

Sponsorship Packages

Rock Solid Warrior is hosting a [Ninja Warriors for Wounded Warriors](#) Charity Event on Labor Day Weekend (September 1st through 4th), 2023 in support of the [Wounded Warrior Project](#). Some of the nation's top ninja warriors - many who have competed on American Ninja Warrior Junior and American Ninja Warrior - will compete at this event, which is actually three events in one plus community involvement.

Our aim is to provide a world class competition experience for our competitors as well as reach out to those wounded warriors who are "at risk" through this great organization. We will be streaming these events live on Facebook and/or Youtube and storing them for future viewing. Based on previous year's results and broader awareness, we are expecting thousands of viewers. Your sponsorship would not only help us cover expenses and prize money, but they'd help us support this great organization that is faithfully helping those with severe challenges (all participation fees will go directly to the organization) and let everyone know you stand behind them. Thank you for your consideration.
