

Assessment Analysis

A reflection of your classroom assessments

As classroom educators we use a variety of assessment strategies with our learners. Brainstorm a comprehensive list of **ALL** of the assessments and/or assessment strategies you use with your learners to measure success. These could be formal post assessments or informal exit slips- any strategy you use to get a clear picture of student learning. Jot down as many as you can! You will be using this list in Module 2 of the course as well.

What assessment(s)and/or strategies do you currently use to measure success? Module 1- Activity 2	What is the purpose of the assessment? Module 1- Activity 2	Is this an example of assessment OF learning, AS learning, or FOR learning? Module 2- Activity 1
EXAMPLE: Exit slips	End of class checkpoint to determine current level of understanding	FOR learning- formative
