

## **\*\*2025 Dragon Dreams Gift Shop Needs\*\***

This is going to be a fun couple of days for the students to shop for their loved ones before we head into the Winter holiday. Each student will have the chance to pre-register to shop on either 12/18 or 12/19 during the school day. They will use their Dragon Dollars to “shop” for items and volunteers will tag and wrap gifts for them to bring home. All shoppers will have the chance to select 2-3 items each. Thanks so much for your support!

We are going to need plenty of helping hands to run the shop. I can promise a heart-warming morning hanging with the DMS students, and potentially some holiday cookies!
