

THE
PROFESSIONAL
STAFF UNION

Bargaining Report

Number 1
March 2013

UTS Listening

The current Support Staff Agreement will expire on 30th June 2013. This means that your pay and working conditions are up for negotiation.

It is vitally important that all UTS-CPSU members involve themselves in this process. We need to know from you what you want to see in the new agreement.

We would like all members to have some input into the new agreement. After all, this is the agreement you will be making with the university for the next few years. If you think the current agreement can be improved, you must let us know.

As such the CPSU has scheduled workplace "Listenings" on **Monday 11th March** and **Monday 18th March**.

The feedback we receive from the Listenings will inform the development of our claims for Enterprise Bargaining.

The meeting will be for one hour during lunch.

The following three questions will guide each listening:

1. What are the three conditions of employment you value most working at the University?
2. How do you think you could be better recognised and rewarded for your work at your University?
3. What do you want your University to look like in five years?

Monday 11th March 12:30 – 1:30 Harry Heath Room (CB02.03)

Monday 18th March 12:30 – 1:30 Harry Heath Room (CB02.03)
