[14:05] <Integrity_> "Well, as kind of you as it is to offer Six, we can't. Mayhem is, eh... afraid of heights. Yes."
[14:08] * Shift buzzes over and joins the others "Question... Any anti changeling feelings? Or am i fine going undisguised?"
[14:08] <~Grim[GM]> Six snorts, "we have a changling working navigation with Golden Breeze. your fine."
[14:11] * Shift nods "Excellent..."
[14:12] * Lunar_Strike shakes her foggy head "Are we leaving right away? Or are we planning to

stay here a bit longer?"

[14:14] <~Grim[GM]> Six hms, "well I know we need to collect wood winds and brass from derse hunting, so... ya got about 6 hours."

[14:15] <Shift> "Im gonna go take a look at the lake to be honest... See the damage done first hoof

[14:15] <Integrity_> "Alright then, You all make sure you don't lose your boarding passes before then."

[14:16] * Lunar_Strike nods "In that case, I've got some things I should read up on. Anypony here need me? Otherwise I'll head on up to our room." she says, slower than normal

[14:17] * Shift buzzes away towards the lake

[14:17] <Integrity_> "And I think I'm going to go and buy some... supplies. Yes."

[14:18] <Mayhem> "Time ta do somethin' about this." She taps her horn stump.

[14:19] * Lunar_Strike trots off to their room, avoiding the daylight whenever possible

[14:19] * Integrity_ trots off to the nearest bar

[14:23] <~Grim[GM]> Integrity_ finds the bartender there but not many ponies, there appears to have been quite a shoot out in there, and their still dragging bodies out.

[14:26] * Integrity_ approaches the bar "Hello, can I get 8 tubes of jet and 6 bottles of whiskey?"

[14:28] <~Grim[GM]> the bar tender raises an eyebrow, "whiskey I can getcha, but my jets been taken."

[14:29] * Integrity_ glares "It's been taken?"

[14:29] * Integrity_ casts soft light on himself

[14:31] <Integrity_> "You mean during the battle? All of it?"

[14:31] <~Grim[GM]> The bartender nods, "by the guys that looted this place during the fighting, you wanna take to the buck that stole it? he OD'd in the bathroom." he points over at the little fillies room.

[14:32] <Integrity_> "Son of a mule..." Integrity mutters as he wanders off to the little fillies room to inspect the body.

[14:35] <~Grim[GM]> its... not a pretty sight, the buck seems to have fought with some mare (who was in a very pretty dress befor it took 3 bullets to the chest) to OD on the drugs

[14:36] * Integrity_ tries to avoid stepping in blood as he picks up the inhalers and checks them for Dash

[14:37] <~Grim[GM]> only one inhaler has Dash in it, the buck seems to have huffed the other 11

[14:37] <~Grim[GM]> behind him, some one flushes a toilet in a stall.

[14:38] * Integrity_ inhales the last one and walks back to the bar

[14:39] <~Grim[GM]> A mare peeks out of the stall in front of Integrity blocking his path, "what are you doing in here?"

[14:42] <~Grim[GM]> Integrity notices she's dressed reminicently similar to Lunar_Strike when they first met...

[14:43] <Integrity_> "I'm the custodian. The boss said the mess back here was pretty bad, but..." Integrity's eyes begin to water and he coughs twice. "Shit. Wow."

[14:45] <~Grim[GM]> The mare raises an eye brow and smiles gently at Integrity, "Well, maybe I can help you with that." she points her horn at the mess it it slowly vanishes from the floor, even

cleans the bodies a little. "That help ya out handsome?"

[14:45] * Mayhem walks towards the next tattoo parlor in the meantime.

[14:46] <Integrity_> "It did. That's an impressive trick you've got there."

[14:50] <~Grim[GM]> The mare giggles, "then you'll love the next one I have~"

[14:50] <Integrity_> "Oh?"

[14:56] <~Grim[GM]> Integrity feels something sharp sink into his side, sliding between his ribs, the mare's smile slowly creeping into the malcios range as yanks the knife back out, "yeah, its a real trip~"

[14:59] <~Grim[GM]> The mare points her horn at Integrity and shoots him full in the face with some sort of spell.

[14:59] * Integrity_ yelps

[14:59] * Integrity_ tries to yelp but can't

[15:01] <~Grim[GM]> the mare grins and takes a stable fighting stance in front of Integrity, "Hush little pony, just go to sleep~"

[15:03] * Integrity_ pulls out his double barrelled shotgun and shoots her in the leg

[15:05] <~Grim[GM]> The mare blinks, "oh shi-" And then Screams in agony as her fore leg is severed from her torso, "SWEET LUNA FUCK ME SIDEWAYS WITH HER FUCKING HORN!!!"

[15:05] * Integrity_ puts away his gun and runs for the exit

[15:06] * Integrity_ (edit nvm, i'll wait for what you're going to do)

[15:06] <~Grim[GM]> The exit is roughly shoved open by a changling in combat armor, twin linked tommy guns pointed at Integrity. he servays the situation. "what the fuck happened here?"

[15:08] <~Grim[GM]> The mare points at Integrity, putting on her biggest, saddest puppy dog eyes, "HE tried to rape me... and I stabled him... and then he blew my leg off!!!" she bursts into tears.

[15:10] <~Grim[GM]> The changling glares at Integrity and levitates the mare onto his back, "You're coming with me crimnal scum."

[15:10] <Integrity_> "Don't be an idiot!" Integrity barks at the mare, if I was going to rape you I would have done this!

[15:11] <~Grim[GM]> The changling raises an eyebrow as Integrity_ opens and closes his mouth but no words come out, the mare sneers at him.

[15:12] * Integrity_ opens his mouth to protest before remembering that he cannot speak, inaudibly curses and silences the mare with his own magic

[15:12] <~Grim[GM]> the mare squeaks and hises at Integrity silently as their both levitated off

[15:13] <~Grim[GM]> MEANWHILE MAYHEM IS...

[15:16] <Mayhem> ...standing in the shop talking to a mare with dozens of tattoos and piercings. "Hi. I am looking for something to repair this." She points at her horn. "And maybe something extra."

[15:19] <~Grim[GM]> The mare hmms and gets up on a ladder to properly examin Mayhem's horn, "damn thats a even cut... yeah I have a bone sculpter who can help ya out but it won't be cheap... as for extra, you want a nose ring?"

[15:21] <Mayhem> "How much for the horn and the nose ring?"

[15:22] <~Grim[GM]> the mare groans, "What is it with minotuars and nose rings?" she goes to the register and grumbles, "750 caps."

[15:23] * Mayhem scrunches up her muzzle. "I don't have that much. How much for just the horn?"

[15:24] <~Grim[GM]> "500"

[15:25] <Mayhem> "Would a metal cap be cheaper?"

[15:25] <~Grim[GM]> "metal cap is 50 caps."

[15:25] <~Grim[GM]> "Want any tats or anything like that?"

[15:26] <Mayhem> "And you are sure ye could restore me horn fully?"

[15:26] <Mayhem> "Hmm...so you want 250 for a nose ring?"

[15:27] <~Grim[GM]> The mare snorts, "she'll give ya long horns if ya have enough caps."

[15:29] <~Grim[GM]> Mayhem feels a tiny prick in the back of her left arm.\

[15:30] * Mayhem twitches and quickly turns around, looking down, hand already raised.

[15:31] <~Grim[GM]> a pony in a black cloak's flank disappears out the door.

[15:32] <~Grim[GM]> Mayhem feels a little woozy

[15:32] * Mayhem stumbles towards the door, wanting to take a look around.

[15:35] <~Grim[GM]> Mayhem's legs betray her, her limbs feeling numb.

[15:36] <~Grim[GM]> MEAN WHILE ROSA IS...

[15:36] * Mayhem falls forward to the floor, but still manages to catch herself with her hands before lying down on her belly.

[15:38] * Rosa is still working on Talismans at the workbench in Pariah's workshop, she managed to finish a few more in her time here.

[15:39] <~Grim[GM]> there is a loud crash behind Rosa in the workshop.

[15:40] <Rosa> //me whips her head around to find the source of the noise, blinking.

[15:41] <~Grim[GM]> Theres a pony laying on the floor, holding his throat and gaging.

[15:45] <~Grim[GM]> Rosa hears a soft "woosh" above her.

[15:45] * Rosa blinks, starting to move to the pony on the floor before the sound above her makes her look up.

[15:46] <~Grim[GM]> theres a Pegasus in black Diving at her from the rafters, hooves outstretched to grab her!

[15:57] * Rosa stops the buck's dive with a buck from her hind legs. It stops, but doesn't push the buck back. However, she followed this up with two move kicks, and finishing it off with a second buck after the stallion lost his foundation.

[15:58] <~Grim[GM]> The pegasus flops limply to the ground, most of his teeth clattering down along with him.

[16:00] <~Grim[GM]> The last pony in black peeks around the door to Pariah's room to make sure his friends are ok.

[16:05] * Rosa spots the last pony in black, turning to face him, her eyes widening as she slowly approaches "What did you do to Pariah, and you sent you?"

[16:06] <~Grim[GM]> the pony meeps and slams the door.

[16:07] * Rosa makes her way over to the door, and attempts to buck it down

[16:08] <~Grim[GM]> Rosa succeeds in knocking herself over.

[16:08] <~Grim[GM]> The pony on other side gulps, "uuuuuh.... could we talk about this?"

[16:09] <Rosa> "If you tell Rosa who sent you, why, and whay you did to Pariah, Rosa will not kill or permanently scar or cripple you."

[16:11] <~Grim[GM]> The pony contemplates, "um... ok... i'm opening the door..."

[16:12] * Rosa takes a step back from the door, preparing to avoid or parry any possible attack

[16:17] <~Grim[GM]> as the door swings open the buck swings at her with a hoof mounted syringe looking thing.

[16:18] * Rosa was prepared for such an action, raising a hoof to knock his hoof out of the way before decking him with her hoof

[16:20] <~Grim[GM]> the stallion staggers back, stepping the tip of the needle as he steps, "oh crap..." he stares slightly down at the zebra mare

[16:24] * Rosa quickly moves on the stallion, hitting him with two quick jabs from her hooves to stumble him before twisting around to give him a good buck in the head. To make sure she doesn't get up, she finishes her assault with hopping off the ground, kicking him in the head with a dropkick.

[16:25] <~Grim[GM]> The stallion drops like a sack of Potatoes, twitching.

[16:26] * Rosa gets back on her hooves, panting lightly as she hurries over the body and into the dragon's room "Pariah!?"

[16:27] <~Grim[GM]> Pariah snores in his nest. sleeping on top of a pile of gold trikets, gemstones of various sizes, and some old toys.

[16:28] * Rosa blinks as she trots over to his nest, shoving him in the shoulder "Pariah, wake up!"

[16:30] <~Grim[GM]> Pariah sleepily paws at her, "nuuu... I'm sleeping karma..."

[16:31] <Rosa> "PARIAH!" She shouts loudly before taking a deep breath. "WE'RE UNDER ATTACK!!!"

[16:31] <~Grim[GM]> Pariah squeaks and burries himself in treasure.

[16:34] * Rosa rolls her eyes, nudging the treasure "We have to tell somepony. They just attacked me, and just snuck into your room before I took care of it."

[16:35] <~Grim[GM]> Pariah unburies himself and snarls, "did they steal anything?!" he stands defensively in front of his treasure pile, growling softly.

[16:36] <Rosa> "No, they didn't take anything. I think I was their target... we need to tell Karma and the Queen that assassins are lurking in the city. They may belong to Derse and Bleeding Heart.

[16:37] <~Grim[GM]> Pariah nods and starts frisking the barely breathing stallion, pulling out a ruby the size of Rosa's eye, "this is mine!" he growls and kicks the stallion, making him groan.

[16:39] * Rosa blinks "... Huh. So there ARE ponies that stupid. then again, Rosa shouldn't be surprised, one of them swallowed and choked on their weapon. Still... we need to warn everypony that Derse could still be attacking us."

[16:40] <~Grim[GM]> that stallion is dead now by the way.

[16:41] <~Grim[GM]> MEANWHILE Lunar_Strike is...

[16:43] * Lunar_Strike in their room at the Hive, taking a seat on the furniture to look at the folder Pandora gave her

[16:53] <~Grim[GM]> inside is the normal dossier, an update on safe houses, supply caches, fences that were safe to sell too, and a very official wanted poster of herself, Mayhem, Faith, Shift (in her bon bon disguise), Integrity, and Ghosty. It reads "WANTED for crimes against the kingdom of Derse: Alive. 1,000,000 Caps"

[16:53] <~Grim[GM]> Also a sealed letter.

[16:54] * Lunar_Strike flips through the usual notices before pausing at the wanted posters "Well shit."

[16:54] * Lunar_Strike opens the letter

[17:00] <~Grim[GM]> it reads: "My most faithful student... we have been betrayed, our brothers and sisters have begun working for the Ace of Spades in our hit deck. Further, she has placed a bounty on your head and this group you are traveling with. be on your guard, for you know our agents are in every shadow. Yours sincerely, The Master."

[17:02] * Rosa (rvoqikotswk@Pony-4558nl.dyn.optonline.net) Quit (Connection closed)

[17:02] * Lunar_Strike slams her hoof down "That fucking spawn of a mule!" she shouts before quickly packing up the folder

[17:05] <~Grim[GM]> some pony knocks on the door, "house keeping"

[17:06] * Lunar_Strike blinks, "Yeah fucking right..." she whispers to herself before activating the stealth field and opening the door

[17:08] <~Grim[GM]> Theres a gryphon standing there with a hunting shotgun that has a enormous silencer attached. he fires at the spot where Lunar_Strike would have been standing had she been dumb enough to just answer the door, and the beaan bag hits the wall.

[17:11] * Lunar_Strike feels the bean bags whiz past her before attempting to tackle the Gryphon to the ground

[17:13] <~Grim[GM]> Lunar_Strike Succeeds and the gryphon squaks in surprise. "motha fuckin"

[17:15] * Lunar_Strike turns off the cloak and draws her combat knife, rage evident in her cool blue eyes as she begins slicing at him

[17:23] <~Grim[GM]> the gryphons flailing and screaming stops about half way through the stabbing

[17:25] * Lunar_Strike pants slightly, gritting her teeth "Fuck... should've kept him alive." she checks the body for any other information

[17:25] <~Grim[GM]> theres a blood stained folder similar to the one she had recieved.

[17:26] * Lunar_Strike picks it up to see if there is any information she didn't have

[17:26] <~Grim[GM]> theres dossiars on her and her friends, all stained in blood.

[17:28] * Lunar_Strike gulps "How much do they know?" she muses as she reads the first dossier

[17:28] <~Grim[GM]> [[Dossiers can be viewed In PM's with the GM.]]

[17:31] * Lunar_Strike reads a few before slamming the folder shut and putting them in her bags, she then turns to face the body "For your crimes, I only wish I made your death slower. Bleeding Heart, I swear your death will be extruciating." she says coldly before running off to find the others

[17:33] <~Grim[GM]> Meanwhile Shift is...

[17:33] * Shift at the lake, looking at what exactly has happened since the attack

[17:35] <~Grim[GM]> no much, their fishing the taint barrel out of the lake and marching captured combatants to a camp.

[17:36] * Shift will be looking around for anyone that needs help and the like

[17:36] <~Grim[GM]> Theres a pony waving to Shift, "Hey! we need some help over here!"

[17:37] * Shift buzzes on over

[17:39] <~Grim[GM]> The pony starts walking, "Our friend is hurt, and the guy helping us got shot. their over here!"

[17:40] * Shift just buzzes along

[17:40] * Shift heads over to the area indicated and tries to determine how she can help

[17:41] <~Grim[GM]> The pony leads Shift to a Knocked out Changeling and a Mare cradling her severed leg, "can you help them?"

[17:41] * Shift nods and makes sure theres nothing that can cause more harm before pulling out her bandages

[17:42] <~Grim[GM]> the mare whimpers, bleeding heavily.

[17:43] * Shift gets to work treating her injuries

[17:44] <~Grim[GM]> the mare inhails sharply and smiles, "th-thank you."

[17:47] * Shift frowns and pulls out a super restoration potion, grimacing as she applied it to both parts of the limb and slowly reattaches it

[17:48] <~Grim[GM]> the mare whimpers and shakes as it reattaches, "th-thank you..."

[17:49] <~Grim[GM]> "We're sorry about this."

[17:49] * Shift gives a nod "You'd be better served if you went into the Hive. The medical center can make sure everything is ok"

[17:50] <~Grim[GM]> Shift feels her tail twitch and mane itch.

[17:51] * Shift frowns "Stop that..." she mutters bapping her tail.

[17:53] <Shift> "What was it again... Twitchy tail, itchy mane.." she thinks "Something about pain?" she darts up into the sky a moment later, looking around

[17:54] <~Grim[GM]> The stallion trying to chloroform her misses and gulps, "oh shit."

[17:55] * Integrity_ Snore loudly from a nearby sack

[17:55] <Integrity_> *snores*

[17:56] * Shift stares "REally?"she grumbles "You /try/ to do good..."

[17:57] <~Grim[GM]> on pulls a dart gun and trys to shoot Shift, but accidently shoots himself, "son of a-" he falls over, snoring.

[17:58] * Shift looks at the mare "Want to explain?" she asks, landing and grabbing the dart gun in her magic

[18:00] <~Grim[GM]> she sighs sadly, "stupid fucking..." she coils up in a ball and sobs sadly into her hooves.

[18:01] * Shift frowns "Yeah... Not taking chances" she mutters and shoots the mare with a dart

[18:02] <~Grim[GM]> the mare blinks, "YOU fucking biiii-" she topples over and snores cutely.

[18:03] * Shift rolls her eyes and goes to check the other source of snoring

[18:03] <~Grim[GM]> its Integrity! and Mayhem

[18:05] * Shift returns to the would be assassins and starts vommiting up some lovely goo to bind them all together. Unconcius changeling included, just to be safe
