Subject Line: SGA Cordially Invites You to Visit the First Annual Activism Fair

Dear President Daniels,

In recent years, our student body has demonstrated a profound willingness to rise to the challenge and advocate for the causes about which it is passionate. To facilitate these movements, SGA is working to ensure that students' voices are heard and given the thoughtful consideration that they are warranted.

For example, SGA is currently petitioning for a schoolwide referendum. The referendum will allow both SGA and the University to gather vital data and work together to develop future policy recommendations and decisions.

In addition, SGA is organizing an Activism Fair during Orientation. The fair will bring together dozens of student groups working to bring about positive change on campus, in Baltimore, and beyond through activism and advocacy. We hope this will create an opportunity for incoming and current students to get involved in shaping the future of our communities. We also hope it can be an opportunity for you to see firsthand the causes that our students are working towards. The Activism Fair will be held this August 29th, 2018, from 2-5pm in the Gilman Atrium, and we cordially invite you to visit the fair and witness the passion and spirit of our student body.

Looking forward to future collaborations between the SGA, the student body and your office,

The Student Government Association
