

Helping Verb Madrigal

Helping verbs tell us when
Another verb is happening.
Sometimes we use just one,
Sometimes two or three!

Helping verbs like could, would, should
Help us tell what verbs might do.
But they never work with 'of';
They only work with 'have'!

Am, are, be, been, being, can,
Could, did, do, does, had, has,
Have, is, may, might, must, shall,
Should, was, were, will, would.
