	About Third Party SSL Certificates	
	Third Party SSL Certificates cannot be installed on Company or Agent websites. Due to the proprietary nature of our platform, only SSL Certificates provided by Delta Media Group can be used on our websites. see the "Domain Settings" page after you have validated your domain. For more information, please contact Delta Media Group Support at support@deltagroup.com.	To add SSL to your Agent website,
	Setup a Domain I Own Purchase / Manage Domains	

3. Enter the domain name you purchased and click Submit
