DISCLAIMER: THIS IS A ROLEPLAY ACCOUNT MEANT FOR MEANINGLESS FUN. I DO NOT CLAIM OWNERSHIP OVER TED LASSO, NOR AM I AFFILIATED WITH JASON SUDEIKIS, OR APPLE.

01.

Hi there! My name is Trick, I am 21+ years old, I go by they/them pronouns, and I've been writing here on this hellsite since around 2011. I work full time, and have a somewhat active social life, so my activity is sporadic at best. Please keep that in mind while waiting for replies, I'll pump things out the best I can (:

This account is for TED LASSO, from Apple's show under the same name. He's show compliant, and low activity. If you have any questions regarding my portrayal my im's are always open, and a proper bio will soon be made.

03.

When it comes to shipping, I'm super open to it. Just keep in mind chemistry is key, and I do have the right to decline a ship if I'm not feeling it. My main ship is between Ted and Beard, who can be found on @beardsway

This account will likely have a few triggering contents, my tagging system looks like this "trigger //" feel free to blacklist anything you see. Also please keep in mind that I am an 18+ account. If you follow me and are a minor, I will block you.

05.

I DO NOT LIKE DRAMA. I'm not interested in it whatsoever. If you are a cause of constant drama on my dash, I will unfollow you. This is a hobby, and I do not plan on starting to take it *that* seriously.
