

## Elementary Mathematics Teacher Award

The OAME/AOEM Award for Exceptional and Creative Teaching in Elementary Mathematics recognizes an exceptional and creative elementary educator who demonstrates excellence in mathematics education and contributes to the overall development of students.

### **Award Nomination Process**

1. As the nominator, provide a one page letter of recommendation explaining why you are nominating this teacher. Note: the nominator must be an OAME/AOEM member to be able to make a nomination.
2. Provide up to three additional letters of support, of no more than two pages each. These supporting documents may be gathered from a variety of sources to reveal a full picture of the nominee. The support documents will provide precise information about the nominee's contributions as they relate primarily to this award. All documentation supporting a nomination should align to the OAME/AOEM Vision for mathematics teaching and learning. Support may come from a supervisor or administrator, parents of students, colleagues, former/current students, or other appropriate sources. The nominations will be assessed according to the criteria outlined below.
3. Include the nominee's Curriculum Vitae of up to five pages.
4. Complete Google Form and submit all required documentation to OAME Executive Directors at [EDs@oame.on.ca](mailto:EDs@oame.on.ca) by **January 31**.

### **Award for Exceptional and Creative Teaching in Elementary Mathematics Criteria:**

- Is an exceptional educator
- Is a creative educator
- Contributes to overall development of students
