COOKING INSTRUCTIONS: Slice or dice and brown in pan for caramelised flavour before cooking thoroughly with eggs, rice, soups or casseroles.
Arriba! The glint of golden red promises a rich, flavourful and mild Chorizo. Crack the bag open and release traditional Hispanic flavours of paprika and smoke, tickling your nose and making your mouth water. At that moment no doubt remains that this legendary sausage is an artisanal masterpiece created by 4th generation master butchers. All natural, with no artificial preservatives, this grass-fed, all beef Chorizo has a little secret. It is FODMAP Friendly, gluten free and Kosher, setting it apart from its contemporaries. Use it in your favourite recipes without fear and watch the natural spices infuse the other ingredients with flavour and colour. BBQ or simply sliced with a knob of crusty bread, you will be transported to a simpler time when good food was the measure of a successful day
