A #HongKong CPPCC member that will attend two sessions in Beijing later this month told me one of her proposals is make Pingtan of Fujian Province an experimental area of the "one country, two systems" for Taiwan and deepen systematic innovation in Pingtan. That's interesting.

<https://archive.is/WKUe4>

--- "Similar to the "voting" or "democratic reform" experiment on village level."

The member may drop this proposal due to sensitivity of the situation.
