Note:

While this itinerary outlines the general plan, at BiBi Ha Giang Loop we are not strict about following a fixed schedule. There are various factors that may require modifications during the tour. We prioritize flexibility, adapting to the situation at hand to ensure a memorable experience.

Why Choosing Our BiBi Ha Giang Loop Tour?

Small Group Tours:

- Our tours are designed for small groups of maximum 8 people (typically 4-6 travelers) to ensure a more personal and enriching experience. Traveling in a smaller group allows for better connections and more flexibility during the journey.

Focus on Local Connections:

- *Experience Ha Giang like a local! Meet local families, visit small villages and schools, and immerse yourself in their traditions. Gain unique insights into daily life that can't be found in guidebooks or online.*

Off-the-Beaten-Path Adventures and Hidden Gems:

- *The tours take smaller roads and visit less crowded stops for a unique experience. Our tour is not just about sightseeing - it's about experiencing the heart of northern Vietnam. As you ride through breathtaking landscapes, you'll experience stunning viewpoints off the beaten track, lush valleys and winding mountain roads that make Ha Giang famous.*

Knowledgeable Local Tour Guides and Warm hearted Local team:

- *Our tour guides speak good English and are experienced with many years on the loop. Our easyriders are more than just drivers, they will be your friends, sharing their love for Ha Giang and making sure you feel at home while exploring this stunning area of Vietnam.*

Giving back to the local communities

- Our company is proudly built by a dedicated local team. We are committed to giving back to our homeland and prioritizing collaborations with other local partners, fostering a strong sense of community and support.

Customer Trust and Reviews:

- With many years of experience operating the Ha Giang Loop, we are immensely grateful for the positive feedback and reviews from our valued guests. Your trust inspires us to continually deliver exceptional experiences.
