MIX and MATCH

1. Attend minimum 4 events out of the two PEP packages and receive 10 PEP hours
2. Attend ALL 8 events and receive 20 PEP hours
3. Attend 5-7 events and receive 10 hours for the first 4 events, and 1 hour each for the remaining events
 - a. 5 events = 11 hrs
 - b. 6 events = 12 hrs
 - c. 7 events = 13 hrs

To get these automatic pep hours, you need to do the following:

1. You need to complete the pre-event form correctly before the event. These will be provided in Facebook posts, or check [below](#) for all the links.
2. You need to attend all the events in full
3. You need to join the zoom sessions with your university account
4. You need to complete the submission/form (about 250 words) at the end of the 4 events in the PEP package. This will be provided to you during the last event and [below](#).
The submission deadline is Friday 21 May (Week 11).

We collect attendance of the events based on zoom participation records which have your university email and duration of attendance.
