with these behaviors, as they undermine our positive image and values. Our goal is to respect individuals, uphold family values, and promote a healthy, inspiring lifestyle that treats everyone with dignity and respect, regardless of their background.

Beyond Me Entertainment is committed to moral integrity and uniting people for a greater cause. Such negative acts not only create controversy and division but also alienate our audience, who seek uplifting and positive experiences. We ask our customers, fans, partners, and sponsors to respect this non-negotiable policy. Our aim is to build meaningful relationships, avoid offense, and conduct business in a positive, honest, and respectful manner.

No Solicitation Policy

We have a rule that you can't ask people to buy things or promote products during our virtual or in-person events, experiences, concerts, meetings, or online groups. This helps everyone focus and enjoy the event without interruptions. This rule applies to all our virtual and live events, including meetings, workshops, social media groups, concerts, and more.

The Live Beyond You Service Challenge is designed to empower individuals and charities to make a meaningful impact through service, focusing on addressing human suffering and promoting healing, rather than engaging in political change or tackling controversial issues that may lead to further debate. In other words, our goal with the Service Challenge is to swiftly find common ground and unite to alleviate human suffering, rather than getting caught up in political debates and controversial issues, while those in need continue to suffer.

Here are some examples of causes and humanitarian initiatives that Beyond Me Initiative has supported with grants through the LBY Service Challenge. Artist Creativity and Expression

At Beyond Me Entertainment, we value and support the creative freedom of our artists. They are encouraged to express their opinions and perspectives on political and social issues through their music, interviews, podcasts, and other platforms. However, these individual expressions and opinions remain personal and are not officially associated with Beyond Me Entertainment or Live Beyond You affiliated brands. We respect each artist's right to their own views and aim to support their self-expression as long as it aligns with our policies, upholds our image, and adheres to our core values and social mission. Beyond Me Initiative does not endorse or support the political beliefs, actions, or opinions of our artists.

Charity Fund Allocation and Selection Criteria

Not all charities will receive funding through our challenge. Charities must meet specific criteria outlined in our “In It to Win It” regulations to be eligible. Over the years, we've learned that not every charity fits the challenge’s parameters, and we want to ensure that the funds are used effectively to create tangible, documentable impact that inspires further charitable acts.

In It to Win It Rules & Regulations

Charities are selected based on their project proposals, not solely through random drawing. The selection is based on whether the project aligns with our criteria and rules, and the final decision involves our board of directors, judges, and committee leaders. The projects must demonstrate their potential for visual documentation, self-sustainability, and achievement within a 3-month period. Projects must also avoid political motives, content and activities.

Minimum Criteria for Project Eligibility:

- **Visual Documentation:** Projects must be visually documentable, featuring step-by-step videos that showcase their impact like a docu-series or TV show, including interviews and a story-like progression of the transformation.
- **Self-Sustainability:** Projects should demonstrate the ability to continue thriving after the initial funding.
- **Achievability:** Projects should be largely achievable within a 3-month timeline.
- **Non-Political:** Projects must not focus on political figures, policy changes, or any politically motivated activities.
- **Core Values:** Projects should reflect Beyond Me's values of love, compassion, generosity, service, and resilience.

Application Process:

Nonprofits must submit a clear project proposal and a transparent budget, detailing how the funds will be used and why they are essential for the project's success. They must also agree to adhere to all policies and conditions set by Beyond Me Entertainment, Beyond Me Initiative and its affiliated brands.

Live Beyond You Service Challenge Process:

The Live Beyond You Service Challenge is carried out in five phases:

1. **Initiation Phase:** Fans purchase a music bundle or subscribe to Beyond Me's BackStage Pass on Beyond Me's non-profit website (LiveBeyondYou.org), register their group and chosen charity (LiveBeyondYou.org), and begin serving in their local communities. As they serve, they submit 2-minute videos showcasing their service. Each video acts as a "ticket" for their chosen charity to enter the challenge raffle. The more video submissions a charity receives, the more "tickets" they have in the raffle, increasing their chances of winning funds. However, the charity must also develop a project that needs approval from the LBY Service Challenge Committee and a panel of judges, which sometimes includes corporate matching donors to keep them engaged.
2. **Project Proposal Phase:** After being entered into the challenge, the charity submits a project proposal and completes a questionnaire to ensure they meet the challenge's criteria, should they be selected as a winner.
3. **Selection Phase:** Once the charity and its project are approved by the LBY Service Challenge Committee, board of directors, and panel of judges, the winners are drawn

through a raffle. Charities with more video submissions have more entries in the drawing, increasing their chances of being selected.

4. ***The Documentation phase:*** If selected as a winner in the charity raffle, charities take on ***the 90 days of impact initiative***. The "90 Days of Impact" initiative by Beyond Me Initiative is a dynamic program designed to inspire and empower charities to maximize their reach and effectiveness within a 90-day timeframe. The program includes a structured competition where charities receive initial funding, set goals, and report weekly progress, while all their work is being documented, step by step on video. Throughout the competition, they engage the community, collaborate with other organizations, and undergo impact audits to ensure accountability. The initiative culminates in a final presentation event, with awards given for various categories of impact. The program encourages innovation, collaboration, and long-term impact, with follow-up grants and an alumni network for ongoing support.
5. ***The celebration finale:*** This event is known as "Beyond Me Night," a special day dedicated to celebrating the accomplishments of the charities, volunteers, and everyone involved with the Live Beyond You Service Challenge. We host a banquet featuring food, entertainment, music, and inspiring speakers to foster the "Beyond Me" spirit and embrace the philosophy of living beyond ourselves. The event also includes awards and recognition for outstanding service to humanity.

Now that you have an overview, here's a little bit more in depth about how each of these steps occur:

1. The Initiation Process (Fan Participation)

- d. Awards and recognition is given to celebrate the humanitarian spirit and impact of our service groups, charities, corporations, community leaders, etc.

90 Days of Impact: Driving Change with Beyond Me Initiative

At Beyond Me Initiative, we are dedicated to pushing the boundaries of what is possible through our "90 Days of Impact" concept. This initiative is designed to inspire and incentivize charities to maximize their reach and effectiveness within a set timeframe, fostering community, collaboration, and accountability. Here's how we envision structuring this transformative competition:

1. Project Launch Day

- **Kickoff Event:** We'll begin with a live or virtual event where each participating charity will present their project goals, timelines, and expected impact. This is a powerful moment to set the tone and build excitement.
- **Initial Funding Distribution:** Every charity will receive seed funding to help launch their projects, ensuring they have the resources they need to make an immediate impact. The funds each organization was awarded with are distributed in staggered segments. In order for charities to receive more funding, they must complete their objectives, goals, and certain impact milestones.

2. Video Documentation & Weekly Progress Milestones

- **Video Documentation:** As each charity completes their project, a camera crew can document their day-to-day activities, or the organization may choose to send in their own video footage and progress reports. The crew will also conduct interviews with donors, employees, volunteers, community leaders, and others involved in making the project a reality or those benefiting from the charity's efforts.

- **Milestone Reports:** Each week, charities will submit progress reports outlining their achievements, challenges, and the number of lives they've touched. This keeps the momentum going and ensures everyone stays on track.
- **Impact Audits:** We'll conduct random or scheduled impact audits to ensure the accuracy and integrity of the outcomes being reported.
- **Bonus Challenges:** To keep things dynamic, we'll introduce surprise challenges or mini-competitions. Completing these successfully can earn charities additional resources or funding.

3. Community Engagement

- **Public Voting:** We'll empower the public to vote weekly for their favorite projects. Charities with the most votes will receive bonus points or additional funds, driving community involvement.
- **Volunteer Mobilization:** Charities will be encouraged to engage local volunteers in their projects, with rewards for those who can mobilize the most community support.
- **Social Media Campaigns:** We'll incentivize the use of social media with additional funds awarded for creative and high-engagement campaigns, expanding the reach and visibility of each project.

4. Partnerships and Collaborations

- **Collaboration Points:** We'll award points or extra funding to charities that collaborate with other organizations, businesses, or influencers, amplifying their collective impact.
- **Resource Sharing:** A platform will be available for charities to share resources, expertise, and tools, fostering a spirit of collaboration over competition.

5. Impact Metrics and Accountability

- **Impact Scorecards:** We'll develop scorecards that measure each charity's impact based on criteria such as the number of lives touched, sustainability of the project, and innovation.
- **Real-Time Dashboard:** A real-time dashboard will allow charities to track their progress and see how they rank compared to others, adding a layer of transparency and motivation.

6. Final Impact Presentation (Beyond Me Day Celebration)

- **Closing Ceremony:** The competition will culminate in a high-profile event where charities will present their final results, share stories of impact, and discuss key learnings.
- **Keynote speakers & Motivational speakers:** At Beyond Me Day, there will be special speakers that will come and be part of the event and speak encouragement and an uplifting message to all attendees.
- **Beyond Me Music Group and special guests:** Our recording artists will put on a concert for all in attendance and put on entertainment that is positive, uplifting, and inspirational to match some of the messages of the speakers.
- **Food, prizes, and refreshments:** The event will be a banquet where lots of good food will be served as we celebrate humanitarian achievement and service to help alleviate human suffering.
- **Award Categories:** We'll offer awards in various categories, such as "Most Lives Impacted," "Most Innovative Approach," and "Best Community Engagement," celebrating diverse aspects of impact.
- **Future Funding Opportunities:** We'll also announce future funding opportunities for top-performing charities, helping them to continue or expand their work beyond the 90 days.

7. Post-Competition Follow-Up

- **Impact Continuation Grants:** We'll provide follow-up grants to charities that demonstrate the potential to continue their impact beyond the 90 days.
- **Case Studies:** Success stories and lessons learned from the competition will be documented and shared, inspiring future projects and competitions.
- **Alumni Network:** We'll create an alumni network for participating charities to continue collaborating and sharing best practices long after the competition ends.

The "90 Days of Impact" concept is not just about achieving results within a short period but also about building a lasting community of organizations dedicated to making a difference. Through this initiative, we aim to foster a spirit of innovation, accountability, and collaboration that extends far beyond the competition itself.

How funds are distributed for the LBY Service Challenge

At Beyond Me Initiative, we're committed to ensuring that charities participating in the Live Beyond You Service Challenge are accountable and effective with the funds they receive. Here's how we make that happen:

1. **Outcome-Based Funding:** We tie a portion of our funding to specific outcomes or impact metrics. Charities must demonstrate progress towards these goals to receive the full funding.
2. **Performance Reviews:** We conduct regular performance reviews or checkpoints where charities present their progress and plans. Based on their demonstrated impact and transparency, we adjust funding accordingly.
3. **Escrow or Staggered Payments:** We hold a portion of the funds in escrow or release them in stages, depending on whether milestones are achieved or if there's responsible use of previous funds.
4. **Impact Reporting:** We require detailed impact reports and financial statements from charities, showing how funds are used and what outcomes are achieved. These reports are made publicly accessible or shared with donors and stakeholders to maintain transparency.
5. **Peer Reviews or Evaluation Panels:** We establish panels of experts or peers to review and provide feedback on each charity's performance and impact. Their assessments can influence future funding decisions.
6. **Capacity Building Support:** We offer additional support and resources, such as training, mentorship, or networking opportunities, to help charities improve their ability to achieve their goals effectively.
7. **Risk-Sharing or Co-Investment:** Charities performing exceptionally well during the impact challenge have the opportunity to win additional funding. If they conduct successful fundraising and gather more support for their initiatives, Beyond Me Initiative will match their efforts and offer rewards based on their impact. However, this is discretionary and awarded based on their ability to achieve humanitarian goals.

8. **Feedback Loops:** During the 90 days of impact, we create mechanisms for feedback from beneficiaries, stakeholders, and donors to gauge satisfaction and effectiveness. This feedback influences future funding decisions.
9. **Documenting the Progress:** With permission, we interview and shadow the organization as they work to complete the charity challenge within the 90-day window. We reach out to board members, donors, stakeholders, community members, volunteers, and others affiliated with the organization to document their progress and amplify their impact.

By incorporating these approaches, we encourage the responsible and impactful use of funds, motivating charities to meet their goals effectively in the Live Beyond You Service Challenge.

Termination

We may end these Terms and your right to use our services at any time and for any reason without notice. If we terminate or your access expires, we might remove and discard any materials or content from the Membership Community, and you may no longer be able to access them. We have no obligation to keep this information in our databases or to send it to you or anyone else. After termination or expiration, any provision that should logically survive will continue to apply.

Linked Sites

Our site may have links to other websites ("Linked Sites"). These links are just for your convenience. Including a link doesn't mean we are affiliated with, sponsor, endorse, or approve the information, materials, products, or services on any Linked Site. We aren't responsible for

what you find on these Linked Sites or for your use of them. When you visit Linked Sites, you do so at your own risk and must follow their terms and policies.

Indemnification

To the fullest extent allowed by law, you agree to protect us and our directors, officers, employees, affiliates, representatives, and agents from any claims, demands, losses, damages, liabilities, or expenses, including attorney fees and costs. This includes any claims related to your use of our services or site. We reserve the right to handle any such claims or actions at our own expense and to negotiate settlements. You agree to cooperate fully with us in defending against any such claims or actions.

Limitation of Liability and Damages

We are not responsible for any special, indirect, incidental, consequential, punitive, or exemplary damages that arise from your use of our services or site, even if we were told about the possibility of such damages. You understand and agree that we offer our services based on these disclaimers and limitations of liability. These terms are essential for us to provide our services to you at a reasonable cost. Some places may not allow certain limitations or exclusions, so these terms might not apply to you. Check your local laws for any restrictions. We aren't responsible for any damages or viruses that might harm your computer or other property due to your use of our site. We also cannot guarantee that the information shared by users is always reliable or trustworthy. You are responsible for your actions and for determining what you believe is accurate or true.

Notice

Except as explicitly stated otherwise, legal notices to us should be emailed to info@livebeyondyou.org. Legal notices to you will be provided either to the email or mail address you provide during the account registration process or posted on the site. Notice will be deemed given 24 hours after an email is sent, unless we are notified that the email address is invalid. Notice will be deemed given three days after mailing or posting on the site. You agree

that all notices and communications we provide to you electronically (by email or by posting on the site) satisfy any legal requirement for written notice.

Arbitration

Any dispute, question, or difference arising between you and us, including our officers, directors, employees, or affiliates, regarding the services or the relationship defined by these Terms, which cannot be resolved amicably, shall be settled in accordance with the Commercial Arbitration rules of the American Arbitration Association (“Association”) by one or more arbitrators selected mutually by the parties from the Association’s commercial panel. The arbitrator(s) will speak English and can extend the time for the award with the parties’ consent. The arbitration decision may be entered in any competent court and will be binding, final, and non-appealable. The arbitrator(s) can award any remedies deemed appropriate, including money damages and injunctive relief. This arbitration provision remains in effect even after these Terms expire or are terminated. If any party fails to appear at an arbitration proceeding, an award may be entered by default. You consent to arbitration in the City of Indianapolis, State of Indiana, and agree that all related actions or proceedings will take place there, waiving any objections based on improper venue or forum non convenience. The fees for arbitration will be shared equally between the parties.

Choice of Law

These Terms and your use of our services are governed by and construed in accordance with the laws of the state of Indiana, without regard to conflict of laws provisions. You waive your right to a trial by jury for any claims, actions, or proceedings arising from these Terms to the fullest extent allowed by law. You understand that without this provision, you would have the right to a jury trial.

Force Majeure

Neither party will be responsible for failing to perform any obligation under these Terms due to causes beyond their reasonable control, including but not limited to strikes, lockouts, riots,

epidemics, war, government regulation, fire, flood, natural disasters, Acts of God, or equipment inadequacies.

Severability

If any provision of these Terms is found unenforceable, it will be modified as needed to make it enforceable while preserving its intent. If any provision is held unenforceable in any jurisdiction, it will be enforced to the maximum extent permitted in that jurisdiction, and the enforceability of the remaining provisions will not be affected. You agree to replace any unenforceable provision with a valid one that achieves the intended purpose as closely as possible.

Electronic Signatures in Global and National Commerce Act/Uniform Electronic Transactions Act

The Federal Electronic Signatures in Global and National Commerce Act (“ESIGN”) and the Uniform Electronic Transactions Act (“UETA”) allow for legally binding agreements using electronic records and signatures. We obtain your consent to transact electronically when you register on our site. Your use of electronic signatures binds you as if you had signed manually. Electronic versions of documents meet any requirement for written documents. If you sign electronically, you confirm you can access and retain these documents. You agree to understand and conduct business electronically and review our site for updates. You may choose to receive communications by other means, but this does not affect your consent. You may revoke consent for electronic delivery and receive paper versions, with a reasonable period for us to effect such changes. If you choose electronic delivery, you must have suitable equipment and services to access and maintain records.

Waiver and Integration

A provision of these Terms may be waived only through a written instrument executed by the entitled party. Failure to enforce any provision does not affect our right to enforce it later. A waiver of any breach does not imply a waiver of other breaches. These Terms, along with other referenced materials, constitute the entire agreement between you and us regarding the services and replace all prior communications and proposals.

Changes to the Terms

Your use of the site and services is governed by the current version of the Terms. We may modify the Terms or other policies at any time without notice by posting the changes on the site. The effective date of changes will be noted at the bottom of this page, and we will provide information about changes upon request. Continued use of the services after changes indicates your agreement to the updated Terms.

By purchasing from our website, you agree to be bound by these Terms, our Privacy Policy, and other related policies. If you do not agree, please refrain from purchasing or participating in our services. Check this policy periodically for updates. We reserve the right to change this policy at any time without prior notice.
