

## 2025-26 Dual Credit Course Enrollment Information

JJC Dual Credit Student Registration Process:

Complete JJC dual credit application here [Dual Credit Joliet Junior College](#)

Once you have completed the application, you need to look up your ID number and here: [JJC ID/Username/Password help](#)

Your MCHS teacher will assist in registering you for the class.

### Dual Credit Course Options offered at Morris Community High School through Joliet Junior College:

Junior Options	Senior Options	Test/Score Required
MATH 128 (4 credit hours) Elementary Statistics	MATH 128 (4 credit hours) Elementary Statistics	<a href="#">JJC Placement Measures</a>
	MATH 170 (5 credit hours) Calculus with Analytic Geometry	<a href="#">JJC Placement Measures</a>
	COMM 101 (3 credit hours) Principles of Communication	Placement testing into ENG 101 <a href="#">JJC Placement Measures</a>
	PSYC 101 (3 credit hours) General Psychology	No placement required but must turn in JJC ID number to counselor or dual credit teacher.
FIN 100 (3 credits) Personal Finance	FIN 100 (3 credits) Personal Finance	No placement required but must turn in JJC ID number to counselor or dual credit teacher.

These classes are taught at MCHS by a faculty member at MCHS.

There is a fee for each dual credit class taken at MCHS: [Dual Credit Fee Information](#)

Placement testing information: [Placement Testing Joliet Junior College](#)

If not attending JJC after graduation, students will need to have their JJC transcript sent to the college/university they will be attending. It is up to that college to determine the transferability. Students can request and pay for the fee online at: [Registrar's Office | Joliet Junior College](#)

The following courses at the [Grundy Area Vocational Center](#) offers Dual Credit options:

Automotive 2	Computer Graph 1	Criminal Justice 1/2
Culinary Arts 1	Entrepreneurship	Found. of Teaching (through USF)
Fire Science 1/2	Health Occupation 1	Welding 1/2
