CAREER TREKS

Do you know what career is right for you?? Do you have a plan??
If not, join us on a Career TREK!

Career TREKS are “career field-trips,” which connect students with employers in the employer’s real-world work setting! Students receive a ‘behind the scenes’ look at organizations and the variety of careers that exist within them. These supervised excursions help students learn from, interact with, and question professionals in job settings related to possible career fields.

Career TREK Schedule:

Career Trek: Harper College Regional Skilled Trades Fair

Field of Interest: Skilled Trades

Location: Harper College

Date: Friday, October 10, 2025

Time: 8:30AM-11:00AM periods 1-3

Description: The Fair is designed to connect students with training programs and give insights into the job opportunities with hands-on careers. Learn about training pathways and educational

requirements. Explore high-demand careers with strong earning potential. Talk with experienced tradespeople to find out what their jobs are really like.

Click [here](#) for more information and to sign up today! Limited space! Permission slips due by Monday, October 6th.

Career Trek: Lake County Building & Construction Trade Show

Field of Interest: Skilled Trades

Location: Lake County Fairgrounds

Date: Thursday, October 30, 2025

Time: 9:23AM-12:45PM periods 2-5

Description: Students will explore careers in over 25 union trade areas

Click [here](#) for more information and to sign up today! Limited space! Permission slips due by Friday, September 5th.

Career Trek: BHS 3rd Annual Career Expo

Field of Interest: All fields!

Location: Main Gym, Barrington High School

Date: Thursday, October 23, 2025

Time: 10:15AM-2:30PM periods 3-7, students will attend during lunch periods & gym classes

Description: Barrington High Schools' Career Expo provides students with the opportunity to explore various career pathways, engage with industry experts, and gain insights into the skills required for their future careers. Each year we have organizations representing a wide variety of career pathways including finance, health science, human services, agriculture, food & natural resources, arts & communication, manufacturing, science, technology, engineering, and the trades. It is a great opportunity to ask questions and get answers from the experts!

Click [here](#) for the Career Expo Website, where you can see pictures from last year and a list of organizations that have participated.
